Donald Harman Akenson

The End Of Time:

Discovering the End of Time Donald Harman Akenson, 2016-04-11 A masterful study of the origins of apocalyptic millennialism which lies at the heart of evangelical Christianity *Get to the End* Michael Hickey, 2016-03-07 Get to the End is written about the end times i e the end of the world and history as we know it But it is written from a Catholic perspective There are many books on the market that speak to the end times however they are all written from a Protestant perspective and for the most part they are written by Christians from conservative churches who are generally Fundamentalist Christians There are virtually no books written about the end times from a Catholic perspective The few that have been written with a Catholic perspective of the end times have been written for the most part by Catholic priests and they are generally weighed down heavily in doctrine and dogma This will be one of the first on the subject written by a Catholic layman who has a broader perspective than Catholic Doctrine and Dogma and who views himself as uniquely in the world but not of the world

The End Times in Chronological Order Ron Rhodes, 2012-08-01 Bible prophecy expert Ron Rhodes offers an easy to understand yet detailed chronology and explanation of end times events The chapters are arranged around the major end times themes the rapture the tribulation the millennial kingdom and the eternal state Each chapter begins with a list of the specific events it covers making this an extremely user friendly chronological guide to end times biblical prophecy Rhodes allows for various interpretations among Christians Yet the sequence he describes is faithful to the biblical text based on a literal approach to prophecy and held by many Bible scholars As readers discover that they really can understand Bible prophecy they will come to love and trust the Scriptures like never before *The Lost Message of the End Times* Ian Miller, 2021-08-05 The second coming is perhaps the most confusing controversial and contentious of biblical doctrines In *The Lost Message of the End Times* Ian Miller guides the reader through the many Old and New Testament prophecies that speak of Jesus s return As he does so he brings their powerful hope filled faith inspiring and life changing message to life With clear and easily understood explanations this book will show you how the Scriptures reveal a world of promise not fear a kingdom present not to come and the powerful bride as she is not one that needs to be raptured away **Unveiling the End Times in Our Time** Adrian Rogers, Steve Rogers, 2013-09-15 The one who reads this is blessed and those who hear the words of this prophecy and keep what is written in it are blessed because the time is near Revelation 1 3 HCSB Respected Bible teacher and beloved pastor Adrian Rogers takes readers on a breathtaking journey through the blessing book of Revelation with *Unveiling the End Times in Our Time* Indeed Revelation offers every Christian believer a dramatic and hope filled overview of what the end of days will be like Although some think Revelation is confusing or even scary with its talk of dragons and beasts the text contains a proper understanding of where his tory is headed Rogers makes clear how the signs of the times already reveal God s plan for bringing his people to full redemption empowering us to live boldly while expecting the return of King Jesus as the triumphant Lamb **Signs of the End Time 21st Century Fulfilment of the Bible**

Prophecy Matthew 24 Pastor Amoah Da Costa, 2017-08-09 God has revealed himself to his servant to write this great revelation about the signs of the End Times according to the biblical prophecy and its fulfilment in these last evil days of mass media as predicted by the Lord Jesus Christ there will be wars famine earthquakes and a false Messiah This book is the result of ten years of studying and meditation of the book of Matthew chapter 24 as directed by the Holy Spirit to make people aware of the End Times signs and to awaken humanity about the End Times and get people ready for the coming of the Lord Jesus Christ Signs of the End Times as Predicted by Christ The destruction of the temple foretold Many shall come in my name saying I am Christ Rumours of wars Famines and pestilences Earthquakes in diverse places False prophets shall rise False prophets The Gospel must be preached as a witness Great tribulation The fulfilment of the biblical prophecy

Preaching Christ from Daniel Sydney Greidanus, 2012-12-19 In Preaching Christ from Daniel Sidney Greidanus shows preachers and teachers how to prepare expository messages from the six narratives and four visions in the book of Daniel Using the most up to date biblical scholarship Greidanus addresses foundational issues such as the date of composition the author s and original audience of the book its overall message and goal and various ways of preaching Christ from Daniel Throughout his book Greidanus puts front and center God s sovereignty providence and coming kingdom Each chapter contains building blocks for constructing expository sermons and lessons including useful information on the context themes and goals of each literary unit links between Daniel and the New Testament how to formulate the sermon theme and goal contemporary application and much more

A Brief History of End Time Paula Clifford, 2016-11-15 With subjects ranging from William Blacke to Nostradamus this book considers all things apocalyptic and asks the question of why the end of time has captured the human imagination in so many ways End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we ve survived John Hagee s Four Blood Moons Jonathan Cahn s Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist s next false claim centers around the 70 year anniversary of Israel s founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Doomsday Rapture forecasts have been put forth in the name of Futurism since the 2nd century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and

earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22 5
