## **Sitting In The Club Car:**

**Gentlemen, It's Been My Pleasure** Senator William Borst, Lawrence Borst, 2003 Senator Lawrence Borst tells the story of political character and characters from the 1960s until today His recollections also include the inside story on some of the most controversial measures that passed into Indiana law including direct primary casino gambling all day kindergarten tobacco settlement and license branch reform This wry and humorous memoir reveals the hard work and devotion of political representatives striving to make a change for the better

Inside the Wright Brothers John Passfield, 2006-11 This novel Inside the Wright Brothers Flight is Possible presents the Wright Brothers as idealists who build a dream out of the nuts and bolts of their everyday reality There is a hard core of steel in the Wrights that however compassionate polite accommodating and modest they appear to be to other people is the straight arrow that allows them to see their life s work clearly to make every decision and action move towards the achievement of their goal and to seldom make false judgments or false gestures that would cause them to deviate from their true course The assurance that guides the brothers is that quality in creative people that allows them to work towards their life s goal no matter who or what encourages or discourages them advances them or retards them promotes them or disparages them Familiarity with the Wright Brothers story has made the invention of the world s first airplane seem to have a fairy tale ambiance which is divorced from the sweat and anxiety of everyday life This assumption of an effortless invention process is actually a hold over from the initial response to their accomplishment by the people of the Wright Brothers own time While suitably impressed with the achievement of the Wright Brothers the people of the early 20th Century remained unaware of the complex process that the Wright Brothers had actually gone through in order to produce such amazing results The lack of appreciation of the complexity of the invention process is a result of the pronouncements of aviation experts of the time who failed to appreciate the magnitude of the Wright accomplishment for two reasons an inability to imagine the number and complexity of the challenges that the Wrights had found solutions to and a desire to limit the Wright s legal hold over their inventions in light of what promised to be a great financial future for the new innovation In effect while the public of the early 20th Century marveled at the invention of the airplane and gave full credit to the Wright Brothers many aviation experts assumed that the Wright Brothers contribution to the invention process had involved nothing more complicated than a little tinkering with the ideas of those who were better qualified by education and by academic eminence to invent the airplane True appreciation of the wonder of the Wright Brothers contribution to the invention of controlled human piloted powered flight has been reserved for the detailed historical and aeronautical researches and studies of our own time It is here a century after the Wright Brothers accomplishment that the mythical story of small town bicycle mechanics astonishing the world with a feat as impressive as the boy Arthur pulling the sword from the stone and the modern story of painstaking scientific research and development of problem theory experiment and solution come together The novel explores the tenacity which allows the Wright Brothers to cling with an eagle s talons to the single

The town of Superior Ohio certainly was living up to its name In what was undoubtedly the most spectacular feat of the century it simply picked itself up one night and rose two full miles above Earth Radio messages stated simply that Superior had seceded from Earth But Don Cort stranded on that rising town was beginning to suspect that nothing was simple about Superior except its citizens Calmly they accepted their rise in the world as being due to one of their local townspeople a crackpot professor But after a couple of weeks of floating around it began to be obvious that the

professor had no idea how to get them down So then it was up to Cort either find a way to anchor Superior or spend the rest of his days on the smallest and the nuttiest planet in the galaxy      Passages Anne Hamre,2016-08-02 Set in the early years of the 20th Century when travel was measured in increments of days and weeks rather than hours and minutes this epic family saga transports readers across three continents Europe Australia and North America It chronicles not just the disparate climates and lifestyles encountered in such far flung places and the long passages between them but the lives that are changed by these travels We follow Anne Roberts and Frank Evans from their first encounter on Anne s family farm in North Wales through the evolution of their friendship romance and eventual marriage While Frank goes off in a multi continent search for affordable land where he can support the young couple and fulfill his dream of starting a dairy Anne defies society s expectations and acting upon her considerable drive intelligence and independence becomes a school teacher When the two finally relocate to Canada and marry Anne demonstrates the same determination will and adaptability that allowed her to flourish during Frank s long travels and many travails and commits all her energy to making their marriage and their future successful With Passages Anne Hamre offers an intricately researched authentically rendered portrait of both the hardships and the triumphs of the age Readers will share in the longing felt while desperately waiting for letters bearing news of a distant lover and in the joy and the uncertain dangers of discovering friendship among strangers when travelling in faraway lands and across oceans They will experience the piercing ache of loss near and afar recognize the myriad sources of a spouse s worry feel the lifting of spirit that is found in community and celebrate the enduring steadiness of a couple s true love
