Guides are back for 1991 The most alluring and glamorous detinations in the world are featured in each guide with current information on the best things to see and dok the best places to stay and much more The Real T E Lawrence Andrew Norman,2025-08-30 Explores the enduring mysteries of Lawrence s postwar obscurity and complex sexuality T E Lawrence soldier and writer the co leader with King Faisal of Saudi Arabia of the Arab Campaign during the First World War became a legend in his own lifetime And yet to this day there is much about him which remains a mystery two aspects of his character being of particular interest This first is why having become a famous figure with the world at his feet did he choose subsequently to live a life of obscurity in the lower ranks of the armed services The second concerns Lawrence s sexuality Some of his biographers have been accused of bringing sex into their volumes for reasons of sensationalism and publicity To be fair however it was Lawrence himself who first raised the subject by including in his book Seven Pillars of Wisdom an account of the Desert Campaign details of how he was captured and raped by the Turks Lawrence who never married is known to have engaged in masochistic rituals So what was the true nature of and explanation for his sexuality This is the challenge of The Real T E Lawrence **The Creators of Winnie the Pooh** Andrew Norman,2025-03-30 In 1962 children s writer Roger Lancelyn Green coined the phrase The Golden Age of Children s Books A A Milne s two Winnie the Pooh books published in 1926 and 1928 which were so beautifully illustrated by artist and book illustrator E H Shepard fall into this category Milne was clearly motivated to compose his Winnie the Pooh stories in order to entertain his young son However Christopher Robin came to resent the fact that his father had used his real first names as the names of Pooh s owner in the books Was there a deeper reason why Milne created Winnie the Pooh Possibly yes The author had served as a soldier in the First World War and by creating Pooh and his Hundred Acre Wood he had created a world into which he could withdraw whenever he chose and thereby mitigate the post traumatic stress disorder which all military combatants suffer to a greater or lesser degree The same applied to Shepard who also served in that conflict Having been given the Pooh books as a child I re read them as an adult and laughed just as uproariously as I had done all those years ago Up until then it had never occurred to me to enquire about their author A A Milne and about their illustrator E H Shepard I now decided that it was time to put matters right Castles of Scotland David Richard Cook,1988 These phamlets include some of the history and photographs of the many different and beautiful castles in Scotland The Real Peter Sellers Andrew Norman,2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful

wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film Being There in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been      **Whitaker's Book List** ,1991
