**The Elvis Spotters Guide** Nic Van Oudtshoorn,1992-01-01      **The Modern Day Spotter's Guide** Richard Horne,2013-10-21 Tired of the dull daily commute to the office the tedious trapeze to and from the school gates Fed up with the seemingly endless shades of grey that decorate the canvas of modern life Then the time has come to open your eyes For in the midst of those soulless sceneries and vacant vistas there lies a wealth of fascinating detail Look up Look carefully all around Where once there was monotony now there is intrigue in abundance sights and sounds sure to delight and amuse amaze and entertain to brighten each and every day for once you spot you can't stop The Modern Day Spotter's Guide brings together the fun and frustrating the maddening and the mundane the good the bad and the ugly to offer you a list of unlikely things to spot on your daily trudge through life So be sure to keep your eyes peeled for whether it be a cat with a moustache a hopelessly lost tourist a pigeon with one foot an embarrassing wardrobe malfunction or the face of Jesus in your soup the world is waiting to be spotted See things a little differently And remember life is in the details don't let them pass you by

**My Elvis Blackout** Simon Crump, 2012-12-26. This is one of the most abnormal books of all time and also one of the best. No home is complete without this magnificent book. Dan Rhodes joins the King of Rock and Roll as he wreaks crazy havoc with the Memphis Mafia, murders huge numbers of groupies, destroys televisions, sabotages Led Zeppelin gigs with great big bags of pigs' blood and somehow also breaks your heart. The best book you have never read but really must praise for my Elvis Blackout. Like an episode of South Park where just as you get into the story something goes splat, Crump's contorted imagination is alarmingly enjoyable. The Guardian: If I was born with a name like Simon Crump I would spend the rest of my life trying to get all that anger and resentment out of me by being very rude about other people. It doesn't bother me in the slightest. Sticks and stones can break my bones but words can never hurt me. Or something like that. No, I wouldn't even give this a passing thought. When you are a famous person you are there, you are up for grabs for people to have a go at. I know there are comedians who make fun of me. But you know I look at my beautiful family, I look at the house I live in and I look at my fans all over the world and I look at my career and I think well it's all based on jealousy and envy and really I don't give a toss. Chris De Burgh. This ebook edition comes with a brand new introduction by Jon McGregor and a postscript by the author. It also contains the complete text of one of the best books written in the past twenty years. First published in 2000 but shamefully overlooked ever since. My Elvis Blackout is a work of genius. Of particularly twisted and unsettling genius but genius all the same. A book so strange, sick and strange again that you'll often wonder what on earth you're reading. But as you wonder you'll also marvel. In these 37 short stories the King of Rock and Roll, hero and model to teenagers the world over, joins a choir in order to torture and murder Christians, labours under the delusion that he's a major rock star when really he's just an inmate in an asylum who's afraid of potatoes and kills both Barbara Cartland and Chris De Burgh. And then he does some bad things too. Needless to say it's very funny but My Elvis Blackout is more than just a laugh riot. This acerbic take on the cult of Elvis' personality tells plenty of uncomfortable truths about our relationship with celebrity while Simon Crump writes with astonishing force and power about mortality, human cruelty and the horrors that man inflicts upon his fellow man. It's daft. But it's also profound. And don't think that this is disrespectful to the King; either Elvis remains a strangely sympathetic albeit psychotic character throughout. It's one of the best tributes to his unique genius you can hope to read. Just don't buy it if you're a Chris De Burgh fan. *Australian National Bibliography*: 1992. *National Library of Australia*, 1988. *LA Record*, 1992. *Womanspeak*, 1991. *Contemporary Legend*, 1998.
