

# LENIN'S APRIL THESES

(APRIL 1917)

The April Theses made the most important contribution to the Bolshevik program, providing Lenin the program governing the Bolsheviks in reality and setting the ideological foundation for the future of Russia.

THE BOLSHEVIK PROGRAM  
FOR THE SOVIET UNION

# The April Theses

**Robert Service**

## **The April Theses:**

The April Theses, 1970      The April Theses Vladimir Il'ich Lenin, 2011      **The Communist Manifesto / The April Theses** Karl Marx, Friedrich Engels, V.I. Lenin, 2022-01-25

A new beautiful edition of The Communist Manifesto combined with Lenin's key revolutionary tract. It was the 1917 Russian Revolution that transformed the scale of The Communist Manifesto, making it the key text for socialists everywhere. On the centenary of this upheaval, this volume pairs Marx and Engels's most famous work with Lenin's own revolutionary manifesto, The April Theses, which lifts politics from the level of everyday banalities to become an art form. The Communist Manifesto: Let the ruling classes tremble at a Communist revolution. The proletarians have nothing to lose but their chains. They have a world to win. The Communist Manifesto is the most influential political book ever written; few others have fundamentally changed the world. The book remains both an essential guide to the transformations wrought by capitalism and presents the solution to its inequalities and exploitation. It was not until the 1917 Russian Revolution that the Manifesto became the key text for radicals; the world over, here it is coupled with Lenin's manifesto, The April Theses, picking up where Marx and Engels left off. This landmark edition includes a new introduction by Tariq Ali showing how the Russian Revolution changed the world and the horizon of political change and why its ambition is still relevant today. The April Theses: We must take the initiative in creating a revolutionary International, an International against the social chauvinists and against the Centre. In Lenin's April Theses, written in April 1917, he presented his ten directives, and they became the key programme for the revolution carried out that year. We present them here alongside his Letters from Afar, all written from exile in March 1917 to his comrades in Petrograd in the aftermath of the February revolution, offering advice and instructions to push the revolution onward. An introduction by Tariq Ali traces The Communist Manifesto's influence on Lenin's April Theses, the text that brought the manifesto to life and made it one of the most widely read books in history. April Theses Lenin, Vladimir Il'ich Lenin, 1994-05      *The April theses 1917-2017*, 2017

In March 1917 Vladimir Ilych Ulyanov, Lenin, leader of the revolutionary Bolshevik Party, left his exile in Zurich. Eight months later, he assumed the leadership of 160 million people occupying one sixth of the world's inhabited surface. On April 9th, 1917, with the support of German authorities at war with Russia, at the time he travelled back to his own country on a train across Germany, Sweden and Finland to reach Finland Station in St Petersburg on April 16th, where, after a decade in exile, he took the reins of the Russian Revolution. One month before Czar Nicholas II had been forced from power when Russian army troops joined a workers' revolt in Petrograd, the Russian capital. In a bullet-point document known as The April Theses, Lenin called for the overthrow of the Provisional Government and outlines the strategy which, within seven months, will lead to the October Revolution and bring the Bolsheviks to power. 100 years later, I created a chronology of two weeks of Lenin's life just before the events that changed Russia and the entire world. In search of the original draft of The April Theses, I recreated and sometimes reenacted on a real, non-invented trip Lenin's epic journey inspired by the archival documents I found at the R G A.

S P I Russian State Archive of Soviet Political History and historical books including *To Finland Station* by Edmund Wilson and *The Sealed Train* by Michael Pearson The final work is a collection of contemporary landscapes forensic archival photographs and staged self portraits which retrace a journey in space and time [The April Theses](#) Vladimir Il'ich Lenin,1975 **Marxism and the Leninist Revolutionary Model** W. Davidshofer,2014-09-11 This book explores Marxist and Leninist revolutionary theory Topics include the philosophical dialectic historical materialism the revolutionary movement and Communist cadre political rule in the socialist state Emphasis on Lenin s wartime political treatment of imperialism national self determination and socialism in one country [Lenin](#) James D. White,2017-03-14 A political and intellectual biographical study of Lenin which focuses on those aspects of his thought and political activities that had a bearing on the accession of the Bolsheviks to power in Russia in 1917 and the creation of the Soviet state The book places Lenin in the context of his times and shows his relationship to other socialist thinkers In particular it locates Lenin within the development of Marxist thought in Russia Its historiographical chapter reveals the political factors which influenced the way biographies of Lenin were written in the Soviet Union The book makes extensive use of first hand materials including sources from the Russian archives *The New Reformism and the Revival of Karl Kautsky* Douglas Greene,2024-06-06 This text offers an authoritative historiography of German socialist theorist Karl Kautsky and his impact on debates about the Russian Revolution and the contemporary left Known as the Pope of Marxism Douglas Greene examines the totality of Kautsky s political career and dissects the fundamental opportunism and passive radicalism that defined his Marxism He later examines the most substantive Marxist critics of Kautsky namely Rosa Luxemburg V I Lenin and Leon Trotsky while offering a critical assessment of the work produced by scholars and activists Lars Lih Eric Blanc and Mike McNair seeking to revive Kautsky *The New Reformism and the Revival of Karl Kautsky* is an important addition to scholarship on the subject and a valuable resource for those interested in the Russian Revolution German politics socialism Marxism and contemporary left wing debates **Lenin and the Making of the Soviet State** NA NA,2016-04-30 Vladimir Ilich Lenin 1870 1924 led the first successful revolt against market based liberal democracy and founded the Soviet State in 1917 serving as the new nation s chief architect and sole ruler for the next five years This collection of primary sources allows readers to learn about Lenin through his own words and emphasizes Lenin s actions rather than his ideology Jeffrey Brooks and Georgiy Chernyavskiy have translated newly available documents that make it possible to provide a more accurate portrait of a ruthless political strategist whose actions created a new political economic social and cultural system that in its heyday challenged the military technological and cultural might of the United States Document headnotes a chronology questions for consideration and a selected bibliography offer additional pedagogical support and encourage students to analyze the actions and beliefs of a man who transformed world history and whose legacy continues to affect social and political movements throughout the world **Lenin** Robert Service,2011-02-21 Lenin is a colossal figure whose influence on twentieth century history cannot be

underestimated Robert Service has written a calmly authoritative biography on this seemingly unknowable figure Making use of recently opened archives he has been able to piece together the private as well as the public life giving the first complete picture of Lenin This biography simultaneously provides an account of one of the greatest turning points in modern history Through the prism of Lenin s career Service examines events such as the October Revolution and the ideas of Marxism Leninism the one party state economic modernisation dictatorship and the politics of inter war Europe In discovering the origins of the USSR he casts light on the nature of the state and society which Lenin left behind and which have not entirely disappeared after the collapse of the Soviet regime in 1991 Immensely scholarly but also vivid and readable This is a splendid book much the best that I have ever read about Lenin I was overwhelmed by the power and vividness of this portrait Dominic Lieven Sunday Telegraph He has managed skilfully to depict the surreal life of an obsessive brilliant and stubborn individual Guardian Lenin s life was politics but Service has succeeded in keeping Lenin the man in focus throughout This book deserves a place among the best studies of one of the most fascinating figures in modern history Harold Shukman The Times

*The development of the Soviet Economy Vol 1* Erdogan A,2022-07-04 The development of the Soviet Economy NEP 1917 1954 *The Bloomsbury Handbook of the Russian Revolution* Geoffrey Swain,Charlotte Alston,Michael C. Hickey,Boris Kolonitskii,Franziska Schedewie,2022-12-15 Through 30 interpretative essays The Bloomsbury Handbook of the Russian Revolution sees an international team of leading scholars comprehensively examine Russia s revolutionary years In the wake of the 2017 centenary this handbook is the first reference point for anyone wishing to learn more about the changes which took place in Russia between 1917 and 1921 and subsequently the 20th century Split into six sections covering political crises politicians and parties social groups identities regions and peoples and civil war the volume covers the collapse of Tsarism and the February Revolution the emergence of the Provisional Government and major historical figures such as Lenin Kerensky and the Socialist Revolutionary leader Viktor Chernov It also explores the events surrounding the Bolshevik seizure of power in October 1917 the first year of Soviet Government until the Bolshevik dictatorship was established and the impact on Russia of the subsequent civil war The focus is broader than these issues of high politics however since this handbook also considers events in the provinces as well as revolutionary Petrograd and examines the social impact of the revolution in terms of class gender age and culture *The Red Horizon* Pasquale De Marco,2025-03-22 In the annals of history few events have left an imprint as profound as the Russian Revolution This comprehensive and captivating book takes readers on a journey through the tumultuous years that transformed Russia exploring the intricate web of factors that led to the revolution the dramatic events that unfolded and the far reaching consequences that reverberated across the globe With vivid prose and meticulous research the book delves into the twilight of the Romanov dynasty a ruling family steeped in tradition yet oblivious to the growing discontent among their subjects It examines the rise of revolutionary sentiment fueled by economic disparities social injustices and the influence of Western ideas The Russo Japanese War and the subsequent

1905 Revolution serve as harbingers of change setting the stage for the cataclysm to come The book brings to life the key players in this historical drama Vladimir Lenin the enigmatic Bolshevik leader whose unwavering determination and ideological fervor propelled the revolution Alexander Kerensky the head of the Provisional Government struggling to maintain order amidst chaos and Nicholas II the last Romanov tsar whose abdication marked the end of an era The narrative unfolds with gripping detail recounting the events of the February and October Revolutions the bitter civil war that ensued and the consolidation of Bolshevik power It explores the New Economic Policy NEP a delicate balancing act between socialism and capitalism and the ambitious Five Year Plans which transformed Russia into an industrial powerhouse Yet the book also delves into the darker aspects of this period shedding light on Stalin s Great Purge a reign of terror that decimated the Bolshevik Party and instilled an atmosphere of fear and paranoia The Gulag system a vast network of forced labor camps becomes a symbol of Stalin s oppressive regime Ultimately the book offers a comprehensive analysis of the Russian Revolution examining its causes consequences and legacy It provides readers with a deeper understanding of this pivotal event its impact on modern history and the enduring lessons it holds for generations to come If you like this book write a review

The Oxford Handbook of the History of Communism S. A. Smith, 2014 Draws on documentation released since the fall of the Soviet Union to offer a global history of communism in the twentieth century

*All Power to the Soviets* Tony Cliff, 2004 Volume 2 of Tony Cliff s biography of Lenin

*Revolutionary Marxism in Spain, 1930-1937* Alan Sennett, 2014-07-03 Revolutionary Marxism in Spain 1930 1937 examines the impact of Trotsky s political thought upon those Spanish communists who dissented from the general line laid down by Moscow It explores the political ideas of leading POUM figures Andreu Nin and Joaqu n Maur n and their complex relationship with Trotsky The contention is that the POUM owed far more to Trotsky than many of the party s historians care to admit Drawing heavily upon Spanish sources the book seeks to present and explain the POUM s political ideas in order to understand why the party adopted the positions it did The author engages with broader scholarly debates around the role of the POUM in the Spanish Civil War and Revolution especially those surrounding the Popular Front

**Quoth the Maven** William Safire, 2011-11-09 The Pulitzer Prize winning columnist discusses contemporary figures of speech from witty stories about expressions such as kiss and tell and stab in the back to the evolution of read my lips NOTE This edition does not include illustrations

**The October Revolution in Prospect and Retrospect** John Eric Marot, 2012-06-08 John Marot tracks the development of Bolshevism from its inception in 1904 to the October Revolution in 1917 In the post October period the author drawing on the work of Robert Brenner shows that any NEP premised programme of economic advance was destined to fail

Lenin: A Political Life Robert Service, 2016-07-27 In this second volume of his Lenin trilogy Robert Service builds on the approach established in the first He emphasises the extraordinary circumstances in Russia and the world enabling Lenin to come to power in 1917 He also details ways whereby Lenin led a turbulent Bolshevik party and adjusted its policies so as to gain authority in the soviets

Lenin the crafty and pragmatic politician as well as the utopian and merciless class warrior are portrayed
