The Ancillary Relief Handbook:

Ancillary Relief Handbook Roger C. Bird, 1998 Ancillary Relief and Financial Orders Handbook Roger Bird, Roger C. Bird, Andy King, 2011 Ancillary Relief and Financial Orders Handbook is the new edition of the well established ancillary Relief Handbook which has been thoroughly revised to take account of the new Procedure Rules 2010 Established as the first resort for thousands of matrimonial lawyers this work combines clear explanation of the legal principles governing financial provision upon divorce with straightforward advice on practice and procedure This eighth edition has been thoroughly revised to take account of the regime under the Family Procedure Rules 2010 and contains detailed analysis of all relevant case law developments including practical guidance as to how these developments should be applied This is the essential reference work for the busy family lawyer **The Handbook of Separation and Divorce** Wendy Mantle, 2002-09-11 There are few people whose lives are unaffected by marriage breakdown Yet how many are well informed about the divorce process and or appreciate the wide powers the court has to redistribute property and income after divorce Those who act without the benefit of specialist legal advice can risk impoverishing themselves and their families by accepting less than the court may award them or offering more than the court would order them to give The Handbook of Separation and Divorce is principally concerned with the financial consequences of marriage breakdown in England and Wales It suggests what should be done when a marriage is in difficulty and ensures that advice is obtained from a solicitor who is a specialist It recognises that everyone who separates or divorces will be the poorer and recommends that where appropriate those who can face mediation should undertake it while at the same time ensuring they can get independent legal advice The Handbook of Separation and Divorce will be essential reading for social workers and health professionals as well as the general reader and those going through or considering divorce or separation Research Handbook on Family Property and the Law Margaret Briggs, Andy Hayward, 2024-06-05 This pivotal Research Handbook analyses the interconnectedness of family property and the law through historical contemporary comparative and jurisdiction specific lenses Authors analyse some of the most well known contested and politicised legal developments in the field of family property law Family Law Handbook 2012 Jane Sendall, 2012-01-12 This handbook takes a practical approach to the essential law and procedure at the heart of family law Using case studies a wealth of pedagogical features and complemented by online resources the text focuses on the law relating to relationship breakdown money and property children and domestic violence Family Law Handbook 2013 Jane Sendall, 2013-01-10 This handbook takes a practical approach to the essential law and procedure at the heart of family law Using case studies a wealth of pedagogical features and complemented by online resources the text focuses on the law relating to relationship breakdown money and property children and domestic violence Family Law Handbook 2014 Jane Sendall, 2014 This handbook takes a practical approach to the essential law and procedure at the heart of family law Using case studies a wealth of pedagogical features and complemented by online resources the text focuses on
