charming woman whom Holly doesn't recognize at all. When it is discovered that there was another fall this one fatal at approximately the same time and close to the same place as Holly's she begins to fear for her own safety. In fact she has all she can do to figure out what's going on without giving away her own loss of memory. You'll be licking your chops with glee as the dog fanciers in Conant's eclectic and eccentric group of characters once more prove themselves smarter and more resourceful in every way than their more anthropocentric counterparts. From the Hardcover edition      *Scratch the Surface* Susan Conant, 2006-07-05

When mystery author Felicity Pride stumbles upon a gray Chartreux snuggled up against a corpse in her own vestibule she's determined to solve the crime just like her own fictional sleuth would do. Naturally she wants to know who the victim is, who did it, and what publicity value it all has. What unfolds is more surprising than anything she's ever plotted on paper      *The Barker Street Regulars* Susan Conant, 2009-10-14

Susan Conant continues to surprise this time by involving dog writer Holly Winter in a wickedly amusing tale full of dastardly deeds and delightful eccentrics. An avid devotion to the works of Sir Arthur Conan Doyle and an equally avid devotion to dogs combine to draw Holly Winter and her two beloved malamutes Rowdy and Kimi into one of Conant's most original and entertaining mysteries to date. Rowdy has finished his training as a therapy dog and now accompanies Holly on weekly visits to the Gateway Nursing Home where they meet Althea Battlefield still formidable at the age of ninety and her two elderly admiring cohorts Hugh and Robert all fanatic devotees of the Master as they call Sherlock Holmes. When Althea's grandnephew is murdered at the home of her younger sister Ceci everyone is horrified but it's the plight of Ceci herself who is being victimized by an unscrupulous animal psychic that finally unites this unlikely group in a crime stopping spree that requires not only the finely tuned ratiocination of the Holmes admirers but the eager cooperation of an outraged Holly and the very particular talents of her willing canine accomplices. No special knowledge of the Sherlockian canon is required for the utmost enjoyment of this engaging romp and Conant's own devoted followers will be delighted to find her dog loving alter ego Holly Winter still poking fun at the world of Cambridge eccentrics and dog fancy fanatics but also expanding her horizons into the world of literary trivia and yes feline rescue however initially reluctant. From the Hardcover edition      **Gone to the Dogs** Susan Conant, 2011-02-16

Thrown a bone by a killer Holly Winter's a Dog's Life columnist in the wrong side of thirty, a canine loving detective sniffing out crime and corruption on the streets of Cambridge. Holly is a dog's best friend and murder's worst enemy. If your name is Holly Winter Yuletide can be a real female dog. When a local vet and a pampered pet suddenly disappear Holly scents hemlock amid the pine and mistletoe and follows the tracks of a purebred killer. To get a leg up on the mystery Holly takes her two Alaskan malamutes and hunk veterinarian Steve Delaney into the exclusive Cambridge Dog Training Club and back out onto the dangerous streets of the city. She won't quit until she muzzles a rare breed of two-time killer because when it comes to dognapping and sudden death Holly has a short leash for murder      **All Shots** Susan Conant, 2007-11-06

Holly the malamute trainer isn't the only Holly Winter in town. There's Holly number two, a dog hater. And now a third H.W. has shown
