Papalia, Gabriela Martorell, 2021 preface Experience Human Development helps students experience the human side of development by exposing them to culture and diversity immersing them in practical application and helping them study smarter through

personalized learning and reporting Experience Human Development takes a practical approach to research and recognizes that just as people develop in their own way your students also learn in their own ways With our adaptive personalized learning program LearnSmart students are guided toward success on their terms With integrated resources like Milestones of Child Development Milestones Transitions and short author tutorials on some of the most challenging learning objectives Experience Human Development makes a difference for your students Better Data Smarter Revision Improved Results Here's how it used to be The revision process for a new edition typically began with asking several dozen instructors what they would change and what they would keep Also experts in the field were asked to provide comments that point out new material to add and dated material to remove Using all these reviews authors would revise the material But now a new tool has revolutionized that paradigm LearnSmart a tool powered by McGraw Hill Connect Lifespan Development is the adaptive learning system that provides students with an individualized assessment of their own progress McGraw Hill authors have access to real student data from this tool to create their revisions

The Story of Human Development Michael Solomon, Debra Poole, 2007-03-14 The Student Study Guide for this first edition elevates the notion of study guidance to a new level Beginning with Deb Poole's personal message to students the narration throughout the guided review sections provides students with a new degree of insight into their own learning practices The Student Study Guide follows the conversational tone of the text making it among the most reader friendly and comprehensive printed student supplements available By the end of the story students should not only have a firm grasp of material but also the process by which they reached that point of understanding The Student Study Guide's features include chapter highlights key terms and concepts comprehensive guided progress tests with multiple choice fill in the blank matching short answer and essay questions and a fun study activity for each chapter Each chapter also contains two exit tests drawing on the main topics of the guided review sections enabling students to self assess once all review activities have been completed The Student Study Guide was prepared by Wendy Bartkus of Adams State College author Deb Poole graciously assisted with editorial duties and was heavily involved in the organization of content
