Dr. Nicki J. Monti

Stuck On You:

Stuck on You Ameko, 101-01-01 With both my parents passing away early on I've spent my days working to support my younger brothers and sisters. One of the few things that helped me through this was fawning over my favorite character from a mobile game and my boss who happens to be the handsome and talented producer that created said game. But one day he found out about my secret part time job. If I'm fired I can't pay the bills. If I can't pay the bills we'll be out on the street. But instead of exposing me he makes me an offer. The deal: Become his housekeeper. I didn't think that would include putting him to bed though.

Stuck On You Monica Walters, 2023-01-24 Life can be hard to navigate at times but for Lazarus Mitchell it's been a constant battle. Marrying his high school sweetheart and putting his dreams on hold to help her fulfill hers he kept pushing through life's adversities in hopes of seeing better days. Throughout the journey he realized that she didn't have the tenacity he had or the wherewithal to look difficulty in the face and choose to overcome it. Feeling heavily depressed and discouraged for the first time in his life he worries that despair will overtake him. So he chooses to begin anew. He enrolls in college determined to fulfill the dreams he put on hold. He hires a tutor to help him get acclimated once again and upon first sight of her he realizes that love hasn't given up on him. Kiana Sol Jordan is a matriculating graduate student on the campus of Lamar University. She loves science but chemistry sparks her interest the most and her love for the subject makes her want to help others understand and love it too. Tutoring is gratifying and constantly makes her smile but when a more seasoned student requests her tutelage she feels a lot more than gratification. The fact that he's twelve years her senior does nothing to diminish her attraction to him. For once she wants to take a chance on something not so safe and the excitement of that has her feeling things she never thought possible. Lazarus has a lot of baggage to let go of and Kiana wants to help him along during the process. But that decision isn't welcomed by the most important people in her life causing her to question her actions more than she should. Kiana wonders if love is worth her ignoring her parents and sister's warnings regarding her new relationship while Lazarus wonders if choosing love is worth the adversity that will come with it. Can Kiana cut ties with her family to choose the ultimate love? Can Lazarus's ability to love be resurrected and strengthened enough to cause him to become the warrior he once was?

Motown Encyclopedia Graham Betts,2014-06-02 Motown means different things to different people The mere mention of perhaps the most iconic record label in history is often enough to invoke memories and mental images of Marvin Gaye Diana Ross Stevie Wonder The Temptations The Jackson 5 The Supremes and numerous others With each group recalled there is an accompanying piece of music of the mind from Baby Love My Girl Signed Sealed Delivered I Heard It Through The Grapevine ABC and Tears Of A Clown and countless more Quite often you can ask people what kind of music they like and they will simply answer Motown and both they and you know

exactly what is meant Or rather what is implied The Motown they are invariably thinking of is the label that dominated the charts in the mid 1960s with a succession of radio friendly dance orientated hits most of which were written and produced by the trio of Brian Holland Lamont Dozier and Eddie Holland This period is referred to naturally enough as the Golden Era when Motown was not only the dominant force in its home city of Detroit but carried The Sound of Young America all around the world The kind of music that had them Dancing In the Street from Los Angeles to London Miami to Munich and San Francisco to Sydney It was the kind of music that attracted scores of imitators some good some not so good The kind of music that appealed to the public and presidents alike and still does It was that Motown that this book was intended to be about However when you start digging deeper into the Motown story you realise that throughout its life which for the purposes of this book is its formation in 1959 through to its sale in 1988 it was constantly trying other musical genres looking to grab hits out of jazz country pop rock middle of the road and whatever else might be happening at the time Of course it wasn't particularly successful at some of the other genres although those who claim Motown never did much in the rock market conveniently overlook the healthy sales figures achieved by Rare Earth the group and focus instead on the total sales achieved on Rare Earth the label This book therefore contains biographies of all 684 artists who had releases on Motown and their various imprints as well as biographies of 16 musicians 23 producers 19 writers and 13 executives There are also details of the 50 or so labels that Motown owned licensed to or licensed from All nine films and the 17 soundtracks are also featured Every Motown single and album and EP that made the Top Ten of the pop charts in either the US or UK also have their own entries with 222 singles 84 albums and five EPs being featured Finally there are 36 other entries covering such topics as the Hollywood Walk of Fame the Motortown Revues Grammy Awards and the most played Motown songs on radio The 1 178 entries cover every aspect of Motown and more of the link between Granny in The Beverly Hillbillies and Wonder Woman of the artists from Abbey Tavern Singers to Zulema and the hits from ABC to You Really Got A Hold On Me The Motown Encyclopedia is the story of Motown Records Yesterday Today Forever

Stuck in the Middle Linda Heard,2005-03-28 Fridays were washday in my house It normally took eight five gallon buckets of water just to fill the washing machine with enough water for one load of clothes With eleven children to wash for this process took several hours We owned an old wringer washing machine that would squeeze water out of the clothes when placed between the two rolling pins which were located at the top of the washing machine The washing machine was very dangerous to operate and therefore no one was allowed near it except for my mother One day while Mom was in the process of doing her weekly washing my younger brothers Roosevelt and Jeffery were fighting in the backyard Mom heard the noise and went to break up the fight While she was gone I decided to help her out with the clothes I had been warned by Mom to never go near the washing machine But being the hardheaded child that I was do you think I listened I think not I took out a blouse that was washing in the water and placed it in between the two rolling pins Lo and behold my arm got caught in the wringers You would think that I would have had enough common sense to let go of the blouse but no not me All I could think of was that my arm was gonna fall off I was too scared to yell for help because I knew I would be in big trouble once Mom caught me meddling with the washing machine Luckily Mom came back into the house just in time to unplug the electric plug from the outlet before my arm was completely under the wringer Of course after I was freed I started to cry I had to think of something quick in order to save my behind so I told Mom I was trying to help her out with the laundry so that she didn't have to work so hard It worked She felt sorry for me and I was spared a whipping that day When it was time to take our baths we had to fill the aluminum five foot tub my dad had purchased from the hardware store with ten five gallon buckets of water We then had to get the help of another person to lift the tub onto the top of the wood stove so that that water could be heated We normally took our baths right there in the kitchen There was no door separating the kitchen from the living room so when we bathed we had to hang a bed sheet in front of the opening All eleven of the children had to share the same bath water The oldest child was usually the first one allowed to bathe and then the rest followed by age
