

Eating Poetry By Mark Strand

Ink runs from the corners of my mouth.
There is no happiness like mine.
I have been eating poetry.

The librarian does not believe what she sees.
Her eyes are sad
and she walks with her hands in her dress.

The poems are gone.
The light is dim.
The dogs are on the basement stairs and coming up.

Their eyeballs roll,
their blond legs burn like brush.
The poor librarian begins to stamp her feet and weep.

She does not understand.
When I get on my knees and lick her hand,
she screams.

I am a new man.
I snarl at her and bark.
I romp with joy in the bookish dark.

The Eating Of Names Poems:

The Eating of Names Michael H. Akillian, 1983 **Food, Poetry, and the Aesthetics of Consumption** Michel Delville, 2012-08-06 From Plato's dismissal of food as a distraction from thought to Kant's relegation of the palate to the bottom of the hierarchy of the senses the sense of taste has consistently been devalued by Western aesthetics Kant is often invoked as evidence that philosophers consider taste as an inferior sense because it belongs to the realm of the private and subjective and does not seem to be required in the development of higher types of knowledge From a gastrosophical perspective however what Kant perceives as a limitation becomes a new field of enquiry that investigates the dialectics of diet and discourse self and matter inside and outside The essays in this book examine the importance of food as a pivotal element both materially and conceptually in the history of the Western avant garde From Gertrude Stein to Alain Robbe Grillet and Samuel Beckett from F T Marinetti to Andy Warhol from Marcel Duchamp to Eleanor Antin the examples chosen explore the conjunction of art and foodstuff in ways that interrogate contemporary notions of the body language and subjectivity *The Poets and Poetry of America* Rufus Wilmot Griswold, 1845 One of the most important American poetry anthologies of the nineteenth century including the works of nearly every major and minor poet of the day selected by Edgar Allan Poe's future literary executor Poets included are Longfellow Lowell Whittier Holmes Bryant Emerson Jones Very William Gilmore Simms Christopher P Cranch Richard Henry Dana and an impressive selection of female poets now mostly forgotten Sigourney Gould Brooks Mrs Seba Smith Hall Embury Ellett Dinnies Welby Hooper Davidson **Poems for Building Reading Skills Level 1** Timothy Rasinski, Karen McGuigan Brothers, 2010-03-15 Enchant and motivate beginning readers with poetry that is fun to read and perform Coauthored by fluency expert Timothy Rasinski this creative resource for grade 1 students encourages fluency and word study through playful original content that will engage both reluctant and skilled readers The easy to use standards based lessons and purposeful activity pages address key literacy skills Each book also includes an Audio CD that can be used to support fluency and comprehension *Phonics Through Poetry* Babs Bell Hajdusiewicz, 1998-09 Carefully prepared lessons use the rhythm and rhyme of poetry to teach phonics This book's 115 read aloud poems some from well known children's authors like Norma Farber Maurice Sendak John Ciardi and Jack Prelutsky others written specially for this book immerse children in particular language sounds again and again in word after word within an exciting context Each poem comes with teaching apparatus comprising word lists using the targeted sound a focusing task to cement and extend students connection to the poem and an idea for a hands on activity Photocopy masters supply letter cards for sounds the book targets Multiple indexes by the poem's first line by title by sound and so on aid ease of use Grades preK 1 Illustrated Good Year Books *Edward Lear and the Play of Poetry* James Williams, Matthew Bevis, 2016-08-25 Of all the Victorian poets Edward Lear has a good claim to the widest audience admired and championed by critics and poets from John Ruskin to John Ashbery he has also been read heard and loved by generations of children As a

central figure in the literature of nonsense Lear has also shaped the evolution of modern literature and his work continues to influence and inspire writers and readers today This collection of essays the first ever devoted solely to Lear builds on a recent resurgence of critical interest and asks how it is that the play of Lear s poetry continues to delight and to challenge our sense of what poetry can be These seventeen chapters written by established and emerging critics of poetry seek to explore and appreciate the playfulness embodied in the poems and to provide contexts in which it can be better understood and enjoyed They consider how Lear s poems play off various inheritances the literary fool Romantic lyric his religious upbringing explore particular forms in which his playful genius took flight his letters his queer writings about love and trace lines of Learical influence and inheritance by showing how other poets and thinkers across the nineteenth and twentieth centuries played off Lear in their turn Joyce Stein Eliot Auden Smith Ashbery and others

Hebrew Poetry from Late Antiquity Wout van Bekkum, 2018-12-10 The discovery of the Genizah manuscript collection is nothing less than a revolution for the knowledge of Hebrew literature and Jewish culture in Late Antiquity and the Middle Ages One of the main results of one hundred years of Genizah research is the rediscovery of Hebrew liturgical poetry which shed much light on various aspects of Jewish studies For the last half century it has been almost commonplace to discover new poems unknown poets novel uses of poetry and unfamiliar poetic versions of familiar prose texts within liturgical settings being revealed among the manuscripts and manuscript fragments The products of the composers and reciters of synagogue poetry convincingly demonstrate the importance of poetry in Jewish worship and communal life The major corpora of Palestinian liturgical poetry bear evidence to the prolific literary activity of a number of famous poets who laid the foundations for the development of Hebrew poetry in later periods Yossi ben Yossi Yannai Simon bar Megas Elazar birabbi Kilir and Yohanan ha Kohen One of these mostly Byzantine Jewish melodists was Yehudah who composed a cycle of poems in accordance with the reading tradition of the Pentateuch and Prophets on the sabbath This study presents Yehudah s oeuvre with commentaries and deals with its historical and literary context in four introductory chapters The edition is complemented by indices and a bibliography
