The Mystery of Being Erik Kuravsky, 2025-09-18 This book showcases the contributions of esteemed scholars in Heideggerian studies delving into the inquiry of the mystical essence inherent in Heidegger s thought Rather than confining mystery to the conventional realm of mysticism separate from philosophy this volume s original research investigates how the mystery of being is integral to philosophy itself shaping its performative and transformative nature The book s central inquiry asks whether this mystical element is essential to Heidegger s thought and how it relates to traditional notions of mysticism At its core however it questions the very essence of philosophy its transformative potential engaging with numerous themes in Heidegger s work while remaining attuned to the centrality and significance of the mystery of being

The

Krishnamurti Reader J. Krishnamurti, 2011-10-11 J Krishnamurti was renowned for the penetrating insight and immediacy of his spiritual teaching. Radical in his day for seeking truth beyond the boundaries of religion, ideology, or tradition, he declared that Truth is a pathless land and you cannot approach it by any path whatsoever. He traveled and lectured throughout the world, calling for a new approach to life and spirituality. In this compilation of Krishnamurti's most essential teachings, he explores what he calls the art of living. The topics addressed include such perennial human concerns as living life without conflict and confusion, how to act with skill and clarity, the significance of meditation, death and dying, true freedom, and bringing the sacred into everyday life. These timeless teachings guide us to live our lives simply, intelligently, and with great love, free from the bonds of sorrow and fear. *Melodies Of The Silent Heart* S. D. Tiwari, 2025-05-14 *Melodies Of The Silent Heart* presents a touching collection of English couplets in ghazal form, delving into love, longing, life, and emotion. Each standalone verse contributes to a deeper, unified expression of passion, separation, and spirituality. Richly allusive and emotionally resonant, the poems stir both heart and soul with profound depth. *The Phoebe A. Hearst Expedition to Deir el-Ballas* Victoria Jensen, 2025-03-24 This lavishly illustrated book presents the unpublished excavations of the Hearst Expedition, 1900-1901, at Deir el-Ballas and thus makes a major contribution to the study of the material culture of the early New Kingdom. The site played a major role in the birth of the New Kingdom as a royal campaign headquarters during the wars to expel the Hyksos. For several generations afterwards, a non-elite population lived in the shadow of the abandoned palace in this provincial town. Drawing on meticulous archival research to reconstruct the tomb assemblages, this book reveals the community's funerary practices and considers the cultural memory the residents held of their town's illustrious past. *The Art of Living* Claire Elizabeth Terry, 2009-06 Presents a collection of writings from various spiritual leaders, politicians, artists, celebrities, and the like, reflecting on the nature of life. *Life Without Conflict* Dada Bhagwan, 2015-04-16 As much as we would prefer otherwise, conflict seems woven into the very fabric of life. On a daily basis, we find ourselves dealing with difficult people, facing unhealthy relationships, or suffering marriage problems. We might say that some of our relationships are the very definition of conflict. While asking ourselves how to adjust in these circumstances and how to handle conflict, we remain confused and perplexed. In the book *Life Without Conflict*, Gnani Purush, embodiment of Self-knowledge, Dada Bhagwan, offers ultimate conflict resolution skills in the form of spiritual conflict resolution strategies. His spiritual teaching on how to resolve conflict or to avoid it altogether is offered in the context of common and everyday relationship challenges. Whether seeking relationship tips, marriage advice, or simply to learn how to stay healthy and to cultivate happy homes, this book will prove an invaluable resource. *Kenneth Burke's Permanence and Change* Ann George, 2018-11-27 A guide to and analysis of a seminal book's key concepts and methodology. Since its publication in 1935, Kenneth Burke's *Permanence and Change*, a text that can serve as an introduction to all his theories, has become a landmark of rhetorical theory. Using new archival sources and contextualizing Burke in the past and present, Ann George offers the first

sustained exploration of this work and seeks to clarify the challenging book for both amateurs and scholars of rhetoric This companion to *Permanence and Change* explains Burke's theories through analysis of key concepts and methodology demonstrating how for Burke all language and therefore all culture is persuasive by nature Positioning Burke's book as a pioneering volume of New Rhetoric George presents it as an argument against systemic violence positivism and moral relativism *Permanence and Change* has become the focus of much current rhetorical study but George introduces Burke's previously unavailable outlines and notes as well as four drafts of the volume to investigate his work more deeply than ever before Through further illumination of the book's development publication and reception George reveals Burke as a public intellectual and critical educator rather than the eccentric aloof genius earlier scholars imagined him to be George argues that Burke was not ahead of his time but rather deeply engaged with societal issues of the era She redefines Burke's mission as one of civic engagement to convey the ethics and rhetorical practices necessary to build communities interested in democracy and human welfare lessons that George argues are as needed today as they were in the 1930s
