What if one of the most effective tools you have to restore your health is not surgery or medications but your own hands? Incredibly, your hands can heal you with the energy medicine of Pranic Healing. A powerful system that is rapidly increasing in popularity, Pranic Healing works with your own natural vital energy, which is also called prana, to accelerate your body's innate self-healing ability. Amazingly easy to learn and apply, Pranic Healing uses a series of powerful but simple methods to generate energy, including non-touch hand movements, energetic hygiene, the practice of keeping your personal energy tank clean and full, breathing, and brief meditations. Using these unique techniques, you can identify, clear, and purify unhealthy, imbalanced energy and replace it with fresh energy that helps your body heal itself from a wide range of physical, psychological, and emotional symptoms and disorders. A self-healing guide for 24 ailments, including physical and sports injuries, chronic arthritis, irritable bowel syndrome, insomnia, hypertension, headaches, backaches, congestion, and colds, menstrual cramps, even depression and stress-related disorders is included. With step-by-step instructions, line drawings, and numerous real-life medical stories, *Your Hands Can Heal You* demonstrates and explains a revolutionary program that anyone can use to harness the energy of body, mind, and breath to produce health and facilitate repair. Personally trained by Grand Master Choa Kok Sui, who developed Pranic Healing, the authors, Master Co and Dr. Robins, provide the same detailed guidance in *Your Hands Can Heal You* as in the popular Pranic Healing workshops. Additionally, they present for the first time in any book the Grandmaster's special modifications to the breathing practices that can dramatically increase your power and energy and rejuvenate and balance your physical, emotional, mental, and spiritual body. This exciting new mind-body health reference proves that you can heal yourself with your own two hands. *Healing Mind, Body And Soul* Alan Bryson, 2000-03-01

Healing Sterling *Fifty Bol of Muhpatti Padilehan - An Insight into Jain Religious Philosophy* DR. CHHAYA SHAPARIA SHETH, 2024-08-07

The awakened soul in Jain religion philosophy cherishes the rare human birth and aspires for spiritual evolution guided by the teachings of Karunasagar Tirthankar Mahavir Swami. Through Samyak practices, they seek liberation by transcending attachment and aversion. Essential to this journey is understanding the fifty Bol contemplated during the ritual of Muhpatti Padilehan while engaged in performing Samayik and Pratikraman. Avashyak Mumukshu endeavours to eradicate impediments like Mohaniya Karma and cultivates virtues, avoiding negative emotions and behaviours. Rituals, when practiced meaningfully, aid in transitioning towards spiritual upliftment facilitated by Karma Nirjara. Each soul is believed to possess the potential for enlightenment, emphasising the importance of aligning thoughts and actions with spiritual principles. Ambassadors of Light Jasmuheen, 2000
