BOOK ONE A TIME TO MORN A TIME TO DANCE The New Testament offers only points of truth that Mary told Joseph she was pregnant for instance that they had to go to Bethlehem to register for the census but it doesn't include the human drama that occurs between these moments It doesn't illustrate the challenge a pregnant Mary faced in making a ninety mile trip on foot and on donkey It doesn't describe the anxiety of a husband traveling with his wife in her ninth month of pregnancy A Time to Morn A Time to Dance fills these gaps telling a story that follows Mary and Joseph from their first meeting through the birth of Jesus their flight into Egypt and back into the welcoming arms of their family BOOK TWO THE TRAP In the time of Jesus the Sadducees controlled the Temple and the high Jewish council the Sanhedrin but had little influence among the common people They were a conservative political group engaged in a bitter power struggle with the increasingly powerful Pharisees The Sadducees grew concerned about the well liked Jesus fearful he would spawn a popular uprising and cause them to lose control to the Pharisees Alphaeus a rich Sadducee volunteers to set a trap for Jesus and bring him down But the plan is complicated when he falls in love with his servant girl a faithful follower of Jesus **The Soul Remembers** Carlos Warter,1992-06-01

A Parable on Spiritual Transformation What is the purpose of human life Who am I What is the reality of this world I find myself in Why do I find myself in the midst of certain troublesome circumstances Who among us has not pondered some of these questions at times On the outermost level this book is a teaching metaphor similar to those used in all sacred traditions But behind the parable is cosmic perspective on essence individuality and relationships There is a view of human purpose soul design and divine direction that leads to a new look at the origin of suffering healing and the evolutionary dimensional shift Through the voices of archetypes of consciousness the book subliminally explores paths to power love beauty strength and mysticism It moves through different dimensions of reality while simultaneously focusing on the mental emotional and physical aspects of life as instruments of expression that can be tuned to a higher purpose The Soul Remembers is the expression of a spiritual journey that has assisted thousands in their own processes of self remembrance encouraging them to live more deeply and become personally responsible for cocreating heaven on earth **Interviewing Guardian Angels with Comments from God and**
