

THE APOSTLES' CREED

**I believe in God, the Father Almighty,
Creator of heaven and earth, and in Jesus
Christ, His only Son, our Lord, who was
conceived by the Holy Spirit, born of the
Virgin Mary, suffered under Pontius Pilate,
was crucified, died, and was buried; He
descended into hell; on the third day, He
rose again from the dead; He ascended into
heaven, and is seated at the right hand of
God the Father Almighty; from there He
will come to judge the living and the dead.**

**I believe in the Holy Spirit, the Holy
Catholic Church, the communion of Saints,
the forgiveness of sins, the resurrection of
the body, and life everlasting.**

Amen.

Church it is contained in the Apostles Creed writes William Barclay Professor Barclay reminds us however that the Creed should be seen not so much as a test and yardstick of orthodoxy but rather as a symbolic pictorial and poetic representation of a truth a truth that Christians should constantly rethink and restate for themselves Barclay's insights are particularly valuable at a time when many traditional beliefs are being questioned both by theologians and lay people He manages to bridge the gap between the academic and lay worlds while addressing the most profound issues of the Christian faith The William Barclay Library is a collection of books addressing the great issues of the Christian faith As one of the world's most

widely read interpreters of the Bible and its meaning William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ The History of the Apostles' Creed: with Critical Observations on Its Several Articles. By Peter King, Lord King. The Second Edition ,1711 **All You Need to Believe** C. Donald Cole,1998-05-01 What do you believe With the vast array of religions and beliefs that have surfaced in the world today how can Christians be sure of what we believe And how can we know that what we believe about our God truly meets the biblical standard What do we need to believe From his vast knowledge of the Scriptures and his experience as a missionary Pastor Donald Cole shares the simple yet profound truths of the gospel through the Apostles Creed He touches on every facet of the Creed referencing the biblical texts that support them While there are some things about God and His ways that shall remain veiled until we reach heaven the Bible is very clear about many things including the person and work of Jesus Christ Learn All You Need to Believe from the Apostles Creed through the excellent teaching of pastor Donald Cole Exploring and Proclaiming the Apostles' Creed Roger van Harn,2004-11-15 Doctrinal preaching has fallen on hard times in recent years Exploring and Proclaiming the Apostles Creed seeks to stimulate renewed interest in and provide useful models of Christian proclamation that is truly rooted in the central tenets of the faith Using the Apostles Creed as a template for doctrinal confessional preaching this book draws together an ecumenical cast of respected biblical scholars and preachers who explain the creed and demonstrate its preaching possibilities Each of the book s fifteen chapters consists of an essay that explores and illuminates one of the creed s articles of faith followed by a scintillating sermon that models how that article can be preached as good news today

Creed and Personal Identity David Baily Harned,2020-05-13 In eight chapters David Harned explores the theology of the Apostles Creed taking the position that the creed in fact provides us with a master image for self understanding and that controlling image is child of God The creed is seen as being important for personality formation and the development of character rather than as either a statement of beliefs or a loyalty oath Harned s ninth and final chapter is intended for those who wish to pursue further the question of master imagery for the formation of a Christian Sense of Identity **Credo** Hans Urs von Balthasar,2000-01-01 In the twelve months before his sudden death Hans Urs von Balthasar had been writing a series of reflections on the twelve articles of the Apostles Creed These texts which are undoubtedly among the last things he wrote take on the character of a legacy a spiritual testament For they amount in their extraordinary compactness and depth to a little summa of his theology What he had set out in detail in numerous books over five decades he summarizes here in contemplative plainness and simplicity All the characteristics that make von Balthasar s work so distinctive and valuable are to be found here breadth of vision loveliness of style and an intuitive contemporary passion that allows him to pray intellectually and think cordially In his warm and extensive introduction to the book Medard Kehl speaks of von Balthasar s unclouded almost childlike joy in the richness and beauty of the Mystery of the threefold God which is evidenced in his interpretation of the creed
