Viral Mythology Marie D. Jones, Larry Flaxman, 2014-01-20 Behind every myth fairy tale and legend hidden within the art song and structures of ancient times is an encoded layer of wisdom science and truth passed down throughout history This book will examine how information went viral long before the Internet and served as the foundation for mythology sacred architecture and symbolic imagery throughout the ancient world Viral Mythology reveals How primitive and ancient cultures conveyed cutting edge scientific knowledge in their origin stories and myths Why esoteric knowledge was hidden in symbols art and architecture during times of religious oppression and persecution How stories songs and art served to describe actual historical events Why diverse civilizations told the same stories and created the same art with common themes and symbols despite no apparent communication From the great myths of the Greek Roman and Norse to the texts of the world's major religions from folklore and fairy tales of old to sacred edifices and monuments from cave paintings to the mysterious symbology of the Tarot Viral Mythology uncovers the information highway of the past and explores how it affects the more modern methods of communication today It all began once upon a time *Forbidden Religion* J. Douglas Kenyon, 2006-09-22 Reveals the thread that unites the spiritual paths that have opposed orthodox religion over the centuries and the challenge they provide to the status quo Contains 40 essays by 18 key investigators of heresies and suppressed spiritual traditions including Steven Sora Ian Lawton Jeff Nisbet P M H Atwater John Chambers and Vincent Bridges Edited by Atlantis Rising publisher J Douglas Kenyon Following the model of his bestselling *Forbidden History* J Douglas Kenyon has assembled from his bi monthly journal Atlantis Rising material that explores the hidden path of the religions banned by the orthodox Church from the time before Christ when the foundations of Christianity were being laid to the tumultuous times of the Cathars and Templars and the Masons of the New World Revealed in this investigation of the roots of Western faith are the intimate ties of ancient Egyptian religion to Christianity the true identities of the three magi the link forged by the Templars between early Christianity and the Masons and how these hidden religious currents still influence the modern

world This book serves as a compelling introduction to the true history of the heretical religious traditions that played as vital a role in society as the established faiths that continuously tried to suppress them Born in the same religious ferment that gave birth to Christianity these spiritual paths survived in the heresies of the Middle Ages and in the theories of the great Renaissance thinkers and their successors such as Isaac Newton and Giordano Bruno Brought to the New World by the Masons who inspired the American Revolution the influence of these forbidden religions can be still found today in The Star Spangled Banner and in such Masonic symbols as the pyramid on the back of the dollar bill
