Legacy of Secrecy Lamar Waldron, Thom Hartmann, 2009-03-01 This painstakingly researched follow up to Ultimate Sacrifice draws on explosive new material from the National Archives to

piece together the puzzle of JFK's assassination. Vanity Fair: A riveting take on the assassination itself and the devastating results of government secrets. Publishers Weekly: John F. Kennedy's assassination launched a frantic search to find his killers. It also launched a flurry of covert actions by Lyndon Johnson, Robert F. Kennedy, and other top officials to hide the fact that in November 1963 the United States was on the brink of invading Cuba as part of a JFK-authorized coup. The coup plan's exposure could have led to a nuclear confrontation with Russia, but the cover-up prevented a full investigation into Kennedy's assassination, a legacy of secrecy that would impact American politics and foreign policy for the next forty-five years. It also allowed two men who confessed their roles in JFK's murder to be involved in the assassination of Dr. Martin Luther King in 1968. Exclusive interviews and newly declassified files from the National Archives document in chilling detail how three mob bosses were able to prevent the truth from coming to light until now.

Nixon's Secrets Roger Stone, 2014-08-11

Learn the inside scoop on Watergate, the Ford Pardon, and the 18-minute Gap. Roger Stone, The New York Times bestselling author of *The Man Who Killed Kennedy* and *The Case Against LBJ*, gives the inside scoop on Nixon's rise and fall in Watergate in his new book *Nixon's Secrets*. Stone charts Nixon's rise from election to Congress in 1946 to the White House in 1968, after his razor-thin loss to John Kennedy in 1960, his disastrous campaign for Governor of California in 1962, and the greatest comeback in American Presidential history. Just as the assassination of JFK prevents a balanced analysis of Kennedy and his times, the myth of Watergate prevents a reappraisal of our 37th President, said Stone, whose book on LBJ was the second biggest-selling book during the 50th anniversary of Kennedy's murder. Stone reveals how the Kennedy's wiretapped Nixon's hotel room the night before the Nixon-Kennedy debate and stole Nixon's medical records from his psychiatrist's office. Stone lays out how Kennedy running mate Lyndon Johnson stole Texas from JFK through vote fraud, while Mayor Richard Daley stole Illinois, and how JFK actually lost the popular vote. Stone looks at the Nixon Presidency, the desegregation of the public schools, the progressive social programs, Nixon's struggle to end the war in Vietnam, the historic SALT arms reduction agreement with Russia, the saving of Israel in the Six Days War, the opening to China, and the disastrous decision to take America off the Gold standard. The mainstream media's interpretation of the facts surrounding the Watergate episode are a fantastic and grotesque distortion of historical truth, said Stone. A cursory examination of the facts in Watergate will reveal that the actions which caused the fall of Nixon cannot be reduced to the simplistic account summarized by Bob Woodward and Carl Bernstein of the Washington Post. The author outlines how White House Counsel John Dean planned, pushed, and covered up the Watergate break-in, then sought to avoid responsibility for it. Stone examines the bungled Watergate break-in to determine what exactly Nixon's agents were looking for and how the CIA infiltrated the burglar team and sabotaged the break-in to gain leverage over Nixon. Find out why Nixon demanded the CIA turn over the records of the Bay of Pigs and Kennedy's Assassination. Learn how a cabal of military and intelligence hard liners spied on and undermined Nixon to stop his pro-peace détente foreign policy, his withdrawal of troops from Vietnam, his arms limitation agreement with the Soviets, and his opening

to Red China Discover how Vice President Spiro Agnew was setup to move him out of the line of presidential succession Stone makes the compelling case that General Alexander Haig orchestrated Nixon s removal from office in a coup d tat and brokered the deal for his pardon Finally the public will learn what is on the 18 minute gap in the White House Tapes Stone a Washington Insider for forty years outlines why FBI Man Mark Felt is not deep throat why there is no deep throat and why Bob Woodward and Carl Bernstein lie about it even today Stone reveals how Nixon used the dark secrets he knew to avoid prosecution by blackmailing Gerald Ford for a full free and unconditional pardon Nixon s secret would not only destroy his presidency it would save him from prison and allow him to launch his final comeback advising President Bill Clinton on Foreign Affairs despite Hillary s attempts to block him and her being fired from the 1974 House Impeachment Committee for lying and violating Nixon s rights

Reel Power Matthew Alford,2010-08-06 Hollywood is often characterised as a stronghold of left liberal ideals In Reel Power Matthew Alford shows that it is in fact deeply complicit in serving the interests of the most regressive US corporate and political forces Films like Transformers Terminator Salvation and Black Hawk Down are constructed with Defence Department assistance as explicit cheerleaders for the US military but Matthew Alford also emphasises how so called radical films like Three Kings Hotel Rwanda and Avatar present watered down alternative visions of American politics that serve a similar function Reel Power is the first book to examine the internal workings of contemporary Hollywood as a politicised industry as well as scores of films across all genres No matter what the progressive impulses of some celebrities and artists Alford shows how they are part of a system that is hard wired to encourage American global supremacy and frequently the use of state violence

Secrecy in US Foreign Policy Yukinori Komine,2016-04-01 Secrecy in US Foreign Policy examines the pursuit of strict secrecy by President Nixon and his National Security Advisor Kissinger in foreign policy decision making in relation to the US rapprochement with China Moreover it sheds new light on the complexity and dynamism of the evolution of China initiatives and demonstrates the many policy options and perspectives among US officials Dr Komine focuses on three major elements of the rapprochement

Wounds of the Heart Joseph Keely,2021-02-22 This is for my children and my children s children so that they may know that their father grandfather served his country along with 2 909 918 other men and women in uniform in Vietnam Most of these men and woman remained loyal to their oath as military personnel and served with honor and

distinction I want them to know that our efforts and sacrifices were undermined at every turn of the event by the American people the American press and self centered politicians through lies propaganda and treason on a scale so large it was unstoppable And finally forced the government to abandon its troops on the field of battle to fend for ourselves That they may also see the real truth surrounding the Vietnam War and the war that has raged within me these past fifty plus years These words were engendered by a comment I heard on television It angered me enough to conduct a personal investigation to see if the nine lines written above were just a figment of my imagination or what I felt to be true in my heart This investigation has culminated with mixed feelings It saddens me that what I felt in my heart is true however I am elated that my investigation serves as a vindication of all the Vietnam veterans both men and women who remained loyal to their oath as soldiers sailors airmen and marines I am elated that there is finally a book that countermands the lies and propaganda that have carried on from the 60s to this very day and that it shows the Vietnam veterans as the loyal and honorable men and women they have proven themselves to be

Black Power at Work David Goldberg, Trevor Griffey, 2011-05-02 Black Power at Work chronicles the history of direct action campaigns to open up the construction industry to black workers in the 1960s and 1970s The book s case studies of local movements in Brooklyn Newark the Bay Area Detroit Chicago and Seattle show how struggles against racism in the construction industry shaped the emergence of Black Power politics outside the U S South In the process community control of the construction industry especially government War on Poverty and post rebellion urban reconstruction projects became central to community organizing for black economic self determination and political autonomy The history of Black Power s community organizing tradition shines a light on more recent debates about job training and placement for unemployed underemployed and underrepresented workers Politicians responded to Black Power protests at federal construction projects by creating modern affirmative action and minority set aside programs in the late 1960s and early 1970s but these programs relied on voluntary compliance by contractors and unions government enforcement was inadequate and they were not connected to jobs programs Forty years later the struggle to have construction jobs serve as a pathway out of poverty for inner city residents remains an unfinished part of the struggle for racial justice and labor union reform in the United States

Vietnam John Prados, 2009-04-21 The Vietnam war continues to be the focus of intense controversy While most people liberals conservatives Democrats Republicans historians pundits and citizens alike agree that the United States did not win the war a vocal minority argue the opposite or debate why victory never came attributing the quagmire to everything from domestic politics to the press The military never lost a battle how then did it not win the war Stepping back from this overheated fray bestselling author John Prados takes a fresh look at both the war and the debates about it to produce a much needed and long overdue reassessment of one of our nation s most tragic episodes Drawing upon several decades of research including recently declassified documents newly available presidential tapes and a wide range of Vietnamese and other international sources Prados s magisterial account weaves together multiple

perspectives across an epic sized canvas where domestic politics ideologies nations and militaries all collide Prados patiently pieces back together the events and moments from the end of World War II until our dispiriting departure from Vietnam in 1975 that reveal a war that now appears to have been truly unwinnable due to opportunities lost missed ignored or refused He shows how from the Truman through the Eisenhower Kennedy Johnson and Nixon administrations American leaders consistently ignored or misunderstood the realities in Southeast Asia and passed up every opportunity to avoid war in the first place or avoid becoming ever more mired in it after it began Highlighting especially Ike s seminal and long lasting influence on our Vietnam policy Prados demonstrates how and why our range of choices narrowed with each passing year while our decision making continued to be distorted by Cold War politics and fundamental misperceptions about the culture psychology goals and abilities of both our enemies and our allies in Vietnam By turns engaging narrative history compelling analytic treatise and moving personal account Prados s magnum opus challenges previous authors and should rightfully take its place as the most comprehensive up to date and accurate one volume account of a war that judging by the frequent analogies to the current war in Iraq has not yet really ended for any of us *In Sickness and In Power* David

Owen,2022-03-17 *In Sickness and In Power* looks at illness in heads of government business and military leaders between 1901 and 2007 It considers how illness and therapy both physical and mental affect the decision making of heads of government engendering folly in the sense of foolishness stupidity or rashness Owen is particularly interested in leaders who were not ill in the conventional sense whose cognitive faculties functioned well but who developed a hubristic syndrome that powerfully affected their performance and their actions As we learn here they suffer a loss of capacity and become excessively self confident and contemptuous of advice that runs counter to what they believe or sometimes of any advice at all Long fascinated with the inter relationship between politics and medicine David Owen uses his deep knowledge of both to look at sickness in political leaders Owen expertly scrutinises such diverse political personalities as Sir Anthony Eden at the time of Suez in 1956 John F Kennedy and the Bay of Pigs fiasco in 1961 the last Shah of Iran and President Mitterrand of France who suffered from prostate cancer The author also devotes a chapter to the hubristic behaviour and relationship between President Bush and Prime Minister Blair The book ends by outlining some of the safeguards that society needs to address as a consequence of illness in heads of government Revised and Updated Edition for 2016 including a new chapter entitled *Hubris Syndrome in the Military* **The Watergate Crisis** Michael A. Genovese,2020-08-11 This reference

provides background information about the Watergate crisis and discusses its significance to U S politics today Relatively insignificant at first glance the Watergate crisis led to the downfall of a president and emerged as the most important constitutional crisis since the Civil War Journalists and the media were instrumental in shedding light on Watergate and exposing political corruption at the highest levels of government Watergate became part of American popular culture and synonymous with presidential corruption This book surveys the background of the Watergate crisis and links it to

contemporary American politics The first part of the book provides a narrative overview and examination of the Watergate crisis with a consideration of what happened and why and the relevance of Watergate to today's political issues The book considers such topics as political corruption and impeachment the role of the media and the abuse of presidential power The book also offers biographical sketches of key players in the Watergate crisis a chronology glossary primary source document excerpts and an annotated bibliography

Watergate Michael V. Uschan, 2009-11-06 Readers will learn about one of the most shocking and scandalous events in American history A preliminary chapter is dedicated to biographically presenting the man Richard M Nixon This book then details the break in the cover up the siege that Nixon faced the hearings tapes and impeachment Lastly readers learn the aftermath of an event that rocked American politics to its core

The Rise of the Latino Vote Benjamin Francis-Fallon, 2019-09-24 Francis Fallon returns to the origins of the U S Spanish speaking vote to understand the history and potential of this political bloc He finds that individual voters affiliate more with their particular ethnic communities than with the pan ethnic Latino identity created for them complicating the notion of a broader Latino constituency

Pat Nixon Mary C. Brennan, 2011 The first biography of Pat Nixon in 25 years Moves beyond the over simplified appraisals of this oft misunderstood first lady Offers a far more complex interpretation than the standard Plastic Pat caricature and depicts a complicated conflicted but ultimately effective first lady who balanced public responsibilities and private pain

Watergate: The Hidden History Lamar Waldron, 2013-06-01 A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author's customary style The New York Observer While Richard Nixon's culpability for Watergate has long been established what's truly remarkable is that after almost fifty years conventional accounts of the scandal still don't address Nixon's motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in *Watergate The Hidden History* provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it Watergate *The Hidden History* reexamines the historical record including new material only available in recent years This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked

investigative articles from publications like Time magazine the Los Angeles Times and the New York Times **My Lai**
Howard Jones, 2017 A trenchant and haunting account of the My Lai massacre in Vietnam and its aftermath **1973**
Nervous Breakdown Andreas Killen, 2008-12-10 1973 marked the end of the 1960s and the birth of a new cultural
sensibility A year of shattering political crisis 1973 was defined by defeat in Vietnam Roe v Wade the oil crisis and the
Watergate hearings It was also a year of remarkable creative ferment From landmark movies such as The Exorcist Mean
Streets and American Graffiti to seminal books such as Fear of Flying and Gravity's Rainbow from the proto punk band the
New York Dolls to the first ever reality TV show The American Family the cultural artifacts of the year reveal a nation in the
middle of a serious identity crisis 1973 Nervous Breakdown offers a fever chart of a year of uncertainty and change a year in
which post war prosperity crumbled and modernism gave way to postmodernism in a lively and revelatory analysis of one of
the most important periods in the second half of the 20th century *The Vietnam War Files* Jeffrey P. Kimball, 2004 The new
evidence uncovers a number of behind the scenes plays such as Nixon's secret nuclear alert of October 1969 and sheds more
light on Nixon's goals in Vietnam and his and Kissinger's strategies of Vietnamization the China card and triangular
diplomacy The excerpted documents also reveal significant new information about the purposes of the linebacker bombings
Nixon's manipulation of the POW issue and the conduct of the secret negotiations in Paris as well as other key topics events
and issues All of these are effectively framed by Kimball whose introductions to each document provide historical context
Watergate Keith W. Olson, 2003 A concise and readable guide to America's biggest political scandal ever that highlights
in a single volume the people actions intrigue and implications as the drama first came to light and then fully unfolded in
