Stuart Hall is the ideal gateway to the work of a critic described by Terry Eagleton as a walking chronicle of everything from the New Left to New Times, Leavis to Lyotard, Aldermaston to ethnicity.

The Psychology of Supremacy Dwight Turner, 2023-08-18 *The Psychology of Supremacy* brings a developmental philosophical and psychological lens to understanding the systems embedded within the socially constructed aspects of our intersectional identities. Offering a philosophical understanding of supremacy and its meaning within counselling and psychotherapy, the book examines just how and why supremacy exists, some of the psychology behind supremacy and how it impacts clients, training and practice. Chapters offer means and ways of observing and challenging systems of supremacy as they may appear within counselling and psychotherapy relationships. Featured psychotherapeutic case studies detail stories from participants who have endured the painful experience of being involved in the power structures of supremacy. A must read for psychotherapists and counsellors, this book will also appeal to psychologists, social workers, qualitative and quantitative researchers and anyone else interested in further deepening their understanding of supremacy, privilege and otherness.

Nilsen, 2025-06-30 *Critical Race Theory and the American Media* analyzes the widespread circulation of Critical Race Theory (CRT) within academic and popular discourses and its relationship to media studies. Undertaking a two-tiered analysis of CRT and media studies, this volume showcases the wide range of media analyses conducted by a diversity of researchers that utilize CRT as a methodological and theoretical framework for demonstrating how systemic racism impacts media industries. It also analyzes how the current anti-CRT backlash that occurred throughout the American media landscape contributes to the systemic racism that perpetuates inequities and racial injustice in America.
