

The Elijah Generation

**Calling Men to be Prepared and to
Prepare Their Families, the Church, and
the World for the Coming of the Lord**

A silhouette of a family of six (two adults and four children) walking hand-in-hand across a field towards a bright sunset. The sun is low on the horizon, creating a strong backlight effect. The family is positioned in the lower right quadrant of the image. The field is dark and textured, and there are some trees or bushes on the left side of the horizon.

The Elijah Generation Randall Billings, 2005-06-01 Are you ready for revival in America We are living prophetically in a day when the need for true prophetic preaching and fire is greatly and urgently needed in our churches Many pastors have succumbed to worldly and fleshly entertaining methods to keep their crowds happy The church though has reached that level of spiritual decline that we refer to as the apostasy 2 Thessalonians 2:3 We talk about revival but any talk of revival if it is lacking true heart repentance and a hunger for the fruit of holiness is merely a deception or the end result of an emotional religious substitute denying any real move of God It is now time for America and the church to come back to the Lord Jesus Christ passionately and zealously That is why the church needs the prophetic ministry of Elijah because only the prophetic spiritual fire of God will produce a spirit of true repentance and heart surrender necessary for national revival As you read The Elijah Generation you will be spiritually challenged and encouraged to identify foundational truths concerning true revival in America and as well why we need the spirit of Elijah as never before in the history of our nation and churches Bio R J Billings has spent most of his twenty nine years of ministry as pastor and teacher living in and learning about God s lessons in the desert His ministry and writing style are patterned prophetically in the passionate revival fire of an Elijah or John the Baptist The church in America needs the restoration of a true prophetic voice that represents the heart of God not human traditions or dogmas of men R J Billings has traveled throughout Canada and the United States and has written three books The Enoch Generation The Elijah Generation and The Glorious Church He holds earned degrees from Northwest College B A and Trinity Theological Seminary M A and M Div R J Billings has been married to his wife Rachel for over twenty eight years and has four wonderful adult children that together serve as a continuous inspiration for his ministry and writing
