certain defeat by the relentless forces of the Jem Hadar and the Cardassians went through with a secret plan to secure the aid of the Federation's longtime adversaries the Romulans. What began as a desperate attempt to save lives became a descent into an abyss of deception, moral compromises and outright criminal acts as Sisko sacrificed every ideal he held dear in order to preserve the civilization that espoused those selfsame principles. Now the aftermath of that choice is revealed for the first time as Sisko is summoned to Earth to take part in the first Allied talks to come out of the Federation's new partnership with the Romulans. But Sisko's conscience weighs heavily on him, compelling him to seek some kind of penance for what he has done while elements within Starfleet itself set in motion a scheme to use Elim Garak as a pawn against a human political dissident who may hold the key to the outcome of the war.

HOLLOW MEN: A TALE OF THE DOMINION WAR *Star Trek: Deep Space Nine: These Haunted Seas* David R. George III, Heather Jarman, 2008-06-17

It is a time of renewed hope. As the USS Defiant sails through the wormhole and charts a new course of discovery into the unknown ocean of the Gamma Quadrant, powerful individuals from distant worlds gather at station Deep Space 9 to usher in a bright new era with the Dominion War now only a memory. Bajor is poised at last to enter the Federation. For Colonel Kira Nerys, Commander Elias Vaughn and all those who follow them, these are the voyages they were born to undertake. But where they seek to go is defined by the journeys they have made before and ghosts populate these uncharted waters: the spectres of lost leaders, fallen friends, forsaken lovers, vanquished enemies and earlier selves. Some of these shades drive the travelers on; others are drawn inexorably into their wake but all make their presence felt and in feeling the men and women of DS9 and the Defiant must somehow navigate the perilous rapids of their pasts in order to find the future.

Originally published as *Twilight and This Gray Spirit*, the first two novels in the critically acclaimed Mission Gamma series, *These Haunted Seas* is the next chapter of the epic saga begun in *Twist of Faith*, continuing the chronicles of *Star Trek: Deep Space Nine* beyond the small screen, propelling its heroes to realms they could never have imagined and truths they cannot escape.

Star Trek: Deep Space Nine: The Never Ending Sacrifice Una McCormack, 2009-08-25

Continuing the post-television *Deep Space Nine* saga, this original novel shows the fall of the Cardassian empire as seen through the eyes of a young man with a foot in two worlds. Rugal is an orphaned Cardassian who has been raised by the people his race once conquered, the Bajorans. Reluctantly repatriated to Cardassia as a teenager, Rugal becomes the living witness to the downfall of the proud people to whom he was born: first by the invading Klingons, then during the Cardassians' unholy pact with the Dominion, a partnership that culminated in a near-genocide. Through it all, Rugal's singular perspective illuminates the choices that brought the Cardassians to their ruin, even as he learns that the Cardassian soul is not as easy to understand as he imagined.

The Star Trek: Deep Space Nine: The Siege Peter David, 2000-05-23

Deep Space Nine™ is forced to curtail entry to the wormhole due to increased graviton emissions and an air of biting tension settles over the station. This anxiety leads to the murder of an Edman religious leader. Commander Benjamin Sisko and Security Chief Odo realize they face a larger problem. Soon Sisko and Odo have more lifeless

bodies on their hands and a killer who strikes without motive Then both the Edemans and Cardassians arrive threatening to destroy the station unless the murderer is given to them for retribution In order to save Deep Space Nine and stop the killing Odo must try to destroy a powerful assassin who is the only link to his mysterious past **The Missing Una**
