## **The Arbitrary Sword:**

The Arbitrary Sword Diane Goshgarian,1998-03-01 The Arbitrary Sword takes the reader to a small village in Ottoman Turkey where Victoria an Armenian girl lives with her parents and with Nikol a young rebel fugitive The story opens in 1895 during an outbreak of violence and it is here that Victoria first witnesses the hatred the Turks hold for her people Victoria s early life is spent in the protected heart of her family but as she moves from childhood to adulthood from innocence to maturity if she is to survive she must triumph first over personal disasters and later over the government s mission to rid itself of the Armenian population in Turkey      *Theological and Homiletical Commentary on the Gospel of St. Matthew* Johann Peter Lange,1867      *The Wycliffe Bible Commentary* Charles Pfeiffer, Everett Harrison,1962-06-01 You love God You long to know Him more intimately to see Him face to face Now is the time to dig deeper into the Scriptures to see the Bible come alive for you chapter by chapter sentence by sentence word by word Written by forty eight leading Bible scholars this powerful handbook walks you through the entire text of the Old and New Testaments primarily in the KJV From the majestic Genesis account of all the Creator brought into being to Christ s words at the end of Revelation Yea I come quickly you ll find insights to help you wrap your heart and mind around God s Word in the pages of The Wycliffe Bible Commentary INCLUDES BONUS MATERIAL Commentary on Romans from The Moody Bible Commentary Michael Vanlaningham professor of New Testament at Moody Bible Institute introduces Romans and then takes you through it verse by verse Known as Paul s most thorough treatment on Christian doctrine Romans explores sin faith and God s redemptive purposes for the world in Jesus Familiarity with this famous letter is indispensable for growth and maturity in your Christian faith      **Theological and Homiletical Commentary on the Gospel of St-Matthew and St-Mark** Johann Peter Lange,1863      **Lange's Commentary on the Holy Scripture, Volume 6** Lange, John Peter , All sixty three of the original volumes are included in a nine volumes set There are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject Lange s Commentary on the Old and New Testaments translated revised edited and enlarged from the German editions of John Peter Lange and many contributors and edited by Philip Schaff Lange s Commentary on the entire Bible has remained one of the most useful and valuable work of its kind It is conservative in theology and universal in hermeneutics Delmarva Publications is proud to make it available in digital format The original work was completed in 63 volumes but we have made it available in 9 volumes they are Volume 1 Genesis to Ruth Volume 2 1 Samuel to Esther Volume 3 Job to Ecclesiastes Volume 4 Song of Songs to Lamentations Volume 5 Ezekiel to Malachi Volume 6 Matthew to John Volume 7 Acts to 2 Corinthians Volume 8 Galatians to 2 Timothy Volume 9 Titus to Revelation      *Living by the Sword* Kristen Brooke Neuschel,2020-11-15 Sharpen your knowledge of swords with Kristen B Neuschel as she takes you through a captivating 1 000 years of French and English history Living by the Sword reveals that warrior culture with

the sword as its ultimate symbol was deeply rooted in ritual long before the introduction of gunpowder weapons transformed the battlefield Neuschel argues that objects have agency and that decoding their meaning involves seeing them in motion bought sold exchanged refurbished written about displayed and used in ceremony Drawing on evidence about swords from wills inventories records of armories and treasuries in the possession of nobles and royalty she explores the meanings people attached to them from the contexts in which they appeared These environments included other prestige goods such as tapestries jewels and tableware all used to construct and display status Living by the Sword draws on an exciting diversity of sources from archaeology military and social history literature and material culture studies to inspire students and educated lay readers including collectors and reenactors to stretch the boundaries of what they know as the war and culture genre

**Premodern Masculinities in Transition** Konrad Eisenbichler, Jacqueline Murray, 2024 Sheds new light on how masculinity was understood lived performed and viewed during a period of huge change Premodern masculinity was multivalent and dynamic a series of intersecting conflicting and mutating identities that nevertheless were distinct and recognizable to people and their societies The articles collected here examine a variety of means by which masculinity was constructed deconstructed and transformed across time geographies and cultures Articles range across the twelfth to seventeenth century from western Europe to the Volga Ural region from the Christian west to the Muslim east from Ottomans to Mongols and Persians from Baudri of Bourgueil to Blaise de Monluc while topics include the chivalric hero the effeminate man beards and spurs represented variously in literature historical documents and art Finally in that period of great transformation that is the sixteenth century they show how masculinity moved away from the traditional and recognizable to become something different and distinct from its premodern expressions Defoe's Review 1704-13, Volume 2 (1705), Part II John McVeagh, 2024-11-01 Defoe's Review is one of the earliest examples of the political periodical which became popular in the 18th century publishing a regular political essay and discussion on current affairs This volume on France runs from February to December 1705 in 127 parts *The Sorcerer of Bayreuth* Barry Millington, 2012-10-29 Richard Wagner 1813-1883 is one of the most influential and also one of the most controversial composers in the history of music Over the course of his long career he produced a stream of spellbinding works that challenged musical convention through their richness and tonal experimentation ultimately paving the way for modernism This book presents an in depth but easy to read overview of Wagner's life work and times It considers a wide range of themes including the composer's original sources of inspiration his fetish for exotic silks his relationship with his wife Cosima and with his mistress Mathilde Wesendonck the anti-Semitism that is undeniably present in the operas their proto-cinematic nature and the turbulent legacy both of the Bayreuth Festival and of Wagnerism itself Making use of the very latest scholarship much of it undertaken by the author himself in connection with his editorship of The Wagner Journal Millington reassesses received notions about Wagner and his work demolishing ill informed opinion in favour of proper critical understanding It is a radical and occasionally

controversial reappraisal of this most perplexing of composers The volume's arrangement unique among books on the composer combines an accessible text intriguing images and original documents thus ensuring a consistently fresh approach Bringing new insights to an endlessly fascinating subject The Sorcerer of Bayreuth will charm anyone interested in music and in the wider cultural life of the 19th century and beyond Immortal Descending Zhou Shao,2020-06-06 AD 2012 October

Analytical Archaeology David L. Clarke, 2014-10-24 This study was well established as a pioneer work on archaeological methodology the theoretical basis of all archaeological analysis whatever the period or era The first edition of the book presented and evaluated the radical changes in methodology which derived from developments in other disciplines such as cybernetics computer science and geography during the 1950s and 60s It argued that archaeology was a coherent discipline with its own methods and procedures and attempted to define the entities attributes artefacts types assemblages cultures and culture groups rigorously and consistently so that they could be applied to archaeological data The later edition continued the same general theory which is unparalleled in its scope and depth adding notes to help understanding of the advances in method and theory to support the student and professional archaeologist Review of the original publication One might venture that this is the most important archaeological work for twenty or thirty years and it will undoubtedly influence several future generations of archaeologists The Times Literary Supplement
