The Angel Asked God:

On Asking God Why Elisabeth Elliot, 2021-03-16 God does many things we do not understand When faced with suffering sickness death and confusion most people can ask only one question why Elisabeth Elliot one of the outstanding women of present day Christianity knows too well this feeling of uncertainty But she also knows that God will answer Now releasing with a fresh cover On Asking God Why is a perceptive collection of Elisabeth Elliot's own meditations that confront the many issues we must deal with in our daily lives from the ordinary occurrence of another birthday to serious topics like funerals abortion and divorce With great insight and candor Elliot reminds readers that we can overcome our fears when we decide to question God because in Him we can find every answer we need [The Witches from the Other Side of Hell](#) Dallas Dwayne Conn, 2016-04-23

[The Witches from the Other Side of Hell](#) Dallas Dwayne Conn This story is full of witches and the evil spells that they cast in behalf of their lord the devil The more evil that they are able to do the more power that the devil gives to them They sacrifice anyone and everyone that they can to get the devil's blessing The more that the devil likes them the stronger they shall become When the people in this story run into two witches that are really old they learn that the older the witch is the more powerful she becomes The warrior is sent out by God and one of his angels to destroy the witches That doesn't mean that his job is going to be easy just because God and an angel are on his side The way that the witches use their evil magic to do their sacrifices is graphic and it goes into full detail of the skinning and the bloodletting Evil witches are deceivers of men and that is why God picks one man to become a warrior for him The warrior uses his faith in God to gain strength and wisdom to fight the battle between good and evil the fight between the good light and the darkness Who will win this fight to the death is in this book of evil and good magic Everything comes with a price and you will be left asking yourself if you have what it takes to make the right call The warrior is wearing his costume and it will give him great power What will you use to defeat the evil that the witches from the other side of hell throw at you **Margie Asks Why Do**

The Making of a Forefather Shari Lowin,2006-10-01 This comparative analysis examines the Islamic and Jewish exegetical narratives and the q al anbiy and midrash aggadah on the early life of the forefather Abraham It reveals how the traditions utilized one another's materials in creating and re-creating the patriarch in their own image Each chapter examines a particular motif in Abraham's development from the prophecy surrounding his birth to his discovery of God and polemics with pagans to his salvation in the fiery furnace of Chaldea Indexes of the more salient rabbinic or Islamic texts follow at the end of each chapter The work is particularly valuable for scholars of rabbinics and Islamicists alike it challenges earlier scholarship by revealing that the Islamic and Jewish exegetical traditions were not entirely distinct traditions but were intertextually related mutually giving and receiving ideas

Did Jesus "Je[hovah]-salvation" know God's name? Gerard Gertoux,2016-04-24 Michael Servetus participated in the Protestant Reformation and translated the Hebrew Bible into Latin In July 1531 he published his *De Trinitatis Erroribus* On the Errors of the Trinity in which he explained clearly that the Trinity was a 3 headed monster Accordingly Catholics and Protestants alike condemned him He was then arrested in Geneva and burnt at the stake as a heretic by order of the city's Protestant governing council This book was translated into English only in 1932 but still worse the main arguments from part V were completely distorted For example he explained that God's name was Iehouah because in Hebrew this name was close to the name of Iesuah Jesus or Iehosuah which means Iehouah is salvation He also knew that according to Paulus de Heredia a Christian Cabbalist the meaning of God's name was He causes to be yehauueh but he never confused the pronunciation of God's name with its Kabbalistic meaning yehaweh For Servetus Iehouah was the only true God
