The Elusive Eden A New History Of California:

The Elusive Eden Richard B. Rice, William A. Bullough, Richard J. Orsi, Mary Ann Irwin, 2017-03-17 California is a region of rich geographic and human diversity The authors of The Elusive Eden masterfully balance the varying environmental and cultural forces that have shaped the history of the most populous of the United States California s story is told with a narrative integrating the area s north south coastal interior and urban rural dichotomies Questions of the role that Californians of every race ethnicity and gender are considered reflecting the significant contribution each has made to make California what it is The book s organization follows a chronological approach but each part begins with a feature chapter centered around a particular theme of that period By focusing on individuals or groups affecting a given period the authors bring California history to life and encourage deeper thought about the issues facing Californians of the time The Elusive Eden Richard B. Rice, William A. Bullough, Richard J. Orsi, Mary Ann Irwin, 2017-03-20 *The Elusive Eden: A New History of California* William Bullough, Mary Ann Irwin, Richard Rice, Richard Orsi, 2011-09-13 The Elusive Eden charts the historical development of California beginning with landscape and climate and the development of Native cultures and continues through the census of 2010 and the election of Jerry Brown to his third term as governor It portrays a land of remarkable richness and complexity settled by waves of people with diverse cultures from around the world Organized in ten parts each part develops a major theme or issue in the chronological development of the state The first chapter in Parts II through IX is an in depth narrative spotlight of an individual or group at a critical moment of change In Parts I and X the first chapter helps to place California s whole story in context For additional resources please see co author Mary Ann Irwin s site <http://www.TeachingElusiveEden.com> **The Elusive Eden** Richard B. Rice, William A. Bullough, Richard J. Orsi, Mary Ann Irwin, Michael F. Magliari, Cecilia M. Tsu, 2019-09-13 California is a region of rich geographic and human diversity The Elusive Eden charts the historical development of California beginning with landscape and climate and the development of Native cultures and continues through the election of Governor Gavin Newsom It portrays a land of remarkable richness and complexity settled by waves of people with diverse cultures from around the world Now in its fifth edition this up to date text provides an authoritative original and balanced survey of California history incorporating the latest scholarship Coverage includes new material on political upheavals the global banking crisis changes in education and the economy and California s shifting demographic profile This edition of The Elusive Eden features expanded coverage of gender class race and ethnicity giving voice to the diverse individuals and groups who have shaped California With its continued emphasis on geography and environment the text also gives attention to regional issues moving from the metropolitan areas to the state s rural and desert areas Lively and readable The Elusive Eden is organized in ten parts Each chronological section begins with an in depth narrative chapter that spotlights an individual or group at a critical moment of historical change bringing California history to life *Outlines and Highlights for Elusive Eden* Cram101 Textbook Reviews, 2011-08-01 Never HIGHLIGHT a

Working People of California Daniel Cornford, 2023-11-15

From the California Indians who labored in the Spanish missions to the immigrant workers on Silicon Valley's high tech assembly lines California's work force has had a complex and turbulent past marked by some of the sharpest and most significant battles fought by America's working people This anthology presents the work of scholars who are forging a new brand of social history one that reflects the diversity of California's labor force by paying close attention to the multicultural and gendered aspects of the past Readers will discover a refreshing chronological breadth to this volume as well as a balanced examination of both rural and urban communities Daniel Cornford's excellent general introduction provides essential historical background while his brief introductions to each chapter situate the essays in their larger contexts A list of further readings appears at the end of each chapter This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995 Urban Farming in the West Robert Carriker, 2010-04-15 From 1933 to 1935 the federal government's Division of Subsistence Homesteads created thirty four New Deal communities that sought to provide a healthier and more economically secure life for disadvantaged Americans These settlements were designed to combine the benefits of rural and urban living by offering part time farming uplifting social functions and inexpensive homes Four were located in the West in Phoenix Arizona El Monte and San Fernando California and Longview Washington Robert Carriker examines for the first time the intricate histories of these subsistence homestead projects which have long been buried in bureaucratic records and clouded by misunderstanding showing that in many ways they were among the agency's most successful efforts He provides case studies of the projects rescuing their obscure histories using archival documents and rare photographs He also reveals the machinations of civic groups and private citizens across the West who jockeyed for access to the funds being allotted for New Deal community building By describing what took place on these western homesteads Carriker shows that the DSH's agenda was not as far fetched as some have reported The tendency to condemn the Division and its projects he argues has failed to appreciate the good that came from some of the individual homestead communities particularly those in the Far West Although overshadowed by the larger undertakings of the New Deal some of these western communities remain thriving neighborhoods living legacies to FDR's efforts that show how the country once chose to deal with economic hardship Too often the DSH is noted for its failures Carriker's study shows that its western homesteads were instead qualified accomplishments **A Golden State** Marlene Smith-Baranzini, 1999 A collection of essays on mining and economic development in California from the Gold Rush through the end of the 19th century This is the second in a series of four volumes commemorating the state's sesquicentennial
