The Enemy Has a Face Gloria D. Miklowitz,2003 Netta and her family have relocated temporarily from Israel to Los Angeles and when her seventeen year old brother mysteriously disappears she becomes convinced that he has been abducted by Palestinian terrorists

The Enemy Has a Face John Wallach,Michael Wallach,2000 Every summer since 1993 the woods of Maine have witnessed a remarkable attempt to plant the idea of peace in the hearts and minds of the next generation of Middle East leaders For three weeks 300 Arab and Israeli teenagers leave behind the violence and hatred ingrained in their homelands to meet their enemies face to face At times it s an emotionally wrenching process but it can produce surprising friendships and an enduring belief in coexistence Seeds of Peace makes the most of the adaptability and enthusiasm of youth creating a secure environment in which teenagers supported by trained counselors can dare to argue with and play alongside one another to challenge preconceptions and to envisage a peaceful Middle East The author vividly describes the camp experience and follows the youngsters return home where despite criticism from friends and families many of them continue to promote Arab Israeli coexistence This highly engaging and accessible account of peacemaking in action also includes photographs and feature boxes that help bring alive the complex issues involved *The Enemy has*

The Face of God Illuminated in the Light of Grief Maud Makoni, 2018-05-31 No Test Without a Testimony I would like to share some experiences that brought me closer than I had ever imagined to God I would like to take this opportunity to show you how grief makes God clearer Throughout this book I hope you share in the knowledge and experience that I gained from the collapse of the entirety of my world In 2015 death knocked on my door once again I felt so hopeless and despondent it felt new Like I had never lost anyone before even though I had The beauty of it all is I experienced Gods grace and mercy through it all When David said Goodness and mercy will follow me he was right In my struggle with grief I learned to let go and allow the peace of God to take over my bleeding heart Pain and sorrow were real and no one could bear the weight of grief alone and survive I couldnt carry my loss alone I had to depend on God and his presence I let him in my life and it was like having a friend walking with me through a dark and dangerous tunnel He carried me through a broken heart through streams of tears and fear and then through a safe haven of peace and joy We walked together on the path to recovery while I talked with him and he talked back to me I grew to trust him and became mature and able to love him through all the seasons of life I know without a shadow of doubt that in my time of sorrow he was there to comfort me and to lift my soul I hope to comfort you as I share with you what has worked for me Getting in God's Face Dutch

Sheets, 2006-08-07 Is prayer really necessary Why does it often take so long to get a prayer answered What about praying for non Christian friends What exactly is intercessory prayer Is everything that happens to me or my family allowed by God Or is there something I need to do to make sure we re safe For students with questions about prayer Getting in God s Face takes them on a journey to find God s answers to the big questions about prayer Powerful stories and proven strategies for interceding with God will increase their understanding and their faith when they read of how God uses prayer to accomplish His purposes on earth

The Face of the Ancient Orient Sabatino Moscati, 2012-10-10 Fascinating study examines Sumerians Babylonians Egyptians Hittites Canaanites Israelites Persians others a valuable introduction perhaps the best available in English American Historical Review 32 halftones 5 figures 1 map *Islamic Liberation Theology* Hamid Dabashi, 2008-05-14 This book is a radical piece of counter intuitive rethinking of the clash of civilizations theory and global politics In this richly detailed criticism of contemporary politics Hamid Dabashi argues that after 9 11 we have not seen a new phase in a long running confrontation between Islam and the West but that such categories have in fact collapsed and exhausted themselves The West is no longer a unified actor and Islam is ideologically depleted in its confrontation with

colonialism Rather we are seeing the emergence of the US as a lone superpower and a confrontation between a form of imperial globalized capital and the rising need for a new Islamic theodicy The combination of political salience and theoretical force makes Islamic Liberation Theology a cornerstone of a whole new generation of thinking about political Islamism and a compelling read for anyone interested in contemporary Islam current affairs and US foreign policy Dabashi drives his well supported and thoroughly documented points steadily forward in an earnest and highly readable style
