Nydell, 2018-05-01 The definitive guide to understanding Arab culture for three decades For nearly three decades diplomats students business people and governments have relied on Dr Margaret Nydell's seminal work as the essential guide to comprehending an immensely varied culture Covering all aspects of Arab life from religion and society to social norms and communication styles this all encompassing guide reveals what the often misunderstood Arab culture is really like Each chapter including the examples all statistics and charts and each country overview has been extensively updated to reflect current events This candid and readable guide for non specialists promotes understanding between modern day Arabs and Westerners without pushing a political agenda It beautifully captures the contrasts and characteristics of a great largely misunderstood civilization and brings them vividly to life This highly anticipated sixth edition features completely new material in the following sections Introduction Patterns of Change Chapter 5 Men and Women changes in women's rights Chapter 11 Islamic Fundamentalism and the inclusion of ISIS Chapter 12 Anti Americanism including implications for Europe Chapter 13 Arabs and Muslims in the West Chapters 14 15 and 16 Arab Countries      Representations of the Orient in Western Music Nasser Al-Tae, 2017-07-05 This book focuses on the cultural political and religious representations of the Orient in Western music Dr Nasser Al Tae traces several threads in a vast repertoire of musical representations concentrating primarily on the images of violence and sensuality Al Tae argues that these prevailing traits are not only the residual manifestation of the Ottoman threat to Western Europe but also the continuation of a long and complex history of fear and fascination towards the Orient and its Islamic religion In addition to analyses of musical works Al Tae draws on travel accounts paintings biographies and political events to engage with important issues such as gender race and religious differences that may have contributed to the variously complex images of the Orient in Western music The study extends the range of Orientalism to cover eighteenth century Austria nineteenth century Russia and twentieth century America The book challenges those scholars who do not see Orientalism as problematic and tend to ignore the role of musical representations in shaping the image of the Other within a wider interdisciplinary study of knowledge and power      **Middle East, the Strategic Hub** Army Library (U.S.), 1978      Islamophobia Naved Bakali, 2016-11-25 The 9 11 terror attacks and the ensuing War on Terror have profoundly impacted Muslim communities across North America Islamophobia Understanding Anti Muslim Racism through the Lived Experiences of Muslim Youth is a timely exploration of the experiences of young Canadian Muslims and the challenges they have encountered since 9 11 Through framing anti Muslim racism or Islamophobia from a critical race perspective Naved Bakali theorizes how racist treatment of Muslims in public and political spheres has been mediated through the War on Terror Furthermore he examines

the lived experiences of Muslim youth as they navigate issues relating to race gender identity and politics in their schools and broader society This book uncovers systemic bias and racism experienced by Muslim youth in a climate that is increasingly becoming hostile towards Muslims Ultimately the findings detailed in this work suggest that anti Muslim racism in the post 9 11 era is inextricably linked to the effects of the War on Terror in the North American context Moreover Islamophobia is also impacted by localized practices policies and nationalist debates This book is a unique contribution to the field of anti racism education as it examines systemic and institutionalized racism towards Muslims in Canadian secondary schools in the context of the War on Terror

Brazilian Evangelical Missions in the Arab World Edward L. Smither,2012-07-20 From a mission field to a missions sender These words capture the story of the Brazilian evangelical church which has gone from receiving missionaries in the nineteenth and twentieth centuries to becoming a movement that presently sends out more global laborers than the churches of England or Canada do After narrating Brazil s missional shift in this volume Smither addresses one fascinating element of the story Brazilian evangelical efforts in the Arab world How have Brazilians adapted culturally among Arabs how have they approached ministry and how have they cultivated a theology of mission in the process Brazilian Evangelical Missions in the Arab World gives the reader insights from one emerging missions movement with an eye toward a more comprehensive view of the global church
