## **The Application Of The European Convention On Human Rights:**

**The Application of the European Convention on Human Rights** James Edmund Sandford Fawcett, 1969 **The European Convention on Human Rights - Principles and Law** Carla M. Buckley, Krešimir Kamber, Pamela McCormick, David J. Harris, 2022-11-23 An indispensable guide for university students government officials and legal practitioners alike The European Convention on Human Rights Principles and law is the essential handbook for university students government officials lawyers and human rights advocates seeking a comprehensive and concise account of the case law generated under the European Convention on Human Rights Written by experts on the Convention it cites nearly 1 500 cases providing links to each case in the HUDOC database identifies key challenges and current legal developments provides suggestions for further reading on contentious issues is a companion text to Council of Europe s book The individual application under the European Convention on Human Rights Procedural guide by Linos Alexandre Sicilianos and Maria Andriani Kostopoulou **The Application of the European Convention on Human Rights to Military Operations** Stuart Wallace, 2019-04-11 An analysis of how the European Convention on Human Rights applies to military operations

**The individual application under the European Convention on Human Rights** Linos-Alexandre Sicilianos, Maria-Andriani Kostopoulou, 2019-06-27 An indispensable practical guide for any potential applicant and any legal professional This book which is a practical guide aimed at both professional lawyers and potential applicants clearly and comprehensively describes and analyses the main stages in the processing of an application before the organs of the European Convention on Human Rights Detailed descriptions are provided of the Convention system the Rules of the European Court of Human Rights and the procedures which the Court has developed to expedite and optimise case processing Crafted by two specialists on the Convention Linos Alexandre Sicilianos the current President of the European Court of Human Rights and Maria Andriani Kostopoulou a lawyer at the Greek Court of Cassation the book does not merely explain how to prepare and lodge an application in particular as regards the formal requirements and admissibility criteria it also presents a detailed assessment of a case by the various formations of the Court covering all stages right through to the conclusion of proceedings Finally having analysed the judicial stage the book goes on to describe the procedure for supervision of the execution of judgments before the Committee of Ministers of the Council of Europe **The Interpretation and Application of the European Convention of Human Rights** Malgosia Fitzmaurice, Panos Merkouris, 2012-12-07 The Interpretation and Application of the European Convention of Human Rights Legal and Practical Implications offers an analysis of important legal issues pertaining not only to the ECHR itself but also to the effect that it has on and also receives from other areas of international law The Impact of the European Convention on Human Rights on Private International Law Louwrens R. Kiestra, 2014-09-11 In this book the interaction between the rights guaranteed in the European Convention of Human Rights ECHR and private international law has been analysed by examining the case law of

the European Court of Human Rights the Court and selected national courts In doing so the book focuses on the impact of the ECHR on the three main issues of private international law jurisdiction applicable law and the recognition and enforcement of foreign judgments Next to a list of cases consulted and a comprehensive bibliography the book offers brief introductions to PIL and the ECHR for readers who are less familiar with either of the topics This makes the book not only a valuable tool for specialists and practitioners in the fields covered but at the same time a well documented basis for students and starting researchers specializing in either or both directions

**The Child and the European Convention on Human Rights** Ursula Kilkelly,2017-07-05 The European Convention on Human Rights is the most successful system for the enforcement of human rights in the world However to date its full potential for protecting children s rights has not been explored as attention has focused on the UN Convention on the Rights of the Child This unique book provides the first analysis of the extensive case law of the Commission and the Court of Human Rights on all issues concerning children and their rights This study is important as a study of the regional protection of children s rights and moreover the case law itself can be directly applied in the legal system of nearly every European country including the UK The book includes chapters on the rights of the child under the European Convention on Human Rights in relation to education protection from abuse the right to identity child care juvenile justice health care and immigration and the family It also explores the potential of the Strasbourg mechanism for the protection of children s rights and thus provides a practical and vital guide to the study and use of the European Convention in the broad area of children s rights

**Reforming the European Convention on Human Rights** Council of Europe. Steering Committee for Human Rights,Council of Europe,2009-01-01 The European ministerial conference on human rights meeting in Rome on the 50th anniversary of the Convention for the Protection of Human Rights and Fundamental Freedoms emphasised two crucial elements the responsibility of member states Parties to the Convention to ensure constantly that their law and practice conform to the Convention and to execute the judgments of the European Court of Human Rights that urgent measures be taken to assist the Court in carrying out its functions given the ever increasing number of applications An in depth reflection should be started as soon as possible on the various possibilities and options with a view to ensuring the effectiveness of the Court in the light of this new situation The Rome conference has sparked intensive work Ever since January 2001 the intergovernmental co operation activities of the Steering Committee for Human Rights CDDH of the Council of Europe have concentrated on developing normative instruments of which the most important has been Protocol No 14 to the Convention This work has benefited greatly from high level debates during a series of round table discussions within working groups and at seminars organised mainly by the successive presidencies of the Committee of Ministers The present volume contains a record of this work

Jacobs, White & Ovey: The European Convention on Human Rights Robin C A White,Clare Ovey,2010-03-18 The highly experienced and respected authors select the most important case law and give a highly authoritative concise account of the European Convention on

Human Rights Focuses on the European Convention itself rather than its implementation in any one member state and so is essential reading for human rights students across Europe Examines each Convention right in turn with a newly revised structure to map even more closely to human rights courses As a lecturer and a practitioner the authors are perfectly placed to provide up to date coverage of Strasbourg case law and explain it in a lively straightforward manner From publisher's website

Law of the European Convention on Human Rights David John Harris, Michael O'Boyle, Ed Bates, Carla Buckley, 2023 This seminal text offers a comprehensive account of the case law of the ECHR and its underlying principles It provides a guide to decisions under the Convention and its protocols article by article as well as explaining the history and likely development of the law

**The European Convention on Human Rights** Steven Greer, 2006-11-30 This book critically appraises the European Convention on Human Rights as it faces some daunting challenges It argues that the Convention's core functions have subtly changed particularly since the ending of the Cold War and that these are now to articulate an abstract constitutional model for the entire continent and to promote convergence in the operation of public institutions at every level of governance The implications from national compliance to European international relations including the adjudication of disputes by the European Court of Human Rights are fully explored As the first book length socio legal examination of the Convention's principal achievements and failures this study not only blends legal and social science scholarship around the theme of constitutionalization but also offers a coherent set of policy proposals which both address the current case management crisis and suggest ways forward neglected by recent reforms
