The Encourager David Guinn, 1995-05-01 An excellent discipleship training tool for anyone who wants to grow in Christ It covers the basics of prayer quiet time Scripture memory evangelism witnessing obedience commitment A non athletic version of David Guinn's *The Race* *Contact*, 1999 [Discipleship in the 90's](#) John J. Vincent, 1991 **Growing Up, Revised and Updated** Robby Gallaty, 2022-05-17 If you are serious about being a disciple of Jesus Christ a discipleship group can help you achieve that goal Jesus established this model by forming and leading the first discipleship group and it worked The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ *Growing Up How to Be a Disciple Who Makes Disciples* offers a manual for making disciples addressing the what why where and how of discipleship Robby Gallaty pastor of Long Hollow Baptist Church and founder and president of Replicate Ministries teaches you how to utilize D Groups to grow your relationship with God how to defend your faith and how to guide others in their relationships with God [Discipleship that Fits](#) Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context *Discipleship That Fits* shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ *Public Relationships* The church gathering corporately for worship *Social Relationships* Networks of smaller relationships where we engage in mission and live out our faith in community *Personal Relationships* Small groups of six to sixteen people where we challenge and encourage one another on a regular basis *Transparent Relationships* Close relationships of three to four where we share intimate details of our lives for accountability *The Divine Relationship* Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today **Disciplemaking** Judy Streeter, 2012-01-05 For a person of faith life can be a smorgasbord of choices often described as exciting opportunities Conferences seminars classes book studies CD's retreats videos workshops and need specific Bible studies abound all designed to encourage spiritual growth But are Christians truly grounded in the bedrock of doctrine that supports and enriches their faith Can they explain what they believe Are they equipped so they can teach others Do they have any cultural

impact at all In these post Christian times Judy Streeter encourages a return to the example of Jesus Christ while He was on earth His primary plan was to disciple a few men It was where He invested most of His time knowing that the continuation of His teachings rested on their shoulders The combination of good instruction plus accountability within a small group makes for a fertile environment where solid growth can occur Convinced that the church needs this kind of dynamic to nurture its own and to withstand the influences of a secular culture Judy makes a strong case for the importance and effectiveness of obeying Christ s command to go and make disciples Beginning with the convicting principles of Scripture and moving into a clear definition of discipleship this book is doctrinally solid yet practical and obviously written by someone who has spent years doing what is recommended Growing Up Robby Gallaty,2013-11-11 If you are serious about being a disciple of Jesus Christ really truly serious a discipleship group can help you achieve that goal Jesus established this model for us by forming and leading the first discipleship group and it worked The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ Discipleship groups can create an atmosphere for fellowship encouragement and accountability building an environment where God can work In Growing Up How to Be a Disciple Who Makes Disciples Robby Gallaty presents a practical easy to implement system for growing in one s faith This guide offers a manual for making disciples addressing the what why where and how of discipleship D Groups as Gallaty calls them can teach you and others how to grow your relationship with God how to defend your faith and how to guide others in their relationships with God Growing Up provides you with an interactive manual and resource for creating and working with discipleship groups allowing you to gain positive information both for yourself and for others as you learn how to help others become better disciples for Christ **Discipleship** Billie Hanks,William A. Shell,1993 **A Motley Crew** Sam Warren,2021-01-26 In A Motley Crew How Jesus Turned Ordinary Men into Dynamic Disciples one is taken on a journey through the teachings of Jesus and Paul as they map out the path for the local church in making disciples who make disciples One is given not only a view of the mistakes that have been made but hope for a brighter future as they are shown how to return to the original code of the early church in the making of disciples **The Disciple-Making Pastor** Bill Hull,2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor s role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church
