**Between Two Empires** Eiichiro Azuma, 2005-03-17 The incarceration of Japanese Americans has been discredited as a major blemish in American democratic tradition Accompanying this view is the assumption that the ethnic group held unqualified allegiance to the United States *Between Two Empires* probes the complexities of prewar Japanese America to show how Japanese in America held an in between space between the United States and the empire of Japan between American nationality and Japanese racial identity

*Voices Raised in Protest* Stephanie Bangarth, 2008-07-01 The uprooting and confinement of Japanese Americans and Japanese Canadians during the Second World War constituted the worst violations of citizenship rights in twentieth century North America *Voices Raised in Protest* examines the meaning and impact of these actions and how they diverged in Canada and the United States Many North Americans opposed their governments wartime policies toward their fellow citizens of Japanese extraction In this timely book Stephanie Bangarth studies the efforts and discourse of anti internment advocates and discusses the various cases they brought before the courts Persons of Japanese ancestry were also active in their own defence Their critiques of the removal and deportation policies were seminal examples of a growing general interest in civil rights and would provide a foundation for rights activism in subsequent years *Voices Raised in Protest* offers valuable perspective for today s debates over ethnic and racial profiling treatment of enemy combatants and tensions between civil liberty and security imperatives It will be of interest to activists and general readers as well as to scholars and students in history law politics and Asian Canadian American studies

**Nature's Northwest** William G. Robbins, Katrine Barber, 2011-04-15 At the beginning of the twentieth century the greater Northwest was ablaze with change and seemingly obsessed with progress The promotional literature of the time praising railroads population increases and the growing sophistication of urban living however ignored the reality of poverty and ethnic and gender discrimination During the course of the next century even with dramatic changes in the region one constant remained inequality With an emphasis on the region s political economy its environmental history and its cultural and social heritage this lively and colorful history of the Pacific Northwest defined here as Oregon Washington Idaho Montana and southern British Columbia places the narrative of this dynamic region within a national and international context Embracing both Canadian and American stories in looking at the larger region renowned historians William Robbins and Katrine Barber offer us a fascinating regional history through the lens of both the environment and society Understanding the physical landscape of the greater Pacific Northwest and the watersheds of the Columbia Fraser Snake and Klamath rivers sets the stage for understanding the development of the area Examining how this landscape spawned sawmills fish canneries railroads logging camps agriculture and shared immigrant and ethnic traditions reveals an intricate portrait of the twentieth century Northwest Impressive in its synthesis of myriad historical facts this first rate regional history will be of interest to historians studying the region from a variety of perspectives and an informative read for anyone

fascinated by the story of a landscape rich in diversity natural resources and Native culture

**The Japanese in Latin America** Daniel M. Masterson, 2004 The largest concentration of people of Japanese ancestry living outside the home islands of Japan is in Latin America This work both exposes and examines the Latin American Japanese experience since its beginnings of immigration in the 1880s

**Beaten Down** David Peterson del Mar, 2011-10-01 Selected by Choice as an Outstanding Academic Title for 2003 The word violence conjures up images of terrorism bombings and lynchings Beaten Down is concerned with more prosaic acts of physical force a husband slapping his wife a parent taking a birch branch to a child a pair of drunken friends squaring off to establish who was the better man David Peterson del Mar accounts for the social relations of power that lie behind this intimate form of violence this white noise that has always been with us humming quietly between more explosive acts of violence Broad in its chronological and cultural sweep Beaten Down examines interpersonal violence in Washington Oregon and British Columbia beginning with Native American cultures before colonization and continuing into the mid twentieth century It contrasts the disparate ways of practicing and punishing interpersonal violence on each side of the U S Canadian border Del Mar concludes that we cannot comprehend the causes and moral consequences of a violent act without considering larger social relations of power whether between colonizers and original inhabitants between spouses between parents and children or between and among different ethnic groups The author has drawn on a vast array of vivid sources including newspaper accounts autobiographies novels oral histories historical and ethnographic publications and hundreds of detailed court cases to account for not only the relative frequency of different forms of violence but also the shifting definitions and perceptions of what constitutes violence This is a thoughtful and probing account of how and why people have hit each other and the manner in which opinion makers and ordinary citizens have censured defended or celebrated such acts Del Mar s conclusions have important implications for an understanding of violence and perceptions of violence in contemporary society

*The Oxford Handbook of Asian American History* David K. Yoo, Eiichiro Azuma, 2016-02-01 The Oxford Handbook of Asian American History brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history

**Inseparable** Faris Cassell, 2023-09-12 See the Holocaust through the Eyes of Children Stefan and Marion Hess s happy childhood was shattered in 1943 Torn from their home in Amsterdam the six year old twins and their parents were deported to a place their mother called this dying hell the infamous concentration camp at Bergen Belsen Inseparable is the vivid account of one family s struggle to survive the

Holocaust In the camp the children ran from SS soldiers making it a game to see who could get closest to the guard towers before being warned they would be shot Stefan and Marion witnessed their father beaten beyond recognition dodged strafing warplanes and somehow survived in a place where the children were looking for bread between the corpses Above all this is the unforgettable story of a young mother and father who were willing to sacrifice everything for their children From the Hesses prosperous pre war life in Germany to their desperate ride in a bulletstrafed boxcar through the rubble of the collapsing Third Reich Faris Cassell weaves Stefan and Marion s personal memories and historical details into a gripping narration of their family s heroic fight for their lives As the number of Holocaust survivors dwindles the Hess twins account of their childhood ordeal forces the reader to grapple with pure evil And more important it is an opportunity to offer the most meaningful of tributes to victims and survivors of the Third Reich remembrance **Hoboes** Mark Wyman,2025-09-23 When the railroad stretched its steel rails across the American West in the 1870s it opened up a vast expanse of territory with very few people but enormous agricultural potential a second Western frontier the garden West Agriculture quickly followed the railroads making way for Kansas wheat and Colorado sugar beets and Washington apples With this new agriculture came an unavoidable need for harvest workers for hands to pick the apples cotton oranges and hops to pull and top the sugar beets to fill the trays with raisin grapes and apricots to stack the wheat bundles in shocks to be pitched into the maw of the threshing machine These were not the year round hired hands but transients who would show up to harvest the crop and then leave when the work was finished Variouslly called bindlestiffs fruit tramps hoboes and bums these men and women and children were vital to the creation of the West and its economy Amazingly it is an aspect of Western history that has never been told In Hoboes Bindlestiffs Fruit Tramps and the Harvesting of the West the award winning historian Mark Wyman beautifully captures the lives of these workers Exhaustively researched and highly original this narrative history is a detailed deeply sympathetic portrait of the lives of these hoboes as well as a fresh look at the settling and development of the American West

**DOMESTIC TERRORISM AND INCIDENT MANAGEMENT** Miki Vohryzek,Gayle Olson-Raymer,Jeffery O.

Whamond,2001-01-01 After reading this text the reader will have a fuller understanding of the nature of domestic terrorism and a clearer understanding of the basics These basics include a review of the complex history that spans thousands of years an explanation of definitions a review of contemporary domestic terrorism and the examination of intelligence gathering threat analysis and emergency responses to terrorism incident management It is hoped that such knowledge as presented here will enhance the public s understanding of domestic terrorism and law enforcement s ability to prevent and respond to its acts It focuses almost exclusively on right wing domestic terrorism because of its strong presence in the last twenty years and the projection of experts that right wing terrorism will prevail well into the twenty first century The book is divided into three parts The first part deals with definitional problems associated with policymaker s and law enforcement s handling of terrorism an historical overview of terrorism and terrorist incidents in the global community and an historical examination of

terrorism from below in the United States Part Two addresses the American Hate Movement and patriot militia activities It also discusses the emergence of special interest extremist and terrorism groups that advocate violence based on an ideology or belief which may include the desire for political and social change They include ecological resistance groups antienvironmental movements animal rights and antiabortion activists Part Three focuses on effective criminal intelligence gathering techniques and the implementation of terrorism incident management strategies *Free Lauren*

Kessler,2022-04-19 95 percent of the millions of American men and women who go to prison eventually get out What happens to them There s Arnoldo who came of age inside a maximum security penitentiary now free after nineteen years Trevor and Catherine who spent half of their young lives behind bars for terrible crimes committed when they were kids Dave inside the walls for 34 years now about to reenter an unrecognizable world Vicki a five time loser who had cycled in and out of prison for more than a third of her life They are simultaneously joyful and overwhelmed at the prospect of freedom Anxious confused sometimes terrified and often ill prepared to face the challenges of the free world all are intent on reclaiming and remaking their lives What is the road they must travel from caged to free How do they navigate their way home A gripping and empathetic work of immersion reportage FREE reveals what awaits them and the hundreds of thousands of others who are released from prison every year the first rush of freedom followed quickly by institutionalized obstacles and logistical roadblocks grinding bureaucracies lack of resources societal stigmas and damning self perceptions the sometimes overwhelming psychological challenges Veteran reporter Lauren Kessler both clear eyed and compassionate follows six people whose diverse stories paint an intimate portrait of struggle persistence and resilience The truth the many truths about life after lockup is more interesting more nuanced and both more troubling and more deeply triumphant than we know **Women in Pacific Northwest History** Karen J. Blair,2016-06-01 This new edition of Karen Blair s popular

anthology originally published in 1989 includes thirteen essays eight of which are new Together they suggest the wide spectrum of women s experiences that make up a vital part of Northwest history **The Home Fronts of Iowa, 1939-1945** Lisa L. Ossian,2009-10-16 As Americans geared up for World War II each state responded according to its economy and circumstances as well as the disposition of its citizens This book considers the war years in Iowa by looking at activity on different home fronts and analyzing the resilience of Iowans in answering the call to support the war effort With its location in the center of the country far from potentially threatened coasts Iowa was also the center of American isolationism historically Republican and resistant to involvement in another European war Yet Iowans were quick to step up and Lisa Ossian draws on historical archives as well as on artifacts of popular culture to record the rhetoric and emotion of their support Ossian shows how Iowans quickly moved from skepticism to overwhelming enthusiasm for the war and answered the call on four fronts farms factories communities and kitchens Iowa s farmers faced labor and machinery shortages yet produced record amounts of crops and animals even at the expense of valuable topsoil Ordnance plants turned out bombs

and machine gun bullets Meanwhile communities supported war bond and scrap drives while housewives coped with rationing raised Victory gardens and turned to home canning The Home Fronts of Iowa 1939-1945 depicts real people and their concerns showing the price paid in physical and mental exhaustion and notes the heavy toll exacted on Iowa's sons who fell in battle Ossian also considers the relevance of such issues as race class and gender particularly the role of women on the home front and the recruitment of both women and blacks for factory work taking into account a prevalent suspicion of ethnic groups by the state's largely homogeneous population The fact that Iowans could become loyal citizen soldiers forming an Industrial and Defense Commission even before Pearl Harbor speaks not only to the patriotism of these sturdy midwesterners but also to the overall resilience of Americans In unraveling how Iowans could so overwhelmingly support the war Ossian digs deep into history to show us the power of emotion and to help us better understand why World War II is consistently remembered as the Good War

**Identities in Motion** Peter X Feng, 2002-08-14 Considers questions of Asian American Identity and issues of homeland and home in Asian American film

**Oregon** William G. Robbins, 2020-06-22 Oregon's landscape boasts brilliant waterfalls towering volcanoes productive river valleys and far reaching high deserts People have lived in the region for at least twelve thousand years during which they established communities named places harvested fish timber and agricultural products and made laws and choices that both protected and threatened the land and its inhabitants William G Robbins traces the state's history of commodification and conservation despair and hope progress and tradition This revised and updated edition features a new introduction and epilogue with discussion of climate change racial disparity immigration and discrimination Revealing Oregon's rich social economic cultural and ecological complexities Robbins upholds the historian's commitment to critical inquiry approaching the state's past with both open mindedness and a healthy dose of skepticism about the claims of Oregon's boosters

Regulatory Takings William A. Fischel, 1995 State and federal government regulations are disciplined by property owner coalitions whose voice is clearly audible in the statehouses and in Congress

**Raising the Barre** Lauren Kessler, 2015-11-24 Like generations of little girls Lauren Kessler fell in love with ballet the first time she saw The Nutcracker and from that day at age five she dreamed of becoming a ballerina But when she was twelve her very famous ballet instructor crushed those dreams along with her youthful self assurance and she stepped away from the barre Fast forward four decades Lauren suddenly powerfully itchy restless at midlife embarks on a Transcontinental Nutcracker Binge Tour where attending a string of performances in Chicago New York Boston and San Francisco reignites her love affair with the ballet and fuels her girlhood dream What ensues is not only a story about The Nutcracker itself but also an inside look at the seemingly romantic but oh so gritty world of ballet about all that happens away from the audience's eye that precedes the magic on stage It is a tale told from the perspective of someone who not only loves it but is also seeking to live it Lauren's quest to dance The Nutcracker with the Eugene Ballet Company tackles the big issues fear angst risk resilience the refusal to settle in to midlife the refusal to become yet another Invisible Woman It is also

a very funny very real look at what it s like to push yourself further than you ever thought you could go and what happens when you get there
