Hill,2020-02-10 Here is the third edition of the history of a group of men who valiantly fought to preserve the Union during the American Civil War The first edition was published in 2010 to wide acclaim An updated second edition was printed in 2013 Now seven years later this third edition expands on the previous ones with a new chapter and many more stories burial locations maps and photos The men of the 26th Ohio Veteran Volunteer Infantry were among the first to answer their country s call to duty and among the last ones to finally be mustered home The Old 26th fought in numerous western theater campaigns and battles including Shiloh Corinth Stones River Chickamauga Missionary Ridge Kennesaw Peachtree Creek Atlanta Spring Hill Franklin and

Nashville After the war's end the veterans yearned to publish their regiment's proud history as so many other units had done. Regrettably the high cost of publishing proved too steep for the aged veterans and their dream died with them. The descendant of three veterans of the 26th Ohio, Jeffrey A. Hill, resurrected their dream and brought it to fruition. Meticulously researched, their history is based on over five hundred primary source documents including letters, diaries, military and pension records, regimental and company records, and other first person accounts. Their narrative conveys their omnipresent sense of duty and loyalty. This book chronicles the involvement of the 26th Ohio from the initial fervor following Fort Sumter and throughout the war, as well as the postbellum activities. The appendices include a roster list, burial sites, photo gallery, and index. This history is a lasting tribute to the men who so bravely fought to protect what they held most dear: their beloved country. At long last here is their story.

**The Change** S. M. Stirling, 2016-05-03. A vivid portrait of a world gone insane. S. M. Stirling's New York Times bestselling *Novels of the Change* have depicted a vivid, utterly persuasive and absorbingly unpredictable postapocalyptic wasteland in which all modern technology has been left in ashes, forcing humankind to rebuild an unknowable new world in the wake of unimaginable and deliberate chaos. Now in this startling new anthology, S. M. Stirling invites the most fertile minds in science fiction to join him in expanding his rich *Emberverse* canvas. Here are inventive new perspectives on the cultures, the survivors, and the battles arising across the years and across the globe following the Change. In his all-new story *Hot Night at the Hopping Toad*, Stirling returns to his own continuing saga of the High Kingdom of Montival. In the accompanying stories are fortune seekers, voyagers, and dangers from the ruins of Sydney to the Republic of Fargo and Northern Alberta, to Venetian and Greek galleys clashing in the Mediterranean. These new adventures revisit beloved people and places from Stirling's fantastic universe, introduce us to new ones, and deliver endlessly fascinating challenges to conquer all while unfolding in a postapocalyptic landscape that illuminates both the best and the worst of which our species is capable: a world you can see, feel, and touch.
