Busky, 2000-07-30 Donald Busky provides an in depth well referenced and up to date examination of the history of social democratic parties and governments worldwide from the 19th century onward After reviewing the history of democratic socialism and its rivals as well as defining the various movements Dr Busky examines the history and current state of social democratic parties beginning with Europe and Great Britain and then moving to the United States and Canada Latin America and the Caribbean Africa Asia and the Middle East The volume concludes with a survey bibliography of key studies on the topic This global survey will be of particular interest to scholars students and other researchers involved with comparative politics and political ideologies      *Being Human* Dwight N. Hopkins, Dwight Hopkins whose important work in Black Theology has mediated class theological concerns through the prism of African American culture here offers a fresh take on theological anthropology Rather than defined the human as one

eternal or inviolable essence however Hopkins looks to the multiple and conflicting notions of the human in contemporary thought and particularly three key variables culture self and race Hopkins critical reframing of these concepts firmly locates human endeavor development transcendence and liberation in the particular messiness of struggle and strife Alterities in Asia Leong Yew, 2010-11-18 This book investigates the politics of identity in Asia and explores how different groups of people inside and outside Asia have attempted to relate to the alterity of the places and cultures in the region through various modes literary and filmic representation scholarly knowledge and so on and at different points in time Although coming from different perspectives like literary criticism film studies geography cultural history and political science the contributors collectively argue that Asian otherness is more than the dialectical interplay between the Western self and one of its many others and more than just the Orientalist discourse writ large Rather they demonstrate the existence of multiple levels of inter Asian and intercultural contact and consciousness that both subvert as much as they consolidate the dominant Western Core Asian periphery framework that structures what the mainstream assumes to be knowledge of Asia With chapters covering a wealth of topics from Korea and its Cold War history to Australia s Asian identity crisis this book will be of huge interest to anyone interested in critical Asian studies Asian ethnicity postcolonialism and Asia cultural studies Leong Yew is an Assistant Professor in the University Scholars Programme National University of Singapore He is the author of *The Disjunctive Empire of International Relations* 2003 **Revolution in the Air** Max Elbaum, 2018-04-10 *Revolution in the Air* is the definitive study of how radicals from the sixties movements embraced twentieth century Marxism and what movements of dissent today can learn from the legacies of Lenin Mao and Che What Every American Should Know about the War Montaville Flowers, 1918 **Postcolonial America** C. Richard King, 2000 Scholars from a wide array of disciplines describe and debate postcolonialism as it applies to America in this authoritative and timely collection Investigating topics such as law and public policy immigration and tourism narratives and discourses race relations and virtual communities *Postcolonial America* clarifies and challenges prevailing conceptualizations of postcolonialism and accepted understandings of American culture Advancing multiple even conflicted visions of postcolonial America this important volume interrogates postcolonial theory and traces the emergence and significance of postcolonial practices and precepts in the United States Contributors discuss how the unique status of the United States as the colony that became a superpower has shaped its sense of itself They assess the global networks of inequality that have displaced neocolonial systems of conquest exploitation and occupation They also examine how individuals and groups use music the Internet and other media to reconfigure reinvent and resist postcoloniality in American culture Candidly facing the inherent contradictions of the American experience this collection demonstrates the patterns connections and histories characteristic of postcoloniality in America and initiates important discussions about how these conditions might be changed *Racism* Albert Memmi, 2000 Albert Memmi s controversial statements about racism and his call to each of us to devote ourselves to its eradication futile though this effort

will be are straightforward and lucid yet also powerful and universal In this remarkable meditation on a subject at the troubled center of contemporary life Memmi investigates racism as social pathology a cultural disease that prevails because it allows one segment of society to empower itself at the expense of another By turns historical sociological and autobiographical Racism moves beyond individual prejudice to engage the broader questions of collective behavior and social responsibility Book jacket
