Struggle For The Reform Of Parliament 1853 1867:

Struggle for the Reform of Parliament, 1853-1867 Ernestine Walker, 1964 *Dissertations on British History, 1815-1914* Peter Bell, 1974 **Ambivalent Nation** Hugh Dubrulle, 2018-06-11 In *Ambivalent Nation* Hugh Dubrulle explores how Britons envisioned the American Civil War and how these conceptions influenced their discussions about race politics society military affairs and nationalism Contributing new research that expands upon previous scholarship focused on establishing British public opinion toward the war Dubrulle offers a methodical dissection of the ideological forces that shaped that opinion many of which arose from the complex Anglo American postcolonial relationship Britain's lingering feeling of ownership over its former colony contributed heavily to its discussions of the American Civil War Because Britain continued to have a substantial material interest in the United States its writers maintained a position of superiority and authority in respect to American affairs British commentators tended to see the United States as divided by two distinct civilizations even before the onset of war a Yankee bourgeois democracy and a southern oligarchy supported by slavery They invariably articulated mixed feelings toward both sections and shortly before the Civil War the expression of these feelings was magnified by the sudden emergence of inexpensive newspapers periodicals and books The conflicted nature of British attitudes toward the United States during the antebellum years anticipates the ambivalence with which the British reacted to the American crisis in 1861 Britons used prewar stereotypes of northerners and southerners to help explain the course and significance of the conflict Seen in this fashion the war seemed particularly relevant to a number of questions that occupied British conversations during this period the characteristics and capacities of people of African descent the proper role of democracy in society and politics the future of armed conflict and the composition of a durable nation These questions helped shape Britain's stance toward the war and in turn the war informed British attitudes on these subjects Dubrulle draws from numerous primary sources to explore the rhetoric and beliefs of British public figures during these years including government papers manuscripts from press archives private correspondence and samplings from a variety of dailies weeklies monthlies and quarterlies The first book to examine closely the forces that shaped British public opinion about the Civil War *Ambivalent Nation* contextualizes and expands our understanding of British attitudes during this tumultuous period *The Parliament of Great Britain* Robert Goehlert, Fenton S. Martin, 1983 **Resources for the Study of British Politics** Robert Goehlert, 1979 **Labour and Social History Theses**, 1982 **Library of Congress Catalog** Library of Congress, 1970 **Catalogue of the Parliamentary Library of South Australia** South Australia. Parliamentary Library, 1902 **The Struggle with Time. 2nd edition** Kari Palonen, 2006 The author presents in this volume a synthesis of his long term studies on the conceptual history of politics He offers a rhetorical history of the horizons of conceptualizing politics an activity in terms of nine topoi irregularity judgment policy deliberation commitment contestation possibility situation and play game He both constructs a schema for conceptualization of the spectrum of activities that are called politics and applies it to British

French and German debates on the concept since the nineteenth century BOOK JACKET History, 1978 **A London Bibliography of the Social Sciences** British Library of Political and Economic Science, 1931 Vols 1 4 include material to June 1 1929 **Proceedings** Consortium on Revolutionary Europe, 1750-1850, 1989 **Dissertations in History:** **1961-June 1970** Warren F. Kuehl, 1965 American Doctoral Dissertations, 1965 *The battle of the union, parliamentary guide of the general elections, 1885-86 3rd ed* Battle, 1886 The National union catalog, 1968-1972, 1973 Representing Culture Victoria Olsen, 1994 **National Union Catalog**, 1968 Includes entries for maps and atlases **The Publishers' Trade List Annual**, 1978 **Books Out-of-print**, 1981
