The Andropause Mystery Unraveling Truths About The Male Menopause Paperback:

The Andropause Mystery Robert S. Tan, 2001 Dr Robert Tan draws upon his many years of treating older men during their Andropausal years to share his personal research findings superbly illustrated with case histories to define the Andropausal biological milestone for the aging male describe the evolving physical sexual psychosocial and mental challenges encountered explain the role of hormones and supplements relevant to the Andropause phenomenon and offers unique perspectives on memory loss erectile dysfunction and sexuality during the Andropause Written with a completely reader friendly and accessible text *The Andropause Mystery* is highly recommended to both medical professionals and the interested non specialist general reader

The Middlepause Marina Benjamin, 2017-03-14 In *The Middlepause* Benjamin deftly and brilliantly examines the losses and unexpected gains she experienced in menopause Menopause is a mind and body shift as monumental and universal as puberty yet far less often discussed especially in public which is what makes Benjamin s work here so urgently necessary Kate Tuttle The Los Angeles Times *The Middlepause* offers a vision of contentment in middle age without sentiment or delusion Marina Benjamin weighs the losses and opportunities of our middle years taking inspiration from literature science philosophy and her own experience Spurred by her surgical propulsion into a sudden menopause she finds ways to move forward while maintaining clear eyed acknowledgment of the challenges of aging Attending to complicated elderly parents and a teenaged daughter experiencing bereavement her own health woes and a fresh impetus to give Benjamin emerges into a new definition of herself as daughter mother citizen and woman Among *The Middlepause* s many wise observations about no longer being young I am discovering that I care less about what other people think My needs are leaner and my storehouse fuller It is not possible to fully appreciate what it means to age without attending to what the body knows I have always had a knee jerk distaste for the idea that age is all in the mind You need a cohort of peers to go through the aging process with you A cackle of crones A cavalry Marina Benjamin s memoir will serve as a comfort a companion to women going through the too seldom spoken of physical and mental changes in middle age and beyond
