Young, 1993-12-01 Just as a mirror captures a large area within its small limit this journal reflects the otherwise far ranging and far reaching phenomena that are categorized as women and religion The Annual Review of Women in World Religions has been conceived as a forum for the latest historical and anthropological research on women in all religions It is also a form for discussion of contemporary trends such as the influence of secularism fundamentalism or feminism on women and religion Accordingly it contributes to the on going project to add to our basic knowledge about women and helps evaluate the past as well as the present through insights generated by gender studies today Within the boundaries of academic scholarship the editors seek to include the research of those who are both inside and outside the traditions Moreover the book encourages women and men of all beliefs to participate in the on going dialogue which it represents and promotes This journal is polymethodic interdisciplinary and multitradeational in its approach to the study of women and religion It not only allows the comparative dimension to appear in bolder relief but also helps to establish a dialogue between the two solitudes of humanistic and social scientific studies in the field Volume III contains the following essays Rabi ah as Mystic Muslim and Woman by Barbara Lois Helms Slighted Grandmothers The Need for Increased Study of Female Spirits and Spirituality in Native American Religions by Jordan Paper Women of Medieval South India in Hindu Temple Ritual Text and Practice by Leslie C Orr and Confucianism and Women in Modern Korea Continuity Change and Conflict by Edward Y J Chung

Rabi'a From Narrative to Myth Rkia Elaroui Cornell,2019-01-03 Rabi a al Adawiyya is a figure shrouded in myth Certainly a woman by this name was born in Basra Iraq in the eighth century but her life remains recorded only in legends stories poems and hagiographies The various depictions of her as a deeply spiritual ascetic an existentialist rebel and a romantic lover seem impossible to reconcile and yet Rabi a has transcended these narratives to become a global symbol of both Sufi and modern secular culture In this groundbreaking study Rkia Elaroui Cornell traces the development of these diverse narratives and provides a history of the iconic Rabi a s construction as a Sufi saint Combining medieval and modern sources

including evidence never before examined in novel ways Rabi a From Narrative to Myth is the most significant work to emerge on this quintessential figure in Islam for more than seventy years **Bodied Mindfulness** Winnie Tamm,2010-10-30 I see spirituality and social change to be integrally related to each other I believe that liberation efforts that are supported by spiritual experiences of integration promote human dignity as well as social equality Bodied Mindfulness combines spiritual social and analytical perspectives to explore topics central to women s development spirituality women s bodies cultural constructions of women s sexuality in language sexual ethics the sexual contract in politics and at work and the relation between nature and culture It is Tamm s deeply held conviction that women need to bring a vital spirituality to feminist social criticism in order to resolve these issues and increase their power to promote social justice and ecological balance Tamm embraces a vast store of knowledge from diverse sources including Buddhist shamanist and feminist resources In a move away from abstract theorizing she explicitly connects theory with realities lived by women Grounding theory in personal experience her own and others Tamm delivers a powerful and empowering account of women s spirituality The resulting ontological transformation allows women to live deeply in the body while strengthening their relation to human and non human matter and energy Bodied Mindfulness will be of great interest to feminist scholars in all disciplines but most particularly to those in Women s Studies and Religious Studies **The Embodiment of Bhakti** Karen Pechilis,1999 In this interpretive history of bhakti both chronicle and comparison are used to identify and analyze bhakti as understood by various Tamil Siva bhakti authors and authorities BOOK JACKET **The Embodiment of Bhakti** Karen Pechilis Prentiss,2000-01-06 This book offers an interpretive history of bhakti an influential religious perspective in Hinduism Prentiss argues that although bhakti is mentioned in every contemporary sourcebook on Indian religions it still lacks an agreed upon definition Devotion is found to be the most commonly used synonym Prentiss seeks a new perspective on this elusive concept Her analysis of Tamil south Indian materials leads her to suggest that bhakti be understood as a doctrine of embodiment Bhakti she says urges people towards active engagement in the worship of God She proposes that the term devotion be replaced by participation emphasizing bhakti s call for engagement in worship and the necessity of embodiment to fulfill that obligation *The Goddess Discovered* Shelley A. Luping Huang,2018-09-30 Reinhold Niebuhr is largely regarded as the leading twentieth century theologian of sin However many feminist theologians criticize Niebuhr s view of pride as the primary sin arguing that it fits only with men s experience In this detailed study Dr Luping Huang engages with Niebuhr and his feminist critics to provide a response to the feminist critique of Niebuhr s theology of sin Dr Huang provides a thorough analysis and examination of both the Niebuhrian and feminist understandings of sin highlighting the strengths and limitations of both arguments While some aspects of the feminists opposition to Niebuhr s doctrine of sin are valid there are weaknesses and limitations within its own framework Through her research and interaction with women s testimonies Huang s argument bridges these two competing views of women and sin resulting in a more accurate understanding and application of the theology of sin particularly in reference to women
