

THE ANJOINTED ONE

A faint, circular seal of the State of Nevada is visible in the background. It features a landscape with a mountain, a river, and a ship. The words "THE GREAT STATE OF NEVADA" are inscribed around the top, and "ALL FOR OUR COUNTRY" is at the bottom.

An Inside Look at Nevada Politics

JON RALSTON

The Anointed One An Inside Look At Nevada Politics

L Manion

The Anointed One An Inside Look At Nevada Politics:

The Anointed One Jon Ralston, 2000 Kenny Guinn was elected the governor of Nevada in a 1998 landslide But the outcome was determined long before a single voter stepped into a polling booth Nevada s foremost political reporter Jon Ralston argues that the power and money of the casino industry combined with the behind the scenes string pulling of a powerful and ruthless cabal of political insiders render important Nevada elections a mere formality Guinn had never before been on a ballot But he had cultivated the right friends served on the right boards and paid decades worth of political dues Thus when he decided to call in his markers the powers that anoint paid off **The Sagebrush State, 4th Ed** Michael W. Bowers, 2013-11-13 Nevada s politics have been formed in large measure by its turbulent history and harsh environment Bowers concise volume explains the dynamics of this process which is strikingly unique among the fifty states This is a readable and insightful explanation of how Nevada s history has formed its political culture and how its government works today The Sagebrush State includes the full text of the state constitution with extensive annotations of all amendments to the original 1864 document The Sagebrush State serves as a text for the study of Nevada s history and constitution which is a graduation requirement at the state s colleges and universities The fourth edition of this work is updated through 2012 to include information on the elections of 2010 and 2012 and recent controversial sessions of the Legislature **The Sagebrush State, 6th Edition** Michael W. Bowers, 2021-07-29 Nevada s politics are in large measure the result of its turbulent history and harsh environment Michael W Bowers s concise volume explains the dynamics of the political formation process which is strikingly unique among the fifty states Even today Nevada is unlike the other states in its politics and culture economically right yet libertarian and home to widespread gaming and a 24 7 lifestyle It has a high percentage of federally owned lands and one of the highest rates of urbanism in the United States yet is often dominated by rural legislators The sixth edition is updated through 2020 and includes the full text of the state constitution with extensive annotations of all amendments to the original 1864 document **The Sagebrush State, 3d Edition** Michael W. Bowers, 2012-05-15 Since its publication in 1996 The Sagebrush State has served as the text for the required course on Nevada s history and constitution given at the state s colleges and universities The third edition of this work is updated through 2005 to include information on the elections of 2002 and 2004 and two very controversial sessions of the legislature The full text of the state constitution is provided for reference in an appendix and includes extensive annotations that note and explain amendments and other changes made to the original 1864 document **The Sagebrush State, 7th Edition** Michael W. Bowers, David F. Damore, 2025-05-30 A dynamic study of Nevada s government and politics from the state s inception to the present day Starting with Michael W Bowers s first edition published in 1996 this concise volume explains the unique dynamics of Nevada s formation and its political and economic development David F Damore continues this legacy in the book s seventh edition by describing how even today Nevada is unlike the other states in its politics and culture economically conservative and averse to strong state

government yet socially libertarian and home to widespread gaming anchored by a 24/7 industry Nevada has the highest percentage of federally owned lands and one of the highest rates of urbanization in the United States yet it has often been dominated by rural legislators This comprehensive and insightful volume examines how Nevada's history and founding have shaped its political culture and how its government operates today The Sagebrush State serves as a highly readable and accessible text for the study of Nevada's political history and constitution The seventh edition is updated through 2023 and includes the results of the 2022 elections policies advanced during the 2023 legislative session and Nevada's continuing recovery from the impacts of the COVID-19 recession The full text of the state constitution with extensive annotations of all amendments to the original 1864 document is provided as an appendix *The Sagebrush State, 5th Edition* Michael W. Bowers, 2018-08-15 Nevada's politics are in large measure the result of its turbulent history and harsh environment Michael W Bowers concise volume explains the dynamics of the political formation process which is strikingly unique among the fifty states Even today Nevada is unlike the other states in its politics and culture it's economically right yet libertarian the home of widespread gaming and a 24/7 lifestyle has a high percentage of federally owned lands and has one of the highest rates of urbanism in the U S yet is often governed by rural legislators This comprehensive and insightful explanation discusses how Nevada's history has shaped its political culture and how its government operates today The Sagebrush State serves as a highly readable and accessible text for the study of Nevada's political history and constitution which is a graduation requirement at the state's colleges and universities The fifth edition is updated through 2017 and includes the full text of the state constitution with extensive annotations of all amendments to the original 1864 document *Jews in Nevada* John P. Marschall, 2011-03-28 Jews have always been one of Nevada's most active and influential ethnic minorities They were among the state's earliest Euro American settlers and from the beginning they have been involved in every area of the state's life as businessmen agrarians scholars educators artists politicians and civic professional and religious leaders Jews in Nevada is an engaging multilayered chronicle of their lives and contributions to the state Here are absorbing accounts of individuals and families who helped to settle and develop the state as well as thoughtful analyses of larger issues such as the reasons Jews came to Nevada in the first place how they created homes and interacted with non Jews and how they preserved their religious and cultural traditions as a small minority in a sparsely populated region **Political Mercenaries** Lindsay Mark Lewis, Jim Arkedis, 2014-10-21 When Bill Clinton defeated George H W Bush in 1992 their campaigns spent a total of 192 million combined In 2012 Barack Obama and Mitt Romney spent over 7 billion including outside funding from superPACs nearly 37 times more than just 20 years earlier All that money didn't appear out of thin air In Political Mercenaries Lindsay Mark Lewis tells the outrageous tale of the fledgling days of fundraising and how he raised over 200 million for the Democratic Party its candidates and its causes over a fifteen year career Sure to raise the eyebrows of everyone from ordinary citizens to Citizens United he pulls back the veil of secrecy that has shrouded the relationships between politicians

and their financial backers in this thought provoking and laugh out loud insider account The outrageous Lewis starts off as a wide eyed 22 year old who thinks raising political money is a means to an end helping Democrats win Lewis tactics aren't for the faint of heart Along the way he launders 40 000 from an allegedly murdered casino mogul smuggles marijuana and passes an Elvis impersonator off as Bill Clinton But he becomes increasingly conflicted as he continues to sell access to politicians in exchange for ever larger checks and a loss of control over the party's priorities Lewis eventually rises to his party's top fundraising post at the Democratic National Committee and attempts to redeem himself by waging an ultimately losing battle against the party's elite billionaire donors who force him out Contrary to conventional wisdom Lewis and co author Jim Arkedis conclude that the real damage isn't the raw amount of money spent on elections but rather the amount of time politicians spend raising it It's time they should spend governing And Lewis lays much of that blame at the feet of the Democratic Party who sold out not to corporate or lobbying interests but to a very few liberal wealthy elites **Nevada's**

Great Recession Elliott Parker, 2017-07-26 Of all economic recessions experienced by the United States in the postwar period the Great Recession that began in 2008 was the deepest longest and most destructive Nevada was among the hardest hit states its people reeling from the aftereffects and the state government also experiencing a severe fiscal crisis University of Nevada economics professor Elliott Parker and then State Treasurer Kate Marshall make sense of what went wrong and why with the hope the state will learn lessons to prevent past mistakes from being made again This is a different kind of economics book Parker uses his expertise from doing research on the East Asian fiscal crisis to give profound insights into what happened and how to avoid future catastrophes Marshall personalizes it by providing vignettes of what it was actually like to be in the trenches and fighting the inevitable political battles that came up and counteracting some of the falsehoods that certain politicians were spreading about the recession Parker and Marshall's book should be required reading for not only every single elected official in Nevada but for any private citizen who cares about the public good *More Peoples of*

Las Vegas Jerry L Simich, Thomas C. Wright, 2010-03-15 The remarkable economic growth of Las Vegas between 1980 and 2007 created a population boom and a major increase in the ethnic and religious diversity of the city Today over 21 percent of the city's population is foreign born and over 30 percent speak a language other than English at home The local court system offers interpreters in 82 languages and in 2005 2006 for example more than 11 000 people originating from 138 countries were naturalized there as American citizens *More Peoples of Las Vegas* extends the survey of this city's cosmopolitan population begun in *The Peoples of Las Vegas* University of Nevada Press 2005 As in the previous book this volume includes well established groups like the Irish and Germans and recently arrived groups like the Ethiopians and Guatemalans Essays describe the history of each group in Las Vegas and the roles they play in the life and economy of the city The essays also explore the influence of modern telecommunications and accessible air travel showing how these factors allow newcomers to create transnational identities and maintain ties with families and culture back home They also examine

the role of local institutions including clubs religious organizations shops restaurants and newspapers and other media in helping immigrants maintain their ethnic and religious identities and in disseminating national and even regional cultures of origin More Peoples of Las Vegas adds to our awareness of the rich and varied ethnic and religious character of Las Vegas In a broader context it offers thoughtful perspectives on the impact of globalization on a major American city and on the realities of immigrant life in the twenty first century

The Executive Branch of State Government Margaret R.

Ferguson,2006-04-21 This volume offers both historical and contemporary perspectives on the office of the governor covering all 50 states and providing a comprehensive examination of the executive branch at the state level One of three titles in ABC CLIO s About State Government set this work offers comprehensive coverage of contemporary American politics at the state level It explores the critical roles played by the governorship and state level bureaucracies both in managing the state s business and as a component of the overall national system of government Written by some of the nation s foremost authorities on state politics The Executive Branch of State Government chronicles the evolution of the state level executive apparatus from colonial times to the present emphasizing its current importance on the local and national political stage Chapters examine the structure and function of the governorship and state agencies the people who serve as governor and in those agencies and the multitude of forces that impact their work A separate chapter examines the particular characteristics of executive branches state by state

All the Water the Law Allows Christian S. Harrison,2021-08-12 As the population of the greater Las Vegas area grows and the climate warms the threat of a water shortage looms over southern Nevada But as Christian S Harrison demonstrates in *All the Water the Law Allows* the threat of shortage arises not from the local environment but from the American legal system specifically the Law of the River that governs water allocation from the Colorado River In this political and legal history of the Las Vegas water supply Harrison focuses on the creation and actions of the Southern Nevada Water Authority SNWA to tell a story with profound implications and important lessons for water politics and natural resource policy in the twenty first century In the state with the smallest allocation of the Colorado s water supply Las Vegas faces the twin challenges of aridity and federal law to obtain water for its ever expanding population *All the Water the Law Allows* describes how the impending threat of shortage in the 1980s compelled the five metropolitan water agencies of greater Las Vegas to unify into a single entity Harrison relates the circumstances of the SNWA s evolution and reveals how the unification of local county and state interests allowed the compact to address regional water policy with greater force and focus than any of its peers in the Colorado River Basin Most notably the SNWA has mapped conservation plans that have drastically reduced local water consumption and in the interstate realm it has been at the center of groundbreaking water sharing agreements Yet these achievements do not challenge the fundamental primacy of the Law of the River If current trends continue and the Basin States are compelled to reassess the river s distribution the SNWA will be a force and a model for the Basin as a whole

Nevada Michael S. Green,2015-03-23 Nevada A History of the Silver State

has been named a CHOICE Outstanding Title Michael S Green a leading Nevada historian provides a detailed survey of the Silver State s past from the arrival of the early European explorers to the predominance of mining in the 1800s to the rise of world class tourism in the twentieth century and to more recent attempts to diversify the economy Of the numerous themes central to Green s analysis of Nevada s history luck plays a significant role in the state s growth The miners and gamblers who first visited the state all bet on luck Today the biggest contributor to Nevada s tourist economy gaming still relies on that same belief in luck Nevada s financial system has generally been based on a one industry economy first mining and more recently gaming Green delves deeply into the limitations of this structure while also exploring the theme of exploitation of the land and the overuse of the state s natural resources Green covers many more aspects of the Silver State s narrative including the dominance of one region of the state over another political forces and corruption and the citizens often tumultuous relationship with the federal government The book will appeal to scholars students and other readers interested in Nevada history

The Westside Slugger John L. Smith,2019-01-07 The Westside Slugger is the powerful story of civil rights in Las Vegas and Nevada through the eyes and experience of Joe Neal a history making state lawmaker in Nevada Neal rose from humble beginnings in Mound Louisiana during the Great Depression to become the first African American to serve in the Nevada State Senate Filled with an intense desire for education he joined the United States Air Force and later graduated from Southern University studying political science and the law at a time of great upheaval in the racial status quo As part of a group of courageous men Neal joined a Department of Justice effort to register the first black voters in Madison Parish When Neal moved to southern Nevada in 1963 he found the Silver State to be every bit as discriminatory as his former Louisiana home As Neal climbed through the political ranks he used his position in the state senate to speak on behalf of the powerless for more than thirty years He took on an array of powerful opponents ranging from the Clark County sheriff to the governor of the state as well as Nevada s political kingmakers and casino titans He didn t always succeed he lost two runs for governor but he never stopped fighting His successes included improved rights for convicted felons and greater services for public education mental health and the state s libraries He also played an integral role in improving hotel fire safety in the wake of the deadly MGM Grand fire and preserving the pristine waters of Lake Tahoe which brought him national attention Neal lived a life that personified what is right just and fair Pushing through racial and civil rights hurdles and becoming a lifelong advocate for social justice his dedication and determination are powerful reminders to always fight the good fight and never stop swinging

Son of a Gambling Man Bob Miller,2025-09-23 A memoir of growing up in mob run Sin City from a casino heir turned governor who s seen two sides of every coin When Bob Miller arrived in Las Vegas as a boy it was a small dusty city a far cry from the glamorous exciting place it is today Driving the family car was his father Ross Miller a tough guy though a good family man who had operated on both sides of the law on some of the meaner streets of industrial Chicago The Miller family was as close and as warm as Ozzie and Harriet as long as you knew that Ozzie was a bookmaker

and a business acquaintance of some very dubious criminal types As Bob grew up so did Vegas now a town of some two million Ross Miller became a respectable businessman and partner in a major casino though he was still capable of settling a score with his fists And Bob went on to law school entering law enforcement and eventually becoming a popular governor of Nevada holding office longer than anybody in the state s history And the Miller family s legacy continues Bob s own son is presently serving as Secretary of State A warm family memoir the story of a city heir with just a little bit of The Godfather and Casino thrown in for spice *Son of a Gambling Man* is a unique and thoroughly memorable story **Neon Metropolis** Hal Rothman,2015-10-15 Praise for the Previous Edition 0 415 92612 2 lively and provocative this book will teach you something startling on nearly every page The New York Times Book Review Like the Emerald City Las Vegas glitters brightly in the vast Nevada desert a haven for refugees from ordinary America A hip iconic playground that exports nothing it nonetheless earns billions from consumer services alone gambling hotels gaming and entertainment It is historian Hal Rothman argues the quintessential city of the future As other cities try to mirror its success and huge respectable corporations like Coca Cola invest in a piece of the pie the very traits that have ostracized Las Vegas in the past hedonism money worship and permissiveness have today made it America s fastest growing urban center From the gambling driven mob run Sin City of the 1940s to the corporatization of the Strip as a respectable family entertainment center after the 1970s Las Vegas has shown incredible economic resilience and adaptability The first full account of America s new dream capital *Neon Metropolis* brilliantly shows how Las Vegas gambled on the post industrial service economy well before the rest of the country knew it was coming and won **Religious Interests in Community Conflict** Paul A. Djupe,Laura R. Olson,2007 This volume investigates some of the most visible issues in American politics today including gay marriage and race along with ongoing concerns that often fly below the radar of the mass media such as healthcare and homelessness The book uncovers and explores the political motivations effectiveness and interplay of organized religious interests as they confront public problems in their local communities **Nevada Historical Society Quarterly** Nevada Historical Society,2007

Encyclopedia of U.S. Campaigns, Elections, and Electoral Behavior Kenneth F. Warren,2008-04-04 Overall a first rate resource and yes pleasantly readable School Library Journal The Encyclopedia of U S Campaigns Elections and Electoral Behavior covers virtually everything one would want to know about American political campaigns With more than 450 entries these two comprehensive volumes present a significant array topics of campaigns elections and electoral behavior The encyclopedia s diverse content shows that although the subject matter of campaigns elections and electoral behavior is inherently related each topic has a distinct focus Key Features Presents topics in a straightforward easy to understand manner intentionally avoiding unnecessary technical language Includes entries written by electoral behavior scholars from around the country Focuses on American campaigns elections and electoral behavior but also provides a culturally and politically diverse perspective of American democratic practices and institutions Offers a rich campaign history by looking at

many colorful candidates corrupt yet intriguing political machines rapidly changing technologies campaign organizations and strategies Provides a description and scholarly analysis for all presidential elections including state and general elections Presents and simplifies complicated election laws that govern federal state and local elections Examines various efforts throughout the decades to reform elections especially from social upheaval and the resulting political realignments Includes extensive electoral research into the development of political opinions attitudes and ideologies in American voters Key Themes Ballot Issue Campaigns Campaigns Elections and the Law Corruption in American Campaigns and Elections Electoral Behavior of Various Groups Local Campaigns and Elections Media s Role in American Campaigns and Elections People Political Parties Interest Groups and American Campaigns and Elections Political Theory and Democratic Elections in America Polls Public Opinion and Campaigns and Elections Presidential Campaigns and Elections Reforming American Campaigns and Elections Running Political Campaigns Management Organization and Strategies Social and Psychological Dynamics of Electoral Behavior State and Congressional Campaigns and Elections History and State Profiles The Encyclopedia of U S Campaigns Elections and Electoral Behavior is an especially useful reference published to coincide with the 2008 presidential election This informative yet intriguing resource is a welcome addition to any academic or public library

Presidential Swing States David A Schultz,Rafael Jacob,2018-06-20 In this new and updated volume the contributors examine the phenomena of presidential swing states in the 2016 presidential election They explore the reasons why some states and now counties are the focus of candidate attention are capable of voting for either of the major candidates and are decisive in determining who wins the presidency
