The End Of The Age

ROBERT KIRUMIRA. SSEBATT

The End Of The Age:

The End of the Age John Hagee, 2021-12-07 If you knew sudden destruction would fall upon the earth in the next twenty four hours how would you spend your last moments Join New York Times bestselling author John Hagee as he uses Scripture as a guide to count down the prophetic minutes through the events which must occur before every individual faces God on Judgment Day Charting international news events including recent peace agreements in the Middle East Hagee synchronizes these headlines with the biblical timeline for the last days producing a compelling argument that life on Earth is about to expire What else must take place before the arrival of Judgment Day This very timely message discusses The reality of virtual terrorism The financial crisis and economic crash Opposing views of the Rapture Recent peace agreements in the Middle East that impact Israel and a potential Russian invasion Nuclear wars The purpose of the Tribulation and the Millennium Significantly updated and revised from its previous publication under the title From Daniel to Doomsday this is quintessential Hagee on Bible prophecy and End Times teaching This insightful book is an ideal resource for Christians who are looking for a guide to what the Bible says about the end times and how to recognize that they are approaching Mark it down The End of the Age is approaching but it won't be ushered in by space aliens or catastrophic asteroids Hagee guides us through the timeline before that fateful moment when every unredeemed individual must face God on Judgment Day

Unveiling the End of the Age ROBERT KIRUMIRA. SSEBATT, 2019-02-28 While Jesus was seated on the Mount of Olives the disciples came to Him privately and asked the same questions we might be asking Tell Us When Will These Things be And What Will Be The Sign of Your Coming And of The End of The Age The first words out of His mouth were Be careful that no one misleads you Matthew 24 4 He then identified a sequence of signs and assured His disciples that these were the beginning of sorrows Wars famines earthquakes and pestilences Worldwide persecution of Christians Apostasy and betrayal among Christians False prophets will rise up and deceive many Lawlessness will abound and the love of many will wax cold Society will be like The Days of Noah and Lot Jesus then responded to the second part of the question concerning what would be the definite Sign of the end The answer And This Gospel of the Kingdom Will Be Preached in All The World As a Witness To All The Nations And Then The End Will Come Matthew 24 14 In these last days the greatest challenge to each one of us individually and corporately is to preach the Gospel of the Kingdom to all nations This gospel is to be preached to every creature and disciples made of every nation The term as a witness to all nations indicates that this present age will not end until there is at least one representative from every ethnic group nation people tribe and language who has received the free gift of salvation offered through Jesus Christ the Lamb of God who takes away the sin of the world

The Sign of the End of the Age Paul Kalbach, 2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these things because the time is near In The Sign of the End of the Age What Jesus Taught about the Future in Matthew 24 author Paul

Kalbach helps you discover or rediscover the Olivet Discourse the Lord's clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near

The End of the Age James Henry McConkey, 1918 *The End of the Age* Frederick Guttman, In the first part of Apocalypse Remote Vision we have observed the points that deal with what is related to the Great Tribulation that our world will live and even the elect and faithful so that with this many may be perfected and likewise many other lukewarm awaken I have told you that the basis of these two end world books is intuition premonition visions revelations dreams extrasensory perception and remote viewing regarding things to come and I have chosen many topics that I have been able to compare and link with each other There are other popular people who have seen remarkable things but some of them are not the subject that I am dealing with here at the moment or they are not entirely clear There are others from which data can be taken with tweezers as is the case of Mrs Baba Vanga a Bulgarian citizen who predicted many things in her time She is said to have given specific dates for future events but the times and sequences attributed to the events predicted by her are exaggerated and mixed up in their temporal location Baba Vanga would have died on August 11 1996 at the age of 85 and the only allusion that seems coherent that he gave for just after his death is the one that defines that by 2018 the nation of China would become the new power world Even so we will see that this will not be exactly the case despite the fact that it is now the global economic power and perhaps the second or third military power on our planet If we remove the dates that he is supposed to have mentioned and simply refer to his warnings then we do have logical citations and which coincide with a host of other prophecies Vanga is said to have prophesied that after China became the world power the subsequent thing would be that the Earth's orbit would change slightly I would also have argued that then Europe would have serious demographic problems that hunger would slowly become a problem for humanity that there would be polar melting and strong sea level rise and the like It is also said that he warned that later the world economy would improve remarkably while in Europe the Muslims dominate We already know that this has to do with the new currency and the Islamic invasion but Vanga adds something strange

The End of the Age Pat Robertson, 2002-09-08 Today there is unprecedented interest in the end times Scientists admit that a meteor almost hit the earth Citizens are concerned for their safety and our future In this fast paced page turning novel The End of the Age portrays the real possibility that a world wide catastrophe will trigger prophetic events predicted in Revelation that bring the world to the edge of the end times

The End of the Age Steven A. Smith, 2025-09-24 The End of the Age follows Beau Talbot a high rise engineer and project manager his architect Jenny their coworkers and families through the biblical Rapture

and Tribulation that follows As the world turns into chaos they are confronted with the reality that Christ has come for his followers They must grapple with how to respond and survive in a world that is now being controlled by the Antichrist build a safe place to broadcast the Gospel from and redefine their relationships with one another under the threat of death *The End of the Age Bible Study Guide* John Hagee,2022-02-15 The Day of the Lord Is Coming Soon The common saying Everything comes to an end assumes that what has a beginning must logically have a conclusion Rumors of wars earthquakes pestilence and signs in the heavens have increased and many believe that the End of the Age is upon us and a new age is about to be born While some in power wish to promote that which is contrary to God s Word believers in Christ must continue to stand for righteousness and boldly speak the truth according to God s Word No man knows the day or the hour but make no mistake when the trumpet sounds Jesus will be coming for His children In *The End of the Age Study Guide* New York Times bestselling author John Hagee examines the prophecies of the Bible in the context of the events taking place in our world He reveals how through Bible prophecy the Lord lays out our future both in this life and in the life to come He also shows that we are more than conquerors called to abundance confidence and peace when we have the knowledge of the truth found in God s Word *The End of the Age* represents quintessential teaching from John Hagee on Bible prophecy and is a must read for all those concerned with God s divine plan Each lesson in this study guide corresponds to the book and includes the following sections Explore the Scripture key passages for you to explore with study questions Reflect on the Scripture questions to help you reflect on the truths of the passage Act in Faith questions to help you apply the message of the passage to your life *Essays at the End of the Age* Jay Trott,2007-01-10 *Essays at the End of the Age* examines the rise and fall of nihilism in the context of the cycles of intellectual history and suggests ways to go beyond it The modern era began with Descartes and the attempt to use the cogito to obtain a clear understanding of transcendent being Unfortunately the cogito led to nothingness through its resistance to constructs of being Then Kant attempted to synthesize nothingness with being in the transcendental aesthetic with mixed results Finally Nietzsche used the power of nothingness itself or nihilism to negate any concept of being for the sake of the will to power But nihilism led to the same nothingness as the cogito did since nihilism too was based on resistance The limitations of the superman became evident through the art and culture that reflected his negative ideal of absolute resistance to the good and yet nihilism also indicates the end of philosophy and its attempt to describe transcendent value and the good of happiness The superman is dead and philosophy appears to be dead as well The question now is whether it is possible to go beyond nihilism and find the identity purpose and meaning that the human spirit craves *Essays at the End of the Age* uses illustrations from literature music science and sacred texts to show why the superman failed to obtain happiness and to point the way to a new mode of being **The Closing Drama at The End of The Age** M Dean Koontz,2011-11 The book of Revelation is a fascinating book It claims to be a divine revelation of the Sovereign soon returning Christ given by God to His servants Furthermore one of several triads that appear

in this first chapter of the Revelation promises special blessing to the one who reads this book those who hear it and those who obey or take it to heart And it adds at the end solemn warnings about those who tamper with its contents either adding to or detracting from its message This surely means that you and I can not afford to either ignore it or neglect it I believe that Christ will return as He promised and that we need to be eagerly and watchfully waiting for His arrival After careful study comparing Scripture with Scripture I want to take you through this book and help hopefully with your greater understanding of its wonderful contents
