The Andy Warhol Museumbook And Compact Disc:

Collectible Compact Disc Price Guide Gregory Cooper, 1997 **Factory Work** Joyce Hill Stoner, Brandywine River Museum, 2006

Factory Work examines Andy Warhol's 1928-1987 role as a mentor for two younger artists from opposite corners of the art world. Jamie Wyeth (b. 1946) and Jean Michel Basquiat (1960-1988) were young independent artists with their own substantial reputations when Andy Warhol invited each of them to paint in his Factory on 860 Broadway, New York City. In 1976, Andy Warhol and Jamie Wyeth painted each other's portraits. They jointly attended openings from 1976 to 1980; the exhibitions were known informally as The Patriarch of Pop Paints the Prince of Realism. Warhol visited Wyeth's farm in Pennsylvania. Basquiat rented a studio on Great Jones Street from Warhol beginning in August 1983 and collaborated with Warhol first as part of a trio including Francesco Clemente, later the same year, and in 1984 began joint projects with Warhol alone and exhibited in 1985. Warhol influenced these younger artists and they enabled him to stay connected to new audiences of an evolving art world. At the same time, Warhol's paintings demonstrably changed due to his contact with Wyeth and Basquiat. The works illustrated provide clues toward further investigation of these two unique partnerships, also documented in Warhol's published diary entries, interview magazines, and Warhol's tape-recorded conversations. There are four catalogue essays: Robert Rosenblum, Professor of Fine Arts at New York University and internationally known curator of 20th-century art at the Guggenheim Museum, examines Warhol as mentor for Jamie Wyeth, a card-carrying member of a Yankee dynasty of three generations of ultra-WASP artists, as well as for Basquiat, the dark-skinned crazy kid from Brooklyn who began his meteoric career by raucously embracing a counter-cultural life. Christine Daulton, consultant conservator for the Warhol Museum, describes and provides recreations of the unusual techniques used by Warhol to create his oxidation portraits in the 1970s and 1980s. Joyce Hill Stoner, conservator, art historian, and Director of the University of Delaware Preservation Studies Program, writes about Wyeth's influence on Warhol that can be seen in Warhol's 1976 cat and dog paintings, his 1979 pig photographs and print, and his 1976-1977 skull paintings and self-portraits with skull. Margaret Rose Vendryes of the City University of New York discusses Basquiat's work and his tagging of Warhol's commercial images on their collaborative paintings and collages. The text and illustrations also offer insights into the celebrity-obsessed culture of the 70s and the drug and money-mad art market of the 80s.

Andy Warhol's Mother Elaine Rusinko, 2024-11-19

While biographers of Andy Warhol have long recognized his mother as a significant influence on his life and art, Julia Warhola's story has not yet been told. As an American immigrant who was born in a small Carpatho-Rusyn village in Austria-Hungary in 1891, Julia never had the opportunity to develop her own considerable artistic talents. Instead, she worked and sacrificed so her son could follow his dreams, helping to shape Andy's art and persona. Julia famously followed him to New York City and lived with him there for almost twenty years, where she remained engaged in his personal and artistic life. She was well known as Andy Warhol's mother, even developing a distinctive signature with the title that she used on her own drawings.

Exploring previously unpublished material including Rusyn language correspondence and videos Andy Warhol's Mother provides the first in depth look at Julia's hardscrabble life her creative imagination and her spirited personality Elaine Rusinko follows Julia's life from the folkways of the Old Country to the smog of industrial Pittsburgh and the tumult of avant garde New York Rusinko explores the impact of Julia's Carpatho Rusyn culture Byzantine Catholic faith and traditional worldview on her ultra modern son the quintessential American artist This close examination of the Warhola family's lifeworld allows a more acute perception of both Andy and Julia while also illuminating the broader social and cultural issues that confronted and conditioned them *Out of the Shadow* Debra Miller, 1996 The artists are Gerard Malanga Ultra Violet Allen Midgette Laura Rubin and Christopher Makos These were Warhol's Superstars a featured group of artists and performers who collaborated in making provocative often outrageous but entertaining and still captivating art The exhibition also includes works from James Paul and Madelen Warhola and those who continue the family legacy **American Book Publishing Record**, 1995 *Andy Warhol* Andy Warhol, Amsterdam (Netherlands).
