The Americans In Japan:

The Americans in Japan Matthew Calbraith Perry, Robert Tomes, 1857 *The Americans in Japan* Robert Tomes, 2025-08-28 Reprint of the original first published in 1857 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Americans in Japan*, 1857 **Americans from Japan** Bradford Smith, 1986 *The Americans in Japan* Robert Tomes, 2018-01-15 Excerpt from *The Americans in Japan* An Abridgement of the Government Narrative of the U S Expedition to Japan Under Commodore Perry Simoda Its Position The Town how built and laid out Advanced Civilisation Shops and Dwelling Houses The Exterior Internal Arrangements Lodging Houses Announcement of Arrivals Number of Houses and Population Disproportion of Officials and Dignitaries Immoral Practice of Simodans Diet of People Cultivation of Rice and Grain The Buddhist Temples the Sculpture and Paintings The Devil's Charity Boxes Grave yards Tombs and Epitaphs The Rio zen shi The Mies The godlike Hashimah The small Shrines The Mariners Temple The Support of the Church Neighborhood of Simoda Its Beauty and Cultivation River Hongo Japanese Rice cleaner Climate and Health of Simoda The new Local Government About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Americans in Japan*, 1857 *The American Occupation of Japan* Michael Schaller, 1985 Tracing the origins of the cold war in Asia to the postwar occupation of Japan by U S troops Schaller's intriguing account demonstrates that the reconstruction of postwar Japan shaped not only the future of that country but also the future of U S policy throughout postwar Asia It explores how the U S's determination to secure Japan the ultimate Asian domino eventually led to U S intervention in China extended military aid to the French in Indochina and entry into the Korean War *The Americans in Japan* Matthew Calbraith Perry, Robert Tomes, 1856 *Japan in the American Century* Kenneth B. Pyle, 2018-10-15 No nation was more deeply affected by America's rise to power than Japan The price paid to end the most intrusive reconstruction of a nation in modern history was a cold war alliance with the U S that ensured American dominance in the region Kenneth Pyle offers a thoughtful history of this relationship at a time when the alliance is changing **The American Merchant Experience in Nineteenth Century Japan** Kevin C. Murphy, 2004-08-02 Explores the interactions of 19th century American merchants with the Japanese in the treaty port system how the Japanese leadership manipulated them and how the merchants themselves defined the limitations of American business in Japan **The American Occupation of Japan and Okinawa** Michael S. Molasky, 2005-08-12

Through careful analysis of literary texts and attention to writers and works long excluded from Japan's postwar literary canon this book introduces fresh perspectives on the occupation era *Love, Sex, and Democracy in Japan during the American Occupation* M. McLelland, 2012-02-13 This is the first book in English to examine through material in the popular press the radical changes that took place in Japanese ideas about sex romance and male female relations in the wake of Japan's defeat and occupation by Allied forces at the end of the Second World War Edwin O. Reischauer and the American Discovery of Japan George R. Packard, 2010-04-09 In 1961 President Kennedy named Edwin O Reischauer the U S Ambassador to Japan Already deeply intimate with the country Reischauer hoped to establish a more equal partnership with Japan which had long been maligned in the American imagination Reischauer pushed his fellow citizens to abandon caricature and stereotype and recognize Japan as a peace loving democracy Though his efforts were often condemned for being too soft the immensity of his influence and the truth of his arguments can be felt today Having worked as Reischauer's special assistant in Tokyo George R Packard writes the definitive and first biography of this rare charismatic talent Reischauer reset the balance between two powerful nations During World War II he analyzed intelligence and trained American codebreakers in Japanese He helped steer Japan toward democracy and then wrote its definitive English language history Reischauer's scholarship supplied the foundations for future East Asian disciplines and his prescient research foretold America's missteps with China and involvement in Vietnam At the time of his death in 1990 Reischauer warned the U S against adopting an attitude toward Asia that was too narrow and self centered India Pakistan and North Korea are now nuclear powers and Reischauer's political brilliance has become more necessary and trenchant than ever *Prominent Americans* UNKNOWN. AUTHOR, 2015-07-13 Excerpt from *Prominent Americans* Interested in Japan and Prominent Japanese in America The first felling of friendship between the United States and Japan began with the visit to Japan of Commodore Perry of the American navy Ever since that memorable voyage Japan has felt that the awakening of the Far East and the great benefit she herself has received from her acceptance of Western civilization were due to the stimulus and inspiration given by the United States In the half century that has followed the friendship of the two nations has been strengthened by means of a rapidly developing commerce No American should be ignorant of the fact that among the people of Japan there is a sincere and deep rooted friendship for the people of the United States Japan and America was founded in this city in July 1901 and the Japanese American Commercial Weekly in December 1900 for the purpose of helping to maintain and promote friendly and commercial relations between America and Japan They are endeavoring to draw the peoples of the two countries closer together in all their relations of life in trade in art in literature and in sympathy with each other in the broad purpose shared by both in common of world civilization Both nations it should be remembered are engaged upon the solution of the same grave and important problem the civilization and uplifting of inferior races That the efforts of this periodical have been widely appreciated is shown by the fact that Japan and America and the Japanese

American Commercial Weekly now have a large and increasing circulation in the United States and in Japan We here present portraits and biographical sketches of prominent Americans who are interested in Japan and of Japanese who are interested in America The Americans who are most interested in Japan are well known to the older people in Japan but not to the younger generation It is our purpose to make known to this class such of the successful Americans as they ought to know In like manner the sketches tell Americans of some of the successful men of Japan About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Rediscovering America Peter Duus, Kenji Hasegawa, 2011-08-20 *Rediscovering America* makes available in English for the first time a varied sampling of writings about the United States by Japanese observers from many different walks of life Robert Tierney author of *Tropics of Savagery* *The Culture of Japanese Empire in Comparative Frame* *Rediscovering America* is a splendid collection of Japanese writings on the American century covering the period from 1868 to 1989 from the Meiji to the Showa eras in Japanese calendar Many of the issues raised by the authors are still heard today Akira Iriye author of *Across the Pacific An Inner History of American East Asian Relations* **About Japan** ,1916 **The African American Encounter with Japan and China** Marc Gallicchio, 2003-06-19 In the first book to focus on African American attitudes toward Japan and China Marc Gallicchio examines the rise and fall of black internationalism in the first half of the twentieth century This daring new approach to world politics failed in its effort to seek solidarity with the two Asian countries but it succeeded in rallying black Americans in the struggle for civil rights Black internationalism emphasized the role of race or color in world politics and linked the domestic struggle of African Americans with the freedom struggle of emerging nations of color such as India and much of Africa In the early twentieth century black internationalists including W E B Du Bois and Marcus Garvey embraced Japan as a potential champion of the darker races despite Japan's imperialism in China After Pearl Harbor black internationalists reversed their position and identified Nationalist China as an ally in the war against racism In the end black internationalism was unsuccessful as an interpretation of international affairs The failed quest for alliances with Japan and China Gallicchio argues foreshadowed the difficulty black Americans would encounter in seeking redress for American racism in the international arena **American Political and Cultural Perspectives on Japan** John H. Miller, 2014-04-02 *American Political and Cultural Perspectives on Japan* From Perry to Obama is an historical survey of how Americans have viewed Japan during the past 160 years It encompasses the diplomatic political economic social and cultural dimensions of the relationship with an emphasis on changing American images myths and stereotypes of Japan and the

Japanese It begins with the American opening of Japan in the 1850s and 1860s Subsequent chapters explore American attitudes toward Japan during the Gilded Age the early 1900s the 1920s the 1930s and the Pacific War The second part of the book organized round the theme of the postwar Japanese American partnership covers the Occupation the 1960s the troubled 1970s and 1980s and the post Cold War decades down to the Obama presidency The conclusion offers some predictions about how Americans are likely to view Japan in the future

Japan and American Children's Books Sybille Jagusch, 2021-06-18 Drawing from the Library of Congress's massive collection this volume takes readers on a fascinating and informative journey through nearly 200 years of American children's books and periodicals depicting life in Japan from fanciful travelogues full of exotic stereotypes to serious works about wartime atrocities Published by Rutgers University Press in association with the Library of Congress

The Japan Chronicle, 1917
