Sisu Mother:

Sisu Mother Lempi Kähönen-Wilson, 2002 Elsie began her life in Karelia and dreamed of an education War began in Europe then the Russians invaded Finland Displaced by the Winter War in 1939 young Elsie and her family fled everything but survival put on hold **Imdeduya** Gunter Senft, 2017-07-12 This volume presents five variants of the Imdeduya myth two versions of the actual myth a short story a song and John Kasaipwalova's English poem Sail the Midnight Sun This poem draws heavily on the Trobriand myth which introduces the protagonists Imdeduya and Yolina and reports on Yolina's intention to marry the girl so famous for her beauty on his long journey to Imdeduya's village and on their tragic love story The texts are compared with each other with a final focus on the clash between orality and scripturality Contrary to Kasaipwalova's fixed poetic text the oral Imdeduya versions reveal the variability characteristic for oral tradition This variability opens up questions about traditional stability and destabilization of oral literature especially questions about the changing role of myth and magic in the Trobriand Islanders society which gets more and more integrated into the by now literal nation of Papua New Guinea The Sins of our Fathers Åsa Larsson, 2023-03-30 Larsson is one of the best current practitioners of Scandinavian crime fiction Financial Times A masterful storyteller An astute social commentator Sunday Express Winner of the Best Swedish Crime Novel of the Year 2021 Swedish Crime Writers Academy Winner of the Storytel Award for Best Suspense Novel 2021 Winner of the Adlibris Award for Best Suspense Novel 2021 Forensic pathologist Lars Pohjanen has only a few weeks to live when he asks Rebecka Martinsson to investigate a murder that has long since passed the statute of limitations A body found in a freezer at the home of the deceased alcoholic Henry Pekkari has been identified as a man who disappeared without a trace in 1962 the father of Swedish Olympic boxing champion Björn Ström Rebecka wants nothing to do with a fifty year old case she has enough to worry about But how can she ignore a dying man's wish When the post mortem confirms that Pekkari too was murdered Rebecka has a red hot investigation on her hands But what does it have to do with the body kept in his freezer for decades Meanwhile the city of Kiruna is being torn down and moved a few kilometres east to make way for the mine that has been devouring the city from below With the city in flux the tentacles of organized crime are slowly taking over Fragile yet fierce Rebecka Martinsson returns in a spellbinding addition to the Arctic Murders series now a Walter Presents drama for television Translated from the Swedish by Frank Perry Nikolai's Fortune Solveig Torvik, 2012-11-27 As a child Solveig Torvik heard stories of a lost mysterious great grandfather who left Finland for America to make his fortune leaving Torvik's great grandmother and his unborn daughter behind As a reporter Torvik determined to discover the fate of the man who followed his dreams to Oregon She uncovered not only the story of one man but also the saga of an entire family In Nikolai's Fortune a tale of Scandinavian women the journalist turns fact into fiction and shares the tales of her ancestors as she imagines they would have told them Nikolai's Fortune is a heartbreaking multigenerational epic chronicling family secrets and sufferings against the backdrop of Scandinavian history and culture

Tales from the Trobriand Islands of Papua New Guinea Gunter Senft,2015-08-05 This volume presents 22 tales from the Trobriand Islands told by children boys between the age of 5 and 9 years and adults The monograph is motivated not only by the anthropological linguistic aim to present a broad and quite unique collection of tales with the thematic approach to illustrate which topics and themes constitute the content of the stories but also by the psycholinguistic and textlinguistic questions of how children acquire linearization and other narrative strategies how they develop them and how they use them to structure these texts in an adult like way The tales are presented in morpheme interlinear transcriptions with first textlinguistic analyses and cultural background information necessary to fully understand them A summarizing comparative analysis of the texts from a psycholinguistic anthropological linguistic and philological point of view discusses the underlying schemata of the stories the means narrators use to structure them their structural complexity and their cultural specificity

The Darkest Evening William Durbin,2013-11-30 In the 1930s some 6 000 Finnish Americans traveled to Karelia a province in northwestern Russia hoping to leave the Depression behind and to establish a workers paradise Based on these true events The Darkest Evening chronicles the story of Jake Maki whose father caught up in the socialist fervor washing over their Finnish mining community in Minnesota moves their family to the Soviet Union Instead of finding the utopia they were promised Jake and his family encounter only disappointment and hardship When Stalin's secret police begin targeting Americans for arrest his worst fears are confirmed and Jake leads his family on a daring midwinter escape attempt on cross country skis fleeing toward the Finnish border

The Bush Still Burns Terry Allen Moe,2021-03-23 Terry Allen Moe came as pastor to Redeemer Lutheran a traditional working class congregation in a poorer mixed race neighborhood in Portland Oregon in 1981 Five US presidents six Portland mayors and four Lutheran bishops later Redeemer had been transformed into an innovative spiritual not religious member based nonprofit called Leaven Community and a new ELCA congregation Salt

and Light Lutheran nested in the midst of Leaven This is the story of how an intertwining of spirituality and organizing transformed a pastor and congregation Using the metaphor of paying attention to the voice of God in the burning bush Exodus 3 Moe describes how he and the congregation turned to the burning bush of deepened spirituality coupled with hard nosed organizing embodied in the IAF network The process was not easy or smooth but the pastor and people changed and together they impacted the larger Portland community This is the story of listening discerning acting and evaluating to address the upstream causes of pressing issues and of identifying and lifting up the public dimensions of people s pain This is the story of prayer circles that addressed societal challenges contributing to people s private struggles This is the story of unearthing and confronting the impacts of political decisions overcoming the mentality that church and politics don t mix Sunday worship shifted to include the stories of addiction job loss rising energy costs and ecological grieving from the members and their neighbors This book demonstrates how the power of spiritual discernment and community organizing can transform a community of faith It s timely inspiration for congregations struggling to find their way out of decline and the immobilization caused by fear and lack of creative leadership The Trobriand Islanders' Ways of Speaking Gunter Senft, 2010-07-19 Bronislaw Malinowski claimed in his monograph *Argonauts of the Western Pacific* that to approach the goal of ethnographic field work requires a collection of ethnographic statements characteristic narratives typical utterances items of folk lore and magical formulae as a corpus inscriptionum as documents of native mentality This book finally meets Malinowski s demand Based on more than 40 months of field research the author presents documents and illustrates the Trobriand Islanders own indigenous typology of text categories or genres covering the spectrum from ditties children chant while spinning a top to gossip songs tales and myths The typology is based on Kilivila metalinguistic terms for these genres and considers the relationship they have with registers or varieties which are also metalinguistically distinguished by the native speakers of this language Rooted in the ethnography of speaking paradigm and in the anthropological linguistics linguistic anthropology approach the book highlights the relevance of genres for researching the role of language culture and cognition in social interaction and demonstrates the importance of understanding genres for achieving linguistic and cultural competence In addition to the data presented in the book its readers have the opportunity to access the original audio and video data presented via the internet on a special website which mirrors the structure of the book Thus the reader can check the transcriptions against the original data recordings This makes the volume particularly valuable for teaching purposes in general Austronesian Oceanic documentary and anthropological linguistics and ethnology *Mother-worship, a Gynaecratic Study of Civilization & Culture* 'Ananda, 1991 **To the Bomb and Back** Sue Saffle, 2015-06-01 Between 1939 and 1945 some 80 000 Finnish children were sent to Sweden Denmark and elsewhere ostensibly to protect them from danger while their nation s soldiers fought superior Soviet and German forces This was the largest of all of World War II children s transports and although acknowledged today as a great social historical mistake it has received surprisingly little attention

This is the first English language account of Finland's war children and their experiences told through the survivors' own words. Supported by an extensive introduction, a bibliography of secondary sources, and over two dozen photographs, this book testifies to the often lifelong traumas endured by youthful survivors of war. *The Changing Role of Women in Bengal, 1849-1905* Meredith Borthwick, 2015-12-08 Basing her work on Bengali language sources such as women's journals, private papers, biographies, and autobiographies, Meredith Borthwick approaches the lives of women in nineteenth-century Bengal from a new standpoint. She moves beyond the record of the heated debates held by men of this period over matters such as widow burning, child marriage, and female education to explore the effects of changes in society on the lives of women and to question assumptions about advances prompted by British rule. Focusing on the wives, mothers, and daughters of the English-educated Bengali professional class, Dr. Borthwick contends that many reforms merely substituted a restrictive British definition of womanhood for traditional Hindu norms. The positive gains for women—increased physical freedom, the acquisition of literacy, and limited entry to non-domestic work—often brought unforeseen negative consequences such as a reduction in autonomy and power in the household. Forged From Silver Dollar Li Feng, 2015-04-28 Deeply moving story of self-sacrifice and pride. Jennifer Byrne, Australian Women's Weekly. One family's epic tale of survival in tumultuous twentieth-century China. Li Feng grew up in Mao's communist China with her mother's motto burning in her ears: Success demands two things: unconditional sacrifice and absolute mental focus. Finally breaking free of her mother's overbearing clutches and fleeing to Sydney as an adult, Li struggled to make sense of her own lost childhood by piecing together her family's history. What she found was a heartbreaking tale of love and loss that echoed across four generations of women from Silver Dollar, who fought to regain her dignity and change her destiny after being sold into a loveless marriage at the age of 13 to Ming Xiu, who was forced to make a choice no mother should ever have to make following the execution of her husband, to Li's mother Rong, who grew up as an outcast on the periphery of society but never gave up hope of a better life for herself and for her daughters. Despite economic and political upheaval, these women battled to offer their children a better future through sheer determination in the face of unimaginable adversity. *Forged From Silver Dollar* is an inspiring true story about Modern China, iron will, and the strength of a mother's love. **My Mother Before Me** Julie Kettle Gundlach, 1992 *Thinking of Miller Place: A Memoir of Summer Comfort* Ethel Lee-Miller, 2015-11-23 In my memory, I am in a place where I can still, if only in my daydreams, take off my shoes and run barefoot up the hill. Relive the magic of childhood in Ethel Lee Miller's stories of summers spent at her
