Ezra Pound and the Career of Modern Criticism Michael Coyle, Roxana Preda, 2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even *Time* weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound's reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society **The Cambridge Companion to Ezra Pound** Ira B. Nadel, 1999-02-11 This Companion contains fifteen chapters by leading international scholars who together reflect diverse but complementary approaches to the study of Ezra Pound's poetry and prose They consider the poetics foreign influences economics politics and publication history of Pound's entire corpus and reveal his importance in developing some of the key movements in twentieth century poetry The book also situates Pound's work in the context of Modernism illustrating his influence on contemporaries like T S Eliot and James Joyce Taken together the chapters offer a sustained examination of one of the most versatile influential and certainly controversial poets of the modern period **Ezra Pound and Europe** Richard A. Taylor, Claus

Melchior,2023-10-16 The papers included were selected from those given at the 14th international Ezra Pound Conference held at Brunnenburg Tirol di Merano 16 18 July 1991 The guiding principle for organizing the volume was thematic coherence and quality of thought as well as presentation The articles are gathered under five headings General Impressions Traditional Affiliations Contemporary Connections Constructing Continuities and Specific Texts The exhibitions accompanying the conference are represented and Pound s involvement with Europe is reflected in studies of his relationship with traditional authors as well as his contemporaries Larger considerations and analysis is offered in Section Four and Cathay Cantos LXXIII and Drafts and Fragments are given individual attention

Ezra Pound J. J. Wilhelm,2010-11-01 This third and final volume of Wilhelm s life of Ezra Pound commences with Pound s departure from Paris at the height of his writing career for Italy where he hoped to find a quieter life and it takes him to his death in 1972 It tells how he settled in Rapallo and soon found Mussolini s fascism to be amenable to his own political and economic ideas especially during the dark days of the Great Depression As Italy girded itself for World War II Pound was almost haphazardly drawn into the web and he foolishly agreed to broadcast on Radio Rome for the Duce even after the bombing of Pearl Harbor When Italy fell to the Allies Pound was put first into a dreadful American detention camp at Pisa and then was flown to Washington to be tried for treason He escaped conviction on grounds of insanity but he was then remanded to St Elizabeths Hospital where he languished for twelve years Despite the incarcerations Pound produced during this time some of his most magnificent poetry including The Pisan Cantos and numerous excellent translations from the Chinese and Greek He also heavily influenced an entire generation of poets ranging from Robert Lowell to Allen Ginsberg With the help of Archibald MacLeish and Robert Frost Pound was eventually freed in 1958 He returned to Italy where he lived for a time with his wife and daughter During the final years of his life he eventually returned to live with his aged lover Olga Rudge in Venice and Rapallo He died in Venice in 1972 and is buried next to Igor Stravinsky whose work his own strongly resembles since they both fought for liberation from traditional forms

The African American Roots of Modernism James Edward Smethurst,2011 The period between 1880 and 1918 at the end of which Jim Crow was firmly established and the Great Migration of African Americans was well under way was not the nadir for black culture James Smethurst reveals but instead a time of profound response fr

Ezra Pound's Adams Cantos David Ten Eyck,2013-02-28 Ezra Pound transformed his style of poetry when he wrote The Adams Cantos in the 1920s But what caused him to rethink his earlier writing techniques Grounded in archival material this study explores the extent to which Pound s poetry changed in response to his reading of 17th century American History and the social climate of the pre war period Drawing on the Ezra Pound papers David Ten Eyck documents the changes to Pound s documentary techniques establishing a chronology of the composition of The Cantos His close readings of specific passages set against the interwar years allow Ten Eyck to gain insights into Pound s 1930s political and social criticism Through references to the annotated copy of The Works of John Adams he explores Pound s engagement with

Adams at the expense of Thomas Jefferson a figure formally at the heart of his previous work Ultimately this contextual and archival study uses John Adams and America to unlock the fascist beliefs and the later poetry of Ezra Pound **Ezra Pound and Poetic Influence**, 2021-09-13 This collection of twenty essays investigates a series of different aspects of poetic influence in relation to the major modernist poet Ezra Pound The volume commences with five essays on matters to do with translation and poetic influence which situate Ezra Pound as an important transitional figure between 19th century and 20th century translation strategies The next five essays consider different influences on Pound's poetry and introduce the reader to new research in a variety of areas including how specific Chinese cultural artefacts inform his poetry The following five essays explore Pound's influence on some of his major contemporaries such as Eugenio Montale and Charles Olson and also through the reading he gave her as a girl on his daughter Mary de Rachewiltz The concluding five essays exemplify different approaches to the thorny issue of Pound and politics and end with two diametrically opposed interpretations of Pound's political poetic thought The collection will be of great interest to scholars of Ezra Pound and of modern to postmodern poetry but it will also serve as a useful and lively introduction to some of the debates within Pound scholarship to students coming to his work for the first time **Ezra Pound in the Present** Paul Stasi, Josephine Park, 2018-04-19 Was Ezra Pound the first theorist of world literature Or did he inaugurate a form of comparative literature that could save the discipline from its untimely demise Would he have welcomed the 2008 financial crisis What might he say about America's economic dependence on China Would he have been appalled at the rise of the digital humanities or found it amenable to his own quasi social scientific views about the role of literature in society What if anything would he find to value in today's economic and aesthetic discourses **Ezra Pound in the Present** collects new essays by prominent scholars of modernist poetics to engage the relevance of Pound's work for our times testing whether his literature was as he hoped it would be news that stays news

The ^ADialect of Modernism Michael North,1998-01-22 The Dialect of Modernism uncovers the crucial role of racial masquerade and linguistic imitation in the emergence of literary modernism Rebelling against the standard language and literature written in it modernists such as Joseph Conrad Gertrude Stein T S Eliot Ezra Pound and William Carlos Williams reimagined themselves as racial aliens and mimicked the strategies of dialect speakers in their work In doing so they made possible the most radical representational strategies of modern literature which emerged from their attack on the privilege of standard language At the same time however another movement identified with Harlem was struggling to free itself from the very dialect the modernists appropriated at least as it had been rendered by two generations of white dialect writers For writers such as Claude McKay Jean Toomer and Zora Neale Hurston this dialect became a barrier as rigid as the standard language itself Thus the two modern movements which arrived simultaneously in 1922 were linked and divided by their different stakes in the same language In *The Dialect of Modernism* Michael North shows through biographical and historical investigation and through careful readings of major literary works that however different they were the two movements are inextricably connected and thus cannot be considered in isolation Each was marked for good and bad by the other

The Far-Right, Education and Violence Michael A. Peters, Tina Besley, 2020-10-19. In the last decade, the far right associated with white nationalism, identitarian politics and nativist ideologies has established itself as a major political force in the West, making substantial electoral gains across Europe, the USA and Latin America and coalescing with the populist movements of Trump, Brexit and Boris Johnson's 2019 election in the UK. This political shift represents a major new political force in the West that has rolled back the liberal internationalism that developed after WWI and shaped world institutions, globalization and neoliberalism. It has also impacted upon the democracies of the West. Its historical origins date from the rise of fascism in Italy, Germany and Austria from the 1920s. In broad philosophical terms, the movement can be conceived as a reaction against the rationalism and individualism of liberal democratic societies and a political revolt based on the philosophies of Nietzsche, Darwin and Bergson that purportedly embraced irrationalism, subjectivism and vitalism. This edited collection of essays by Michael A. Peters and Tina Besley, taken from the journal *Educational Philosophy and Theory*, provides a philosophical discussion of the rise of the far right and uses it as a canvas to understand the return of fascism, white supremacism, acts of terrorism and related events including the refugee crisis, the rise of authoritarian populism, the crisis of international education and Trump's end of globalism.

Lady in the Dark Robert Sitton, 2014-04-01. Iris Barry, 1895-1969, was a pivotal modern figure and one of the first intellectuals to treat film as an art form, appreciating its far-reaching transformative power. Although she had the bearing of an aristocrat, she was the self-educated daughter of a brass founder and a palm reader from the Isle of Man. An aspiring poet, Barry attracted the attention of Ezra Pound and joined a demimonde of Bloomsbury figures including Ford Madox Ford, T. S. Eliot, Arthur Waley, Edith Sitwell and William Butler Yeats. She fell in love with Pound's eccentric fellow Vorticist Wyndham Lewis and had two children by him. In London, Barry pursued a career as a novelist, biographer and critic of motion pictures. In America, she joined the modernist Askew Salon where she met Alfred Barr, director of the new Museum of Modern Art. There, she founded

the museum's film department and became its first curator assuring film's critical legitimacy. She convinced powerful Hollywood figures to submit their work for exhibition, creating a new respect for film and prompting the founding of the International Federation of Film Archives. Barry continued to augment MoMA's film library until World War II when she joined the Office of Strategic Services to develop pro-American films with Orson Welles, Walt Disney, John Huston, and Frank Capra. Yet despite her patriotic efforts, Barry's foreignness and association with such filmmakers as Luis Buñuel made her the target of an anticommunist witch hunt. She eventually left for France and died in obscurity. Drawing on letters, memorabilia, and other documentary sources, Robert Sitton reconstructs Barry's phenomenal life and work while recasting the political involvement of artistic institutions in the twentieth century. *The New Western History* Forrest Glen Robinson, 1998. Seven scholars examine the work of the new western historians who retell the story of the American West from the point of view of the oppressed and colonized and discuss ways to expand the horizons of this new approach to include fiction, literature by women, racial categories, writers who presaged the movement, popular culture, and natural history.
