Mural Decoration in the Theban Necropolis Betsy M. Bryan, Peter F. Dorman, 2023-04-10. The tombs and mortuary temples of Thebes have proved an enduring topic of interest thanks to a quickly expanding corpus of field materials and a series of conferences devoted to the subject. This volume, the fourth in a series of occasional proceedings from the ongoing Theban Workshop, presents new research on wall decoration in the Theban necropolis. Its thirteen essays by an international array of leading scholars attest to the wide and varied scope of the theme. **Kashmir's Necropolis** Amrita Ghosh, 2023-12-11. Kashmir's Necropolis: New Literatures and Visual Texts is an interdisciplinary book that studies literary texts, film, photography, and art to understand the different forms of violence represented in the cultural productions from and on Kashmir. The author argues that selected texts present how the long conflict in the postcolonial nation-state transforms the Kashmiri body, the space, setting the relationship between the subject and its natural world under different forms of violence. Each chapter showcases a form of representational and textual violence that emphasizes the shifts from biopolitical to necropolitical violence and also includes specific forms of violence such as epicolonialism, horrorism, and hauntings in Kashmir's landscape. The book also delves into how the concepts of agency, resistance, and resilience in these different texts necessitate new poetics of looking at Kashmir. The conflicted space of Kashmir has always been located within the politics of representation, and this book investigates a problem in taxonomy within postcolonial discourses to articulate unique forms of violence in such a conflicted space. *"Horror Plum'd"*, 2002.
