living thing guided by the hearts and minds of those who practiced it and benefited from it Questioning everything he has known Kellen discovers too many of the City s dark secrets Banished with the Outlaw Hunt on his heels Kellen invokes Wild Magic and finds himself running for his life with a unicorn at his side Kellen s life changes almost faster than he can understand or accept Rescued by a unicorn healed by a female Wild Mage who knows more about Kellen than anyone outside the City should meeting Elven royalty and Elven warriors and plunged into a world where the magical beings he has learned about as abstract concepts are flesh and blood creatures Kellen both revels in and fears his new freedom Especially once he learns about Demons He d always thought they were another abstract concept a stand in for ultimate evil But if centaurs and dryads are real then Demons surely are as well And the one thing all the Mages of the City agreed on was that practicing Wild Magic corrupted a Mage Turned him into a Demon Would that be Kellen s fate Deep in Obsidian Mountain the Demons are waiting Since their defeat in the last great War they ve been biding their time sowing the seeds of distrust and discontent between their human and Elven enemies Very soon now when the Demons rise to make war there will be no alliance between High and Wild Magic to stand against them And all the world will belong to the Endarkened At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
