Dancing in the Desert Devotional Bible NLT Tyndale,2015-10-29 2016 Christian Book Award finalist Bibles category Stories of Scripture are often portrayed two dimensionally making people in the Bible seem familiar predictable even flat We don t always read their stories with much awareness of the pressures they faced the doubts they had the assumptions they made or the alternatives they have chosen The Dancing in the Desert Devotional Bible in the New Living Translation encourages readers to take an honest look at the people in the Bible Chris Tiegreen author of many popular devotionals for both men and women has written 270 devotionals that explore the lives of people in the Bible and how they faced their own life s wilderness and found meaning significance and purpose with God When we keep our gaze fixed on a story bigger than our own lives we too can learn to dance in even the driest of our deserts
