Lewin,2016-01-05 A playwright needs PI Albert Samson to find a thieving Broadway producer in this fast funny and brilliant series from the Shamus Award winning author The Wall Street Journal After a Florida vacation spent at the horse races turning a measly profit of eighty two cents before expenses private detective Albert Samson is back in slushy freezing Indy where thankfully it s a short walk from his living room to his office door One night he opens it to find a hesitant stranger in an overcoat With some prodding from the PI Bennett Willson admits he wants Samson to strong arm the Broadway producer who stole his play When it turns out that the cleverly crafted story is as bogus as the client himself Samson blows the lid off a simmering brew of hatred and revenge leaving his own life hanging in the balance Written by a Shamus Award winning author who has brains and style this crime novel follows the beloved midwestern detective in his most bizarre case yet Los Angeles Times The Enemies Within is the 3rd book in the Albert Samson Mysteries but you may enjoy reading the series in any order [The Enemies Within, Dark Secrets Revealed](#) Pasquale De Marco,2025-07-07 Journey into the heart of darkness where shadows lurk and secrets fester This gripping exploration delves into the depths of human nature uncovering the sinister forces that lie in wait ready to strike From the corridors of power to the darkest corners of the human psyche we shine a light on the hidden agendas and poisoned chalices that poison our society We expose the faces of corruption and the masks of deception revealing the extent to which evil can flourish when left unchecked The threads of conspiracy weave a tangled web ensnaring the innocent and the guilty alike We follow the trail of whispers uncovering the puppet masters who pull the strings from the shadows The sins of the past cast a long shadow their consequences reaching far into the present But even in the face of darkness there is hope The sparks of resistance flicker igniting a path toward justice Unlikely allies unite defying the odds and challenging the status quo The dawn of truth approaches bringing with it

the reckoning and the vindication of the innocent This is not a tale of heroes and villains but a reflection of the complex and often contradictory nature of humanity It is a cautionary tale about the dangers of complacency and the importance of vigilance As we confront the enemies within we must never forget the lessons of the past and the promise of a brighter future The legacy of darkness lingers but it is in our power to break its hold By shining a light on the shadows we can dispel their power and create a world where justice and righteousness prevail Delve into the depths of darkness and uncover the secrets that threaten to consume us The Enemies Within is a gripping exploration of human nature corruption and the fight for justice If you like this book write a review on google books **Enemies Within** Robert Alan Goldberg,2008-10-01
