Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism

Jennifer Gandhi, Rubén Ruiz-Rufino

Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism:

Structuring the State Daniel Ziblatt, 2008-01-21 Germany's and Italy's belated national unifications continue to loom large in contemporary debates. Often regarded as Europe's paradigmatic instances of failed modernization, the two countries form the basis of many of our most prized theories of social science. *Structuring the State* undertakes one of the first systematic comparisons of the two cases, putting the origins of these nation states and the nature of European political development in new light. Daniel Ziblatt begins his analysis with a striking puzzle: Upon national unification, why was Germany formed as a federal nation state and Italy as a unitary nation state? He traces the diplomatic maneuverings and high political drama of national unification in nineteenth-century Germany and Italy to refute the widely accepted notion that the two states' structure stemmed exclusively from Machiavellian farsightedness on the part of militarily powerful political leaders. Instead, he demonstrates that Germany's and Italy's founding fathers were constrained by two very different pre-unification patterns of institutional development. In Germany, a legacy of well-developed sub-national institutions provided the key building blocks of federalism. In Italy, these institutions' absence doomed federalism. This crucial difference in the organization of local power still shapes debates about federalism in Italy and Germany today. By exposing the source of this enduring contrast, *Structuring the State* offers a broader theory of federalism's origins that will interest scholars and students of comparative politics, state building, international relations, and European political history.

Routledge Handbook of Comparative Political Institutions Jennifer Gandhi, Rubén Ruiz-Rufino, 2015-04-10 The Routledge Handbook of Comparative Political Institutions (HCPI) is designed to serve as a comprehensive reference guide to our accumulated knowledge and the cutting edge of scholarship about political institutions in the comparative context. It differs from existing handbooks in that it focuses squarely on institutions but also discusses how they intersect with the study of mass behaviour and explain important outcomes, drawing on the perspective of comparative politics. The Handbook is organized into three sections. The first section, consisting of six chapters, is organized around broad theoretical and empirical challenges affecting the study of institutions. It highlights the major issues that emerge among scholars defining, measuring, and analyzing institutions. The second section includes fifteen chapters, each of which handles a different substantive institution of importance in comparative politics. This section covers traditional topics such as electoral rules and federalism, as well as less conventional but equally important areas including authoritarian institutions, labor market institutions, and the military. Each chapter not only provides a summary of our current state of knowledge on the topic but also advances claims that emphasize the research frontier on the topic and that should encourage greater investigation. The final section, encompassing seven chapters, examines the relationship between institutions and a variety of important outcomes such as political violence, economic performance, and voting behavior. The idea is to consider what features of the political, sociological, and economic world we understand better because of the scholarly attention to institutions. Featuring contributions from leading

researchers in the field from the US UK Europe and elsewhere this Handbook will be of great interest to all students and scholars of political institutions political behaviour and comparative politics Jennifer Gandhi is Associate Professor Department of Political Science Emory University Rub n Ruiz Rufino is Lecturer in International Politics Department of Political Economy King s College London Rethinking the Age of Emancipation Martin Baumeister, Philipp Lenhard, Ruth Nattermann, 2020-03-20 Since the end of the nineteenth century traditional historiography has emphasized the similarities between Italy and Germany as late nations including the parallel roles of great men such as Bismarck and Cavour *Rethinking the Age of Emancipation* aims at a critical reassessment of the development of these two late nations from a new and transnational perspective Essays by an international and interdisciplinary group of scholars examine the discursive relationships among nationalism war and emancipation as well as the ambiguous roles of historical protagonists with competing national political and religious loyalties *Beyond the Regulatory Polity?* Philipp Genschel, Markus Jachtenfuchs, 2014 This volume explores the involvement of the European Union in the exercise of core state powers such as foreign and defense policy public finance public administration and the maintenance of law and order **Handbook of Territorial Politics** Klaus Detterbeck, Eve Hepburn, 2018-08-31 The study of territorial politics has enjoyed a renaissance in the last thirty years Scholars have questioned the state centric assumptions upon which mainstream social science has been built pointing to the territorial re distribution of power across and within states This Handbook brings together leading scholars to demonstrate how territory has shaped institutional structures public policies elections political parties and identity across the world Offering theoretical comparative and empirical insights this book provides a comprehensive overview of the impact of territory on modern political economic and social life Territorial Choice H. Baldersheim, L. Rose, 2010-07-07 This book presents the experiences of eleven European countries in the field of territorial reforms Based on case studies that outline the basic features of the politics of territorial choice in the respective countries the focus is on national policies politics and cleavages the strategies employed and the outcomes of the reforms **A Theory of African Constitutionalism** Berihun Adugna Gebeye, 2021 Utilizing detailed case studies from Nigeria Ethiopia and South Africa this title traces African constitutionalism from precolonial times to the present The volume offers a new framework for understanding African constitutionalism and a range of practical proposals for its future development The Oxford Handbook of Constitutional Law in Latin America Conrado Hübner Mendes, Roberto Gargarella, Sebastián Guidi, 2022 This Oxford Handbook details the constitutions and constitutional history of Latin America providing comparative analysis of the prevailing institutional models and major themes in the region s constitutionalism **Handbook on Global Constitutionalism** Anthony F. Lang, Antje Wiener, 2023-11-03 This thoroughly revised Handbook presents an up to date political and philosophical history of global constitutionalism By exploring the constitutional like qualities of international affairs it provides key insight into the evolving world order *Comparative Politics* Mark Irving Lichbach, Alan S.

Zuckerman,2009-02-09 This revised edition of Comparative Politics offers an assessment of the past decade of scholarship in comparative politics

The History and Growth of Judicial Review, Volume 2 Steven Gow Calabresi,2021-04-13 This two volume set gives an account of the origins and growth of judicial review in the democratic countries of the G 20 from its beginnings in the United States to its expansion after World War II Volume 2 covers the civil law jurisdictions

The History and Growth of Judicial Review Steven G. Calabresi,2021 This two volume set gives an account of the origins and growth of judicial review in the democratic countries of the G 20 from its beginnings in the United States to its expansion after World War II Volume 2 covers the civil law jurisdictions

Constitutional Policy in Multilevel Government Arthur Benz,2016-07-21

The search for a robust balance of power is a continuous challenge for multilevel political system Institutions like parliaments or courts can protect the existing order However necessary adjustments to economic social or international challenges or policies determined to improve ineffective structures or to prevent disintegration require constitutional amendments Whereas constitutional policy appears as essential to maintain balance changing a constitution is rather difficult in multilevel governments Due to the veto power of many actors pursuing divergent interests policies aiming to redistribute power or fiscal resources risk to end in the joint decision trap Hence multilevel government is confronted by a fundamental dilemma

Constitutional Policy in Multilevel Government compares processes of constitutional reform in federal and regionalized states Based on a theoretical framework emphasizing the relevance of negotiations in parliamentary intergovernmental and societal arenas it identifies conditions for successful reforms and explains the consequences of failed reforms Moreover it highlights the interplay of reform processes and constitutional evolution as essential to maintaining a robust balance of power The book demonstrates that an appropriate arrangement of multiple arenas of negotiation including executives members of parliament and civil society organizations and sequential order of reform processes proves fundamental to prevent federal or regionalized governments from becoming either instable or ending with rigid constitutions

Transformations in Governance is a major new academic book series from Oxford University Press It is designed to accommodate the impressive growth of research in comparative politics international relations public policy federalism environmental and urban studies concerned with the dispersion of authority from central states up to supranational institutions down to subnational governments and side ways to public private networks It brings together work that significantly advances our understanding of the organization causes and consequences of multilevel and complex governance The series is selective containing annually a small number of books of exceptionally high quality by leading and emerging scholars The series targets mainly single authored or co authored work but it is pluralistic in terms of disciplinary specialization research design method and geographical scope Case studies as well as comparative studies historical as well as contemporary studies and studies with a national regional or international focus are all central to its aims Authors use qualitative quantitative formal modeling or mixed methods A trade mark of the books is that they combine scholarly rigour with readable prose and an attractive

production style The series is edited by Liesbet Hooghe and Gary Marks of the University of North Carolina Chapel Hill and the VU Amsterdam and Walter Mattli of the University of Oxford

Global Encyclopedia of Public Administration, Public Policy, and Governance Ali Farazmand, 2023-04-05 This global encyclopedic work serves as a comprehensive collection of global scholarship regarding the vast fields of public administration public policy governance and management Written and edited by leading international scholars and practitioners this exhaustive resource covers all areas of the above fields and their numerous subfields of study In keeping with the multidisciplinary spirit of these fields and subfields the entries make use of various theoretical empirical analytical practical and methodological bases of knowledge Expanded and updated the second edition includes over a thousand of new entries representing the most current research in public administration public policy governance nonprofit and nongovernmental organizations and management covering such important sub areas as 1 organization theory behavior change and development 2 administrative theory and practice 3 Bureaucracy 4 public budgeting and financial management 5 public economy and public management 6 public personnel administration and labor management relations 7 crisis and emergency management 8 institutional theory and public administration 9 law and regulations 10 ethics and accountability 11 public governance and private governance 12 Nonprofit management and nongovernmental organizations 13 Social health and environmental policy areas 14 pandemic and crisis management 15 administrative and governance reforms 16 comparative public administration and governance 17 globalization and international issues 18 performance management 19 geographical areas of the world with country focused entries like Japan China Latin America Europe Asia Africa the Middle East Russia and Eastern Europe North America and 20 a lot more Relevant to professionals experts scholars general readers researchers policy makers and manger and students worldwide this work will serve as the most viable global reference source for those looking for an introduction and advance knowledge to the field

The Unsustainable American State Lawrence Jacobs, Desmond S. King, 2009-10-02 The complexity of the American economy and polity has grown at an explosive rate in our era of globalization Yet as the 2008 financial crisis revealed the evolution of the American state has not proceeded apace The crisis exposed the system s manifold political and economic dysfunctionalities Featuring a cast of leading scholars working at the intersection of political science and American history *The Unsustainable American State* is a historically informed account of the American state s development from the nineteenth century to the present It focuses in particular on the state produced inequalities and administrative incoherence that became so apparent in the post 1970s era Collectively the book offers an unsettling account of the growth of racial and economic inequality the ossification of the state the gradual erosion of democracy and the problems deriving from imperial overreach Utilizing the framework of sustainability a concept that is currently informing some of the best work on governance and development the contributors show how the USA s current trajectory does not imply an impending collapse but rather a gradual erosion of capacity and legitimacy That is a more appropriate theoretical framework they contend

because for all of its manifest flaws the American state is durable That durability however does not preclude a long relative decline

Children, the Law and the Welfare Principle Kerry O'Halloran, 2023-05-16 This book continues the themes addressed by its two predecessors in this mini series by examining the role of the principle of the welfare interests of the child in the law of the U S and Canada It provides a record of the key milestones in its development in each country and conducts a comparative analysis of the contemporary law relating to children in both In doing so it focuses also on the Indigenous communities the AN AI and the First Nations of the U S and Canada respectively By identifying and analysing the functions of the principle in the public care protection and control etc private matrimonial adoption etc and hybrid adoption from care surrogacy etc sectors of family law it builds a picture of the law relating to children in the two countries and reveals significant jurisdictional differences By examining the legislation and related caselaw it assesses the different effects of the same legal framework on the welfare of Indigenous and other children In addition to a digest of cases and legislation that identifies and tracks the role of this legal principle lawyers academics and other researchers will find a wealth of information on how it has evolved to reflect corresponding changes in social mores For those interested in politics and social policy there is much illuminating evidence of how the law has balanced this principle relative to others in both civil and criminal contexts

Civilization and the Chinese Body Politic Yongnian Zheng, 2022-11-22 In this important and hugely ambitious book one of the world's leading political scientists working on China demonstrates how Western views of China are flawed because the long tradition of Western scholarship studying China views China from the Western philosophical and intellectual perspective rather than viewing China on its own terms through the lens of China's own long established and reputable philosophical and intellectual tradition Providing a deep analysis of Western scholarship on China including work from Leibniz to Marx to Weber and then to Wittfogel and a thorough account of the evolution of China's own thinking about governance as expressed in the practices of successive Chinese dynasties the book goes on to examine how the current Chinese body politic fits with and is the natural outcome of China's own long well thought through and well practiced intellectual consideration of what the nature of civilized governance should be By focusing on philosophical and intellectual approaches rather than on theoretical or methodological ones the book shows how the huge and increasing disconnect between non Chinese views of China and Chinese ones has come about

Shared Rule in Federal Theory and Practice Sean Mueller, 2024-07-12 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations In *Shared Rule in Federal Theory and Practice* Sean Mueller provides a new in depth treatment of shared rule a crucial but so far largely neglected dimension of federalism and multilevel governance He discusses shared rule's conceptual evolution and defines three different meanings commonly ascribed to it shared rule as horizontal cooperation centralization or bottom up influence seeking An original expert survey conducted among 38 federalism scholars in 11 countries is used to

measure actual regional government influence over national decisions Drawing on a wide range of literature from lobbying and political parties to power sharing and secessionism the author then investigates the emergence and impact of shared rule thus understood The evidence presented includes qualitative case studies on Belgium Canada Germany Spain Switzerland and the US as well as quantitative cross sectional analyses at regional and national level Mueller shows that shared rule has the potential to become the holy grail of territorial politics in that it satisfies both those wanting greater unity and uniformity of policy making as well as those desiring greater regional autonomy and recognition of diversity Building on the conceptual and empirical groundwork laid by the Regional Authority Index he takes us further and deeper still into the mechanics of territorial contestation cooperation and cohesion Transformations in Governance is a major academic book series from Oxford University Press It is designed to accommodate the impressive growth of research in comparative politics international relations public policy federalism and environmental and urban studies concerned with the dispersion of authority from central states to supranational institutions subnational governments and public private networks It brings together work that advances our understanding of the organization causes and consequences of multilevel and complex governance The series is selective containing annually a small number of books of exceptionally high quality by leading and emerging scholars The series is edited by Liesbet Hooghe and Gary Marks of the University of North Carolina Chapel Hill and Walter Mattli of the University of Oxford

The Rise of Regional Authority Liesbet Hooghe, Gary Marks, Arjan Schakel, 2010-04-05 Most countries around the globe have one or two levels of regional or intermediate government yet we have little systematic idea of how much authority they wield or how this has changed over time This book measures and explains the formal authority of intermediate or regional government in 42 advanced democracies including the 27 EU member states It tracks regional authority on an annual basis from 1950 to 2006 The measure reveals wide variation both cross sectionally and over time The authors examine four influences functional pressures democratization European integration and identity to explain regionalization over the past half century This unique and comprehensive volume will be a vital resource for students and scholars of comparative politics public administration and public management federalism democratization nationalism and multilevel governance

Fueling Sovereignty Naosuke Mukoyama, 2024-03-21 European colonialism was often driven by the pursuit of natural resources and the resulting colonization and decolonization processes have had a profound impact on the formation of the majority of sovereign states that exist today But how exactly have natural resources influenced the creation of formerly colonized states And would the world map of sovereign states look significantly different if not for these resources These questions are at the heart of *Fueling Sovereignty* which focuses primarily on oil as the most significant natural resource of the modern era Naosuke Mukoyama provides a compelling analysis of how colonial oil politics contributed to the creation of some of the world's most unlikely states Drawing on extensive archival sources on Brunei Qatar and Bahrain he sheds light on how some small colonial entities achieved independence despite their inclusion in

a merger project promoted by the metropole and regional powers

This is likewise one of the factors by obtaining the soft documents of this **Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism** by online. You might not require more period to spend to go to the books instigation as with ease as search for them. In some cases, you likewise accomplish not discover the proclamation Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism that you are looking for. Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism Introduction

In today's digital age, the availability of Structuring The State The Formation Of Italy And Germany And The Puzzle Of

Federalism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism books and manuals for download and embark on your journey of knowledge?

FAQs About Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism is one of the best book in our library for free trial. We provide copy of Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism. Where to download Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism online for free? Are you looking for Structuring The State The Formation Of Italy And Germany And The Puzzle Of Federalism PDF? This is definitely going to save you time and cash in something you should think about.
