Sinister Tide:

Sinister Tide Colin Forbes, 2000-12 **Prose of the Spirit** Cristián Sarmiento, Since 2014 a series of writings and ideas appeared without any control by the mind instructing a silent invitation to write them on paper At the same time this period coincides with an awakening of identity from individuality to collectivity It has not been at all simple different layers of energy have appeared through the consciousness begging for attention and compassion to feel them in depth This book has a more philosophical spirit and investigator of both life and what appears freely through consciousness Perhaps a more poetic sense of the experience that was emerging This book was quietly resting since 2016 I don't know the reason why however in general terms I could comment that it is the third part of a trilogy that begins with *Conversations with an Owl* continues with *Song of a Hermit* and ends with these prosas Trusting in what one feels and manifesting the experience of consciousness has a value that involves sharing what is inside you specifically in your heart At times the sadness of some moments of dark night of the soul appears in other alleyways the depth of personal research and the free interpretation of what is born from the creative potential of each human being Creativity allows us to re-evaluate our own beliefs and be aware of them to initiate the process of personal choice We are the creators of our experience Although we don't have control over the results Interesting paradox We must observe our attachment to nostalgia and depression as well as the hidden beliefs about our separation from life Much of it is illusions as Buddha mentioned 2 500 years ago In our awakening process different artistic creative and expressive discoveries can appear Have the courage to share it have the conviction of feeling who you really are Maybe your essence is closer than you feel than you think **Hearst's** ,1913 *Grigori* Ann Gimpel, 2023-01-17 I like things neat so shoot me Or poison me Or run me through with a broadsword Doesn't matter how you try to end me werewolves are immortal Back to liking things neat I've been killing forever both as a wolf and as a man The assassin trade has always been lucrative and a few hundred years back a much simpler affair No DNA tests No sophisticated crime labs I didn't have to plan the way I do today to avoid detection Not that it would matter if I were apprehended I'd just vanish to a borderworld for a while and resurface once the heat died down Mostly I deal with supernatural enemies these days Keeps things cleaner But this book isn't about today It's about long ago I've done my damndest to instill pride and standards into the assassin trade And bond animals Their principles definitely add class to the mix Building the Circle was an uphill battle I almost gave up more times than I can count but nothing worthwhile comes easy The Circle of Assassins became my life's work Didn't plan it that way but life happens Life bloodthirsty mages and the bond animals who adore them Author note This book can be read as a standalone but for the best experience you might want to read the first four books in this series
