## Stud Muffin:

*Studmuffin Santa* Tawna Fenske, 2016-11-27 Ugh Christmas Not a fan So why am I wearing a Santa suit and letting frisky moms paw me at a reindeer ranch It might have something to do with the family crisis that drew me home between tours as a career Marine Or maybe it's my urge to cozy up with the prickly reindeer rancher whose curves give me visions of something way hotter than sugarplums Jade King isn't thrilled I'm here and she'd be less thrilled to know her sister hired me to keep an eye on things Someone's set on sabotaging the ranch so I've got a built-in excuse to get close to Jade I could swear the attraction's mutual but something's holding her back Some secret in her past that has her pushing me away like a bad batch of eggnog It's almost as baffling as all these accidents at the King sisters place Seriously who'd screw with a reindeer ranch Between sexy Santa suit malfunctions and risqu Christmas cookies Jade and I keep ending up under the mistletoe together Is there any chance we can mesh our Christmas wish lists or will it all crash down like a fat man in an iron sleigh *Mistress*

**THE Z-5 INCIDENT** Bob Miller, 2014-05 The Kremlin officially denied any knowledge of the whereabouts of thousands of American POWs held in German camps overrun by Red Army forces in Eastern Europe as WWII in Europe ended Months earlier the International Red Cross had confirmed the presence of tens of thousands of American prisoners in these German camps Moscow fearing an American nuclear attack against them as the war ended secretly held thousands of these U.S. servicemen hostage and sent them to a certain death in their remote Gulag camps in Asiatic Russia As the Cold War began the Kremlin's relentless denials concerning knowledge of these prisoners whereabouts forced Washington to ignore the truth and declared these men dead and their remains missing and unrecoverable Their families were then so notified Over the years a few of these Americans have escaped the USSR but no one believed their stories which were downplayed by official Washington This is the story of Paul Carter one of these secretly abandoned servicemen who knowing he was written off along with thousands of others escapes his exile in the former Soviet Union and returns to Washington

today to seek out those who betrayed him Miller's novel the Z 5 Incident now joins his two earlier non-fiction deep throat exposes America's Disposable Soldiers and America's Abandoned Sons the former exposed Pentagon incompetence concerning WMD in Gulf War Syndrome and the latter the betrayal of America's commitment to never abandon captured American prisoners being held on foreign soil
