The Animal In Man:

The Animal in Man Joseph Asphahani, 2018-10-30 Maxan a cunning fox stalks the Leoran capital city of Crosswall as a shadow a lone operative for the city guard who must never be seen or heard and never engage with the enemy But when he is caught in an explosion that levels a city block the fox ignores his mission and retrieves a dangerous artifact that could bring the whole planet of Herbridia to its knees the relay a weapon that turns civilized animals into savage beasts Maxan must fight to keep the mysterious relay from falling into the hands of those who would abuse its power There is just one problem he doesn't know who to trust or why he alone is immune to the deadliest weapon in the world With Leora on the brink of a massive civil war can Maxan find his allies in time to save animalkind from itself The Animal in Man Lorus Johnson Milne, Margery Milne, 1973 *The Animal Parasites of Man* Harold Benjamin Fantham, Max Braun, Fred. Biology compares the outer forms of man and animal revealing their essential differences and contrasting inner experiences Drawing a bold and clear delineation between the fundamental nature of man and that of the animal Poppelbaum argues that human beings are not the accidental outcome of animal development but the hidden source of evolution itself He goes on to discuss the true relationship of both man and animal to their environment and develops a critique of contemporary theories regarding human and animal evolution He argues that rather than a simple reflex of the nervous system the human spirit is a microcosmic reflection of the spiritual macrocosm and our individual consciousness is a crucial seed for future evolution
