The Buck Starts Here Think there s an unbridgeable gulf between human and alien thought Not so There s a common tongue all right and Nicholas Van Rijn speaks it fluently TRADE For behind the buffoonish blarney and bawdy bonhomie of the Falstaffian Van Rijn is a man who gets things done A born wheeler dealer who usually leaves both sides better off in the bargain While pocketing a hefty cut of the profits himself of course With The Man Who Counts and a passel of other tales included this is the first of three volumes set to contain the complete cycle of _Polesotechnic League books and stories by transcendently gifted science fiction master how does seven Hugos and three Nebula Awards strike you Poul Anderson _ and starring Nicholas Van Rijn his most famous character of all At the publisher s request this title is sold without DRM Digital Rights Management Rise of the Terran Empire Poul Anderson,2009-06-01

Nicholas van Rijn the most flamboyant member of the Polesotechnic League of star traders could see dark times ahead Fellow league members were using tactics verging on outright piracy and others were all too eager to sell starships and high tech weapons to alien barbarians A planet not previously known for interstellar commerce suddenly revealed a secret fleet of armed starships and started building an empire Even if Van Rijn and his right hand man David Falkayn could find a way to stop this blatant aggression the glory days of the League were over Hereafter for its own protection against well armed alien marauders the Earth must maintain a strong military fleet and one charismatic man would found an empire that would learn nothing of the lessons history taught about the fates of other empires as it began annexing other star systems whether they wanted to join the Terran Empire or not This is the third volume in the first complete edition of Poul Anderson s Technic Civilization saga and it includes a classic novella which appears here in book form for the first time And the next volume begins the adventures of Poul Anderson s other legendary character Captain Sir Dominic Flandry At the publisher s request this title is sold without DRM Digital Rights Management The Furthest Horizon Gardner Dozois,2011-04-01
