Birds With Broken Wings Samuel D. G. Heath,2005-09 A lovely bookstore owner asked me why she should read this book I explained that in writing this book I undertook a purposeful investigation leading where angels and all good Baptists fear to tread It was during this attempt at explanation the picture formed in my mind of addressing an auditorium full of women My opening remark to them is Women hunger and thirst for romance What is it that men want The entire audience responds with a resounding chorus in unison with one word SEX I then ask No really ladies what do men really want Again with a single voice the chorus returns loudly SEX Seeing that I am getting nowhere fast I decide to try a new tack I ask Please ladies as a Romantic a Poet what do I as a man want Back it comes SEX There is a definite mind set at work here Okay honestly as a Romantic a Poet what do I want from a woman SEX Satisfied But my admission of common guilt is only true to a point Believe it or not ladies some men like myself want romance as much as you do It is in searching for this elusive thing that I have discovered so much that betrays you ladies in the very areas you are supposed to excel in the romance department I treat the causes and results of such betrayal in this book **From Light into the Abyss** Jim
