Stuart's Cavalry in the Gettysburg Campaign John Singleton Mosby, 1908 This book details General Jeb Stuart's actions during the Gettysburg Campaign Plenty of Blame to go Around Eric J. Wittenberg, J. David Petruzzi, 2006-09-12 A welcome new account of Stuart's fateful ride during the 1863 Pennsylvania campaign well researched vividly written and shrewdly argued Mark Grimsley author of And Keep Moving On June 1863 The Gettysburg Campaign is in its opening hours Harness jingles and hoofs pound as Confederate cavalryman James Ewell Brown JEB Stuart leads his three brigades of veteran troopers on a ride that triggers one of the Civil War's most bitter and enduring controversies Instead of finding glory and victory two objectives with which he was intimately familiar Stuart reaped stinging criticism and substantial blame for one of the Confederacy s most stunning and unexpected battlefield defeats In Plenty of Blame to Go Around Jeb Stuart s Controversial Ride to Gettysburg Eric J Wittenberg and J David Petruzzi objectively investigate the role Stuart's horsemen played in the disastrous campaign It is the first book ever written on this important and endlessly fascinating subject Did the plumed cavalier disobey General Robert E Lee's orders by stripping the army of its eyes and ears Was Stuart to blame for the unexpected combat that broke out at Gettysburg on July 1 Authors Wittenberg and Petruzzi widely recognized for their study and expertise of Civil War cavalry operations have drawn upon a massive array of primary sources many heretofore untapped to fully explore Stuart's ride its consequences and the intense debate among participants shortly after the battle through early post war commentators and among modern scholars The result is a richly detailed study jammed with incisive tactical commentary new perspectives on the strategic role of the Southern cavalry and fresh insights on every horse engagement large and small fought during the campaign Stuart's Cavalry in the Gettysburg Campaign John Singleton Mosby, 1908

**Jeb Stuart and the Confederate Defeat at Gettysburg** Warren C. Robinson,2007-08-05 The Army was much embarrassed by the absence of the cavalry Robert E Lee wrote of the Gettysburg campaign stirring a controversy that continues even today Lee s statement was an indirect indictment of Gen James Ewell Brown Jeb Stuart who was the cavalry This book reexamines the questions that have shadowed the legendary Confederate hero and offers a fresh informed interpretation of his role at Gettysburg Avoiding the partisan pros and cons characterizing previous accounts Warren C

Robinson reassesses the historical record to come to a clearer view of Stuart's orders for the crucial battle as well as what was expected of him of his actual performance and of the impact his late arrival had on the outcome of the campaign Though Stuart may not have disobeyed Lee's orders Robinson argues he did abuse the general's discretion by raiding Washington rather than scouting for the army at Gettysburg a move that profoundly affected Confederate fortunes and perhaps the war Stuart's Cavalry in the Gettysburg Campaign John Singleton Mosby, 1891 The Cavalry Battle That Saved the **Union** Paul D. Walker, 2002-04-30 Civil War historians have long been puzzled by Pickett's seemingly suicidal frontal attack on the Union center at Gettysburg Here for the first time Paul D Walker reveals Robert E Lee s true plan for victory at Gettysburg a simultaneous strike against the Union center from the front and rear Pickett's infantry to charge the front while Stuart's cavalry struck the rear The frontal assault by Pickett went off as scheduled but as Stuart's forces approached from the rear they encountered a Union cavalry contingent As the forces joined the Union cavalry leader was quickly killed and command fell to one of the most dynamic figures in American history George Armstrong Custer What followed was America s greatest cavalry battle 7 500 Confederate horsemen ranged against 5 000 Union cavalry Jeb Stuart against George Custer with the outcome of the Civil War at stake Year of Desperate Struggle Monte Akers, 2015 By the summer of 1863 following Chancellorsville it was clear to everyone on both sides of the Civil War that the Army of Northern Virginia was the most formidable force Americans had ever put in the field It could only be tied in battle if against great odds but would more usually vanguish its opponents A huge measure of that army s success was attributable to its cavalry arm under Major General J E B Stuart which had literally run rings around its enemies But Northern arithmetic and expertise were gradually catching up In this work the sequel to his acclaimed Year of Glory author Monte Akers tracks Stuart and his cavalry through the following year of the war from Gettysburg to the Overland Campaign concluding only when Jeb himself succumbs to a gunshot while fending off a force three times his size at the very gates of Richmond Gettysburg put paid to the aura of unstoppable victory surrounding the Army of Northern Virginia But when Grant and Sheridan came east they found that Lee Stuart Longstreet and the rest still refused to be defeated It was a year of grim casualties and ferocious fighting in short a year of desperate struggle with the gloves off on both sides This work picks up where Year of Glory left off with a minute examination of Stuart's cavalry during the controversial Gettysburg campaign followed by the nine months of sparring during which the Army of Potomac declined to undertake further major thrusts against Virginia But then the Union's western chieftains arrived and the war became one huge funeral procession as Grant and Sheridan found that their prior victories had by no means prepared them for meeting the Army of Northern Virginia In this work Akers provides a fascinating close in view of the Confederacy's cavalry arm during this crucial period of the war After Stuart's death the Army of Northern Virginia would eventually be cornered but while he was alive it was often the Northerners who most needed to look to their security Year of Desperate Struggle Monte Akers, 2015-02-19 This chronicle of the legendary Confederate Army of Northern

Stuart's Ride to Gettysburg Charles River Charles River Editors, 2017-12-20 Includes pictures Profiles the debate over the intention of Lee s orders to Stuart and who s to blame for what happened Includes accounts of Stuart's operation written by his adjutant general and others Includes online resources and a bibliography for further reading Includes a table of contents The failure to crush the Federal army in Pennsylvania in 1863 in the opinion of almost all of the officers of the Army of Northern Virginia can be expressed in five words the absence of the cavalry Confederate General Henry Heth As Robert E Lee's army moved into Pennsylvania in June 1863 Stuart's cavalry screened his movements thereby engaging in the more traditional cavalry roles but it's widely believed he was hoping to remove the negative effect of Brandy Station by duplicating one of his now famous rides around the enemy army much as he did to McClellan's Army of the Potomac during the Peninsula Campaign in 1862 This time however as Lee began his march north through the Shenandoah Valley in western Virginia it is highly unlikely that is what he wanted or expected Before setting out on June 25 the methodical Lee gave Stuart specific instructions as to the role he was to play in the Pennsylvania offensive As the eyes of the army the cavalry was to guard the mountain passes with part of his force while the Army of Northern Virginia was still south of the Potomac River and then cross the river with the remainder of his army and screen the right flank of Confederate general Richard Stoddert Ewell's II Corps as it moved down the Shenandoah Valley maintaining contact with Ewell's army as it advanced towards Harrisburg Instead of taking the most direct route north near the Blue Ridge Mountains however Stuart chose a much more ambitious course of action Stuart decided to march his three best brigades under Generals Hampton Fitzhugh Lee and Col John R Chambliss between the Union army and Washington north through Rockville to Westminster and then into Pennsylvania a route that would allow them to capture supplies along the way and wreak havoc as they skirted Washington To complicate matters even more as Stuart set out on June 25 on what was probably a glory seeking mission he was unaware that his intended path was blocked

by columns of Union infantry that would invariably force him to veer farther east than he or Lee had anticipated Ultimately his decision would prevent him from linking up with Ewell as ordered and deprive Lee of his primary cavalry force as he advanced deeper and deeper into unfamiliar enemy territory According to Halsey Wigfall son of Confederate States Senator Louis Wigfall who was in Stuart's infantry Stuart and his cavalry left Lee's army on June 24 and did not contact his army again until the afternoon of July 2 the second day of the Gettysburg battle According to Stuart's own account on June 29 his men clashed briefly with two companies of Union cavalry in Westminster Maryland overwhelming and chasing them a long distance on the Baltimore road causing a great panic in the city of Baltimore On June 30 the head of Stuart's column then encountered General Judson Kilpatrick's cavalry as it passed through Hanover during which they reportedly captured a wagon train and scattered the Union army before Kilpatrick's men were able to regroup and drive Stuart and his men out of town Then after a 20 mile trek in the dark Stuart's exhausted men reached Dover Pennsylvania on the morning of July 1 H B McClellan would point out in his book about Stuart that Lee's orders meant the army commander was aware that under the most favorable circumstances Stuart must be separated from the army for at least three or four days However Stuart s cavalry would be gone for 7 days and Stuart was too far removed from the Army of Northern Virginia to warn Lee of the Army of the Potomac s movements Cavalryman of the Lost Cause Jeffry D. Wert, 2009-09-22 Now in paperback this major biography of J E B Stuart the first in two decades uses newly available documents to draw the fullest most accurate portrait of the legendary Confederate cavalry commander ever published Major figure of American history James Ewell Brown Stuart was the South's most successful and most colorful cavalry commander during the Civil War Like many who die young Stuart was thirty one when he succumbed to combat wounds he has been romanticized and popular ized One of the best known figures of the Civil War J E B Stuart is almost as important a figure in the Confederate pantheon as Robert E Lee and Stonewall Jackson Most comprehensive biography to date Cavalryman of the Lost Cause is based on manuscripts and unpublished letters as well as the latest Civil War scholarship Stuart's childhood and family are scrutinized as is his service in Kansas and on the frontier before the Civil War The research in this biography makes it the authoritative work
