### The Analytical Greek Lexicon Of The New Testament:

Greek study aids is the most useful analytical lexicon available The Analytical Lexicon of the Greek New Testament contains an alphabetical arrangement of every Greek form found in the major printed editions of the Greek New Testament UBS Nestle Aland and the Majority Text Consequently ANLEX is not a lexicon of a single edition of the New Testament rather it is a lexicon of the New Testament's language in all its manuscript forms A distinguishing feature of this and companion volumes is the use of grammatical tags. The analysis is tagged throughout with abbreviations that provide pertinent grammatical information ANLEX's analysis is superior to traditional parsing because of the authors expertise in modern linguistics In addition ANLEX provides new and original definitions in modern descriptive English for each root word The New Analytical Greek Lexicon Wesley J. Perschbacher, 1990 In this new edition every entry has been rechecked and revised misspellings have been corrected unnecessary duplicate entries have been removed textual variants and alternative readings have been noted and identified New Testament references have been added for similar and identical forms having two or more parsings references to the numbering used in Strong s have been added to facilitate study and cross referencing for the less technical user and the introductory grammar section has been updated The Analytical Greek Lexicon of the New The Analytical Greek Lexicon of the New Testament George V.
